

SCHEDULE 1

Regulations 2(5) and 26(20) and
Schedule 10

INTERPRETATION

PART I

Meaning of pre-basic seed and similar expressions

Pre-basic seed

1. In these Regulations “pre-basic seed” means seed of a generation prior to basic seed that —
 - (a) has been produced by or under the responsibility of the breeder according to accepted practices for the maintenance of the variety, and
 - (b) is intended to be used for the production of more pre-basic seed, basic seed, or, with the breeder’s written authority —
 - (i) in the case of seed, other than field beans, field peas, Lucerne *Medicago sativa*, lupins and vetches, CS seed;
 - (ii) in the case of field beans, field peas, Lucerne *Medicago sativa*, lupins and vetches, C1 seed; or
 - (iii) in the case of field beans and field peas, C2 seed.

UK officially certified pre-basic seed of a listed variety

2.—(1) In these Regulations “UK officially certified pre-basic seed of a listed variety” means seed to which paragraph (2), (3) or (4) applies.

- (2) This paragraph applies to —
 - (a) seed of a listed variety officially certified as pre-basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
 - (b) seed of a previously listed variety officially certified as pre-basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force.
- (3) This paragraph applies to —
 - (a) pre-basic seed of a listed variety —
 - (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found by an official UK field inspection (whenever carried out) to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which basic seed is to be produced;
 - (ii) that satisfies the conditions laid down in Parts II and III of Schedule 4 for basic seed or satisfies all of those conditions except for the germination condition; and
 - (iii) for which a seed test report has been issued stating that it has been found by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for basic seed or that it has been found by such a test to satisfy all of those conditions except for the germination condition;

Status: This is the original version (as it was originally made).

- (b) pre-basic seed of a previously listed variety that complies with the requirements of paragraph (a)(i) to (iii) and for which a marketing extension is in force;
 - (c) pre-basic seed of a listed variety that —
 - (i) has been imported into the United Kingdom as not finally certified pre-basic seed harvested in another member State, and
 - (ii) complies with the requirements of paragraph (a)(ii) and (iii);
 - (d) pre-basic seed of a previously listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified pre-basic seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and
 - (iii) for which a marketing extension is in force; and
 - (e) pre-basic seed —
 - (i) that has been imported into the United Kingdom as not finally certified pre-basic seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and
 - (iii) that is of a variety that was unlisted at the time when the seed was imported into the United Kingdom but has since been listed,

other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.
- (4) Seed of a listed variety, or seed of a previously listed variety for which a marketing extension is in force, in respect of which a successful application has been made to the National Assembly for Wales under regulation 13 to re-grade it as pre-basic seed.

EC officially certified pre-basic seed of a listed variety

3. In these Regulations “EC officially certified pre-basic seed of a listed variety” means —
- (a) pre-basic seed of a listed variety officially certified as pre-basic seed by or on behalf of the competent seed certification authority in another member State, and
 - (b) pre-basic seed of a previously listed variety officially certified as pre-basic seed by or on behalf of the competent seed certification authority in another member State and for which a marketing extension is in force.

Overseas tested officially certified pre-basic seed of a listed variety

4.—(1) In these Regulations “overseas tested officially certified pre-basic seed of a listed variety” means pre-basic seed to which paragraph (2) applies.

- (2) This paragraph applies to pre-basic seed —
- (a) that was harvested from a crop produced in a member State (including the United Kingdom) for which a field inspection report was issued by or on behalf of the competent seed certification authority in the member State stating that the crop has been found to satisfy the relevant Directive crop conditions for basic seed;
 - (b) for which a seed test report has been issued —
 - (i) by or on behalf of the competent seed certification authority in the member State, or in a member State, other than the United Kingdom, into which the seed was subsequently imported, or

- (ii) by a licensed EC seed testing station in either of the member States referred to in paragraph (i),
stating that the seed has been found to satisfy the relevant Directive seed conditions for basic seed;
- (c) that has been imported into the United Kingdom as pre-basic seed of a variety that was unlisted at the time when the seed was imported but has since been listed; and
- (d) that is accompanied by —
 - (i) an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State referred to in paragraph (a), and
 - (ii) the seed test report referred to in paragraph (b).

