2002 No. 3183

The Air Quality Limit Values (Wales) Regulations 2002

Zones where the levels are lower than the limit value

11.—(1) The National Assembly must draw up a list of zones in which the levels of the relevant pollutants are below the limit values.

(2) The National Assembly must ensure that the levels of the relevant pollutants in these zones are maintained below the limit values and must endeavour to preserve the best ambient air quality compatible with sustainable development.
