

## SCHEDULE 2

### Cleansing and disinfection of means of transport

#### **Parts of the means of transport required to be cleansed**

2.—(1) In the case of animals not transported in a container—

- (a) the following must be cleansed whether or not they are soiled: all the inside surfaces of those parts of the means of transport in which the animals are transported, and all parts of the means of transport to which the animals may have had access during the journey; and
- (b) the following must be cleansed if they are soiled—
  - (i) any detachable fittings not used during the journey;
  - (ii) any other part of the means of transport; and
  - (iii) any equipment.

(2) In the case of animals transported in a container, the interior of the container must be cleansed whether or not it is soiled, and the exterior of the container and any parts of the means of transport carrying the container must be cleansed if they are soiled.

(3) For the purposes of article 3, every part of a means of transport required to be cleansed must also be disinfected.