UK officially certified early movement pre-basic seed of a listed variety

5.—(1) In these Regulations “UK officially certified early movement pre-basic seed of a listed variety” means seed to which paragraph (2), (3) or (4) applies.

- (2) This paragraph applies to —
 - (a) seed of a listed variety officially certified as early movement pre-basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
 - (b) seed of a previously listed variety officially certified as early movement pre-basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force.
- (3) This paragraph applies to —
 - (a) pre-basic seed of a listed variety —
 - (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found by an official UK field inspection (whenever carried out) to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which basic seed is to be produced;
 - (ii) that, subject to paragraph (iii), satisfies the conditions laid down in Parts II and III of Schedule 4 for basic seed;
 - (iii) for which the results of a Schedule 4 germination test are awaited but for which a provisional analytical report has been obtained indicating what the percentage of germination of the seed is likely to be; and
 - (iv) for which a seed test report has been issued stating that it has been found, subject to the results of the awaited Schedule 4 germination test, by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out), to satisfy the conditions laid down in Part II of Schedule 4 for basic seed;
 - (b) pre-basic seed of a previously listed variety that complies with the requirements of paragraph (a)(i) to (iv) and for which a marketing extension is in force;
 - (c) pre-basic seed of a listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified pre-basic seed harvested in another member State, and
 - (ii) that complies with the requirements of paragraph (a)(ii) to (iv); and
 - (d) pre-basic seed of a previously listed variety —

Status: This is the original version (as it was originally made).

- (i) that has been imported into the United Kingdom as not finally certified pre-basic seed harvested in another member State;
- (ii) that complies with the requirements of paragraph (a)(ii) to (iv); and
- (iii) for which a marketing extension is in force,

other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.

(4) Seed of a listed variety, or seed of a previously listed variety for which a marketing extension is in force, in respect of which a successful application has been made to the National Assembly for Wales under regulation 13 to re-grade it as early movement pre-basic seed.

EC officially certified early movement pre-basic seed of a listed variety

6. In these Regulations “EC officially certified early movement pre-basic seed of a listed variety” means —

- (a) pre-basic seed of a listed variety officially certified as early movement pre-basic seed by or on behalf of the competent seed certification authority in another member State, and
- (b) pre-basic seed of a previously listed variety officially certified as early movement pre-basic seed by or on behalf of the competent seed certification authority in another member State and for which a marketing extension is in force.

Officially certified pre-basic seed

7. In these Regulations “officially certified pre-basic seed” means —

- (a) UK officially certified pre-basic seed of a listed variety;
- (b) EC officially certified pre-basic seed of a listed variety;
- (c) overseas tested officially certified pre-basic seed of a listed variety;
- (d) UK officially certified early movement pre-basic seed of a listed variety; and
- (e) EC officially certified early movement pre-basic seed of a listed variety.

PART II

Meaning of basic seed and similar expressions

Basic seed

8.—(1) In these Regulations, other than in relation to a component of a hybrid variety of fodder kale, “basic seed” means seed —

- (a) that has been produced —
 - (i) by or under the responsibility of the breeder according to accepted practices for the maintenance of the variety, or
 - (ii) under the supervision of the National Assembly for Wales from seeds recognised by it to be of a local variety and grown within a specific area, and
- (b) that is intended to be used for the production of —
 - (i) in the case of seed, other than field beans, field peas, Lucerne *Medicago sativa*, lupins and vetches, CS seed;

(ii) in the case of field beans, field peas, Lucerne *Medicago sativa*, lupins and vetches, C1 seed; or

(iii) in the case of field beans and field peas, C2 seed.

(2) In these Regulations, in relation a component of a hybrid variety of fodder kale, “basic seed” means seed of the component —

(i) that has been produced by or under the responsibility of the breeder, and

(ii) that is intended to be used for the production of CS seed of the hybrid variety.

UK officially certified basic seed of a listed variety

9.—(1) In these Regulations “UK officially certified basic seed of a listed variety” means seed to which paragraph (2), (3) or (4) applies.

(2) This paragraph applies to —

(a) seed of a listed variety officially certified as basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and

(b) seed of a previously listed variety officially certified as basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force.

