

SCHEDULE 4

OTHER RECORDS TO BE KEPT IN A CARE HOME

9. A record of all money or other valuables deposited by a service user for safekeeping or received on the service user's behalf, which—

- (a) shall state the date on which the money or valuables were deposited or received, the date on which any money or valuables were returned to a service user or used, at the request of the service user, on his behalf and, where applicable, the purpose for which the money or valuables were used; and
- (b) shall include the written acknowledgement of the return of the money or valuables.
