

## **SCHEDULE**

Regulations 2 and 3

### **PURPOSES FOR OR IN CONNECTION WITH WHICH GRANTS ARE PAYABLE**

The improvement of school sites, including—

- (a) the improvement, renovation or replacement of buildings, furniture and equipment (other than information and communications technology equipment) used for educational purposes;
- (b) the provision and installation of cabling for information and communications technology equipment as part of such improvement, renovation or replacement (but not the provision and installation of equipment itself); and
- (c) the provision of security equipment.