(3) This paragraph applies to —

(a) basic seed of a listed variety —

(i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found by an official UK field inspection (whenever carried out) to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which basic seed is to be produced;

(ii) that satisfies the conditions laid down in Parts II and III of Schedule 4 for basic seed or satisfies all of those conditions except for the germination condition; and

(iii) for which a seed test report has been issued stating that it has been found by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for basic seed or that it has been found by such a test to satisfy all of those conditions except for the germination condition;

(b) basic seed of a previously listed variety that complies with the requirements of paragraph (a)(i) to (iii) and for which a marketing extension is in force;

(c) basic seed of a listed variety —

(i) that has been imported into the United Kingdom as not finally certified basic seed harvested in another member State, and

(ii) that complies with the requirements of paragraph (a)(ii) and (iii);

(d) basic seed of a previously listed variety —

(i) that has been imported into the United Kingdom as not finally certified basic seed harvested in another member State;

(ii) that complies with the requirements of paragraph (a)(ii) and (iii); and

(iii) for which a marketing extension is in force; and

(e) basic seed —

Status: This is the original version (as it was originally made).

- (i) that has been imported into the United Kingdom as not finally certified basic seed harvested in another member State;
- (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and
- (iii) is of a variety that was unlisted at the time when the seed was imported into the United Kingdom but has since been listed,

other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.

(4) Seed of a listed variety, or seed of a previously listed variety for which a marketing extension is in force, in respect of which a successful application has been made to the National Assembly for Wales under regulation 13 to re-grade it as basic seed.

EC officially certified basic seed of a listed variety

10. In these Regulations “EC officially certified basic seed of a listed variety” means —

- (a) basic seed of a listed variety officially certified as basic seed by or on behalf of the competent seed certification authority in another member State, and
- (b) basic seed of a previously listed variety officially certified as basic seed by or on behalf of the competent seed certification authority in another member State and for which a marketing extension is in force.

Third country officially certified basic seed of a listed variety

11.—(1) In these Regulations “third country officially certified basic seed of a listed variety” means seed to which paragraph (2) or (3) applies.

(2) This paragraph applies to basic seed of a listed variety —

- (a) that was harvested from a crop that was produced in an equivalent third country from a preceding generation of seed that was produced in accordance with the provisions specified in paragraph 5 of Part B of Annex II to the Third Country Equivalence Decision;
- (b) that has been officially certified as basic seed by the approved seed certification authority in that country in accordance with —
 - (i) in the case of seed other than crucifers, the OECD Grass and Legume Seed Scheme, and
 - (ii) in the case of crucifers, the OECD Crucifer and Oil and Fibre Seed Scheme; and
 - (iii) in both cases, the conditions specified in paragraphs 1 and 2 of Part B of Annex II to the Third Country Equivalence Decision;
- (c) that has been packed in packages that have been officially closed and marked in accordance with —
 - (i) in the case of seed other than crucifers, the OECD Grass and Legume Seed Scheme, and
 - (ii) in the case of crucifers, the OECD Crucifer and Oil and Fibre Seed Scheme;and, as regards the packaging, in accordance with the relevant conditions specified in paragraph 3 of Part B of Annex II to the Third Country Equivalence Decision; and
- (d) that has been imported into the United Kingdom and was accompanied by —
 - (i) an OECD Certificate issued by the approved seed certification authority in respect of the seed lot from which the seed was taken approving the seed in that lot as basic seed; and

- (ii) subject to paragraph (iii), an Orange or Green International Seed Lot Certificate issued under the Rules of ISTA showing that it has been found to satisfy the relevant Directive seed conditions for basic seed other than those relating to varietal identity and varietal purity; or
 - (iii) in a case where the seed has been certified in Canada or the United States of America, a Lot Inspection Certificate issued by the Official Seed Testing Laboratory under the authority of the State Seed Testing Agency showing that it has been found to satisfy those conditions instead of a certificate of the type referred to in paragraph (ii).
- (3) This paragraph applies to basic seed —
- (a) of a previously listed variety that is on the OECD List and for which a marketing extension is in force, and
 - (b) that complies with the requirements of paragraph (2)(a) to (d).

Overseas tested officially certified basic seed of a listed variety

12.—(1) In these Regulations “overseas tested officially certified basic seed of a listed variety” means basic seed to which paragraph (2) or (3) applies.

- (2) This paragraph applies to basic seed —
- (a) that has been harvested from a crop produced in a member State (including the United Kingdom) for which a field inspection report was issued by or on behalf of the competent seed certification authority in the member State stating that the crop has been found to satisfy the relevant Directive crop conditions for basic seed;
 - (b) for which a seed test report has been issued —
 - (i) by or on behalf of the competent seed certification authority in the member State, or in a member State, other than the United Kingdom, into which the seed was subsequently imported, or
 - (ii) by a licensed EC seed testing station in either of the member States referred to in paragraph (i),
stating that the seed has been found to satisfy the relevant Directive seed conditions for basic seed;
 - (c) that has been imported into the United Kingdom as basic seed of a variety that was unlisted at the time when the seed was imported but has since been listed; and
 - (d) that is accompanied by —
 - (i) an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State referred to in paragraph (a), and
 - (ii) the seed test report referred to in paragraph (b).
- (3) This paragraph applies to basic seed —
- (a) that complies with the requirements of paragraph 11(2)(a) to (d), and
 - (b) that was imported into the United Kingdom as basic seed of a variety that was unlisted at the time when the seed was imported but has since been listed.

UK officially certified early movement basic seed of a listed variety

13.—(1) In these Regulations “UK officially certified early movement basic seed of a listed variety” means seed to which paragraph (2), (3) or (4) applies.

- (2) This paragraph applies to —

Status: This is the original version (as it was originally made).

- (a) seed of a listed variety officially certified as early movement basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
 - (b) seed of a previously listed variety officially certified as early movement basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force.
- (3) This paragraph applies to —
- (a) basic seed of a listed variety —
 - (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found by an official UK field inspection (whenever carried out) to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which basic seed is to be produced;
 - (ii) that, subject to paragraph (iii), satisfies the conditions laid down in Parts II and III of Schedule 4 for basic seed;
 - (iii) for which the results of a Schedule 4 germination test are awaited but for which a provisional analytical report has been obtained indicating what the percentage of germination of the seed is likely to be; and
 - (iv) for which a seed test report has been issued stating that it has been found, subject to the results of the awaited Schedule 4 germination test, by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out), to satisfy the conditions laid down in Part II of Schedule 4 for basic seed;
 - (b) basic seed of a previously listed variety that complies with the requirements of paragraph (a)(i) to (iv) and for which a marketing extension is in force;
 - (c) basic seed of a listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified basic seed harvested in another member State, and
 - (ii) that complies with the requirements of paragraph (a)(ii) to (iv); and
 - (d) basic seed of a previously listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified basic seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) to (iv); and
 - (iii) for which a marketing extension is in force,other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.
- (4) Seed of a listed variety, or seed of a previously listed variety for which a marketing extension is in force, in respect of which a successful application has been made to the National Assembly for Wales under regulation 13 to re-grade it as early movement basic seed.

EC officially certified early movement basic seed of a listed variety

14. In these Regulations “EC officially certified early movement basic seed of a listed variety” means —

- (a) basic seed of a listed variety officially certified as early movement basic seed by or on behalf of the competent seed certification authority in another member State, and

- (b) basic seed of a previously listed variety officially certified as early movement basic seed by or on behalf of the competent seed certification authority in another member State and for which a marketing extension is in force.

UK officially certified basic seed of a component of a listed hybrid variety

15.—(1) In these Regulations “UK officially certified basic seed of a component of a listed hybrid variety” means seed to which paragraph (2) or (3) applies.

(2) This paragraph applies to —

- (a) seed of a component of a listed hybrid variety officially certified as basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
- (b) seed of a component of a previously listed hybrid variety officially certified as basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force in respect of seed of the hybrid variety.

(3) This paragraph applies to —

- (a) basic seed of a component of a listed hybrid variety —
 - (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found by an official UK field inspection (whenever carried out) to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which basic seed is to be produced;
 - (ii) that satisfies the conditions laid down in Parts II and III of Schedule 4 for basic seed or satisfies all of those conditions except for the germination condition; and
 - (iii) for which a seed test report has been issued stating that it has been found by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for basic seed or that it has been found by such a test to satisfy all of those conditions except for the germination condition;
- (b) basic seed of a component of a previously listed hybrid variety that complies with the requirements of paragraph (a)(i) to (iii) and for which a marketing extension is in force in respect of seed of the hybrid variety;
- (c) basic seed of a component of a listed hybrid variety —
 - (i) that has been imported into the United Kingdom as not finally certified basic seed harvested in another member State, and
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii);
- (d) basic seed of a component of a previously listed hybrid variety —
 - (i) that has been imported into the United Kingdom as not finally certified basic seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and
 - (iii) for which a marketing extension is in force in respect of seed of the hybrid variety;
- (e) basic seed —
 - (i) that has been imported into the United Kingdom as not finally certified basic seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and

Status: This is the original version (as it was originally made).

(iii) that is a component of a hybrid variety that was unlisted at the time when the seed was imported into the United Kingdom but has since been listed, other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.

EC officially certified basic seed of a component of a listed hybrid variety

16. In these Regulations “EC officially certified basic seed of a component of a listed hybrid variety” means —

- (a) basic seed of a component of a listed hybrid variety officially certified as basic seed by or on behalf of the competent seed certification authority in another member State, and
- (b) basic seed of a component of a previously listed hybrid variety officially certified as basic seed by or on behalf of the competent seed certification authority in another member State for which a marketing extension is in force in respect of seed of the hybrid variety.

Third country officially certified basic seed of a component of a listed hybrid variety

17.—(1) In these Regulations “third country officially certified basic seed of a component of a listed hybrid variety” means seed to which paragraph (2) or (3) applies.

(2) This paragraph applies to basic seed of a component of a listed hybrid variety —

- (a) that was harvested from a crop that was produced —
 - (i) in an equivalent third country,
 - (ii) from a preceding generation of seed that was produced in accordance with the provisions specified in paragraph 5 of Part B of Annex II to the Third Country Equivalence Decision; and
- (b) that has been officially certified as basic seed by the approved seed certification authority in that country in accordance with —
 - (i) in the case of seed other than crucifers, the OECD Grass and Legume Seed Scheme, and
 - (ii) in the case of crucifers, the OECD Crucifer and Oil and Fibre Seed Scheme; and
 - (iii) in both cases, the conditions specified in paragraphs 1 and 2 of Part B of Annex II to the Third Country Equivalence Decision;
- (c) that has been packed in packages that have been officially closed and marked in accordance with —
 - (i) in the case of seed other than crucifers, the OECD Grass and Legume Seed Scheme, and
 - (ii) in the case of crucifers, the OECD Crucifer and Oil and Fibre Seed Scheme;and, as regards the packaging, in accordance with the relevant conditions specified in paragraph 3 of Part B of Annex II to the Third Country Equivalence Decision; and
- (d) that has been imported into the United Kingdom and was accompanied by —
 - (i) an OECD Certificate issued by the approved seed certification authority in respect of the seed lot from which the seed was taken approving the seed in that lot as basic seed; and
 - (ii) subject to paragraph (iii), an Orange or Green International Seed Lot Certificate issued under the Rules of ISTA showing that it has been found to satisfy the relevant

Directive seed conditions for basic seed other than those relating to varietal identity and varietal purity; or

- (iii) in a case where the seed has been certified in Canada or the United States of America, a Lot Inspection Certificate issued by the Official Seed Testing Laboratory under the authority of the State Seed Testing Agency showing that it has been found to satisfy those conditions instead of a certificate of the type referred to in paragraph (ii).

(3) This paragraph applies to basic seed of a component —

- (a) of a previously listed hybrid variety that is on the OECD List and for which a marketing extension is in force, and
- (b) that complies with the requirements of paragraph (2)(a) to (d).

Overseas tested officially certified basic seed of a component of a listed hybrid variety

18.—(1) In these Regulations “overseas tested officially certified basic seed of a component of a listed hybrid variety” means basic seed to which paragraph (2) or (3) applies.

(2) This paragraph applies to basic seed of a component of a listed hybrid variety —

- (a) that has been harvested from a crop produced in a member State (including the United Kingdom) for which a field inspection report was issued by or on behalf of the competent seed certification authority in the member State stating that the crop has been found to satisfy the relevant Directive crop conditions for basic seed;

(b) for which a seed test report has been issued —

- (i) by or on behalf of the competent seed certification authority in the member State, or in a member State, other than the United Kingdom, into which the seed was subsequently imported, or
- (ii) by a licensed EC seed testing station in either of the member States referred to in paragraph (i),

stating that the seed has been found to satisfy the relevant Directive seed conditions for basic seed;

- (c) that has been imported into the United Kingdom as a component of a hybrid variety that was unlisted at the time when the seed was imported into the United Kingdom but has since been listed, and

(d) that is accompanied by —

- (i) an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State referred to in paragraph (a), and
- (ii) the seed test report referred to in paragraph (b).

(3) This paragraph applies to basic seed of a component of a listed hybrid variety —

- (a) that complies with the requirements of paragraph 17(2)(a) to (d), and
- (b) that was imported into the United Kingdom as basic seed of a component of a hybrid variety that was unlisted at the time when the seed was imported into the United Kingdom but has since been listed.

UK officially certified early movement basic seed of a component of a listed hybrid variety

19.—(1) In these Regulations “UK officially certified early movement basic seed of a component of a listed hybrid variety” means seed of which paragraph (2) or (3) applies.

(2) This paragraph applies to —

Status: This is the original version (as it was originally made).

- (a) seed of a component of a listed hybrid variety officially certified as early movement basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
 - (b) seed of a component of a previously listed hybrid variety officially certified as early movement basic seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force in respect of seed of the hybrid variety.
- (3) This paragraph applies to —
- (a) basic seed of a component of a listed hybrid variety —
 - (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found by an official UK field inspection (whenever carried out) to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which basic seed is to be produced;
 - (ii) that, subject to paragraph (iii), satisfies the conditions laid down in Parts II and III of Schedule 4 for basic seed;
 - (iii) for which the results of a Schedule 4 germination test are awaited but for which a provisional analytical report has been obtained indicating what the percentage of germination of the seed is likely to be; and
 - (iv) for which a seed test report has been issued stating that it has been found, subject to the results of the awaited Schedule 4 germination test, by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for basic seed;
 - (b) basic seed of a component of a previously listed hybrid variety that complies with the requirements of paragraph (a)(i) to (iv) and for which a marketing extension is in force in respect of seed of the hybrid variety;
 - (c) basic seed of a component of a listed hybrid variety —
 - (i) that has been imported into the United Kingdom as not finally certified basic seed harvested in another member State, and
 - (ii) complies with the requirements of paragraph (a)(ii) to (iv); and
 - (d) basic seed of a component of a previously listed hybrid variety —
 - (i) that has been imported into the United Kingdom as not finally certified basic seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) to (iv); and
 - (iii) for which a marketing extension is in force in respect of seed of the hybrid variety, other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.

EC officially certified early movement basic seed of a component of a listed hybrid variety

20. In these Regulations “EC officially certified early movement basic seed of a component of a listed hybrid variety” means —

- (a) basic seed of a component of a listed hybrid variety officially certified as early movement basic seed by or on behalf of the competent seed certification authority in another member State, and

- (b) basic seed of a component of a previously listed hybrid variety officially certified as early movement basic seed by or on behalf of the competent seed certification authority in another member State and for which a marketing extension is in force in respect of seed of the hybrid variety.

Officially certified basic seed

21. In these Regulations “officially certified basic seed” means —

- (a) UK officially certified basic seed of a listed variety;
- (b) EC officially certified basic seed of a listed variety;
- (c) third country officially certified basic seed of a listed variety;
- (d) overseas tested officially certified basic seed of a listed variety;
- (e) UK officially certified early movement basic seed of a listed variety;
- (f) EC officially certified early movement basic seed of a listed variety;
- (g) UK officially certified basic seed of a component of a listed hybrid variety;
- (h) EC officially certified basic seed of a component of a listed hybrid variety;
- (i) third country officially certified basic seed of a component of a listed hybrid variety;
- (j) overseas tested officially certified basic seed of a component of a listed hybrid variety;
- (k) UK officially certified early movement basic seed of a component of a listed hybrid variety; and
- (l) EC officially certified early movement basic seed of a component of a listed hybrid variety.

PART III

Meaning of CS seed and similar expressions

CS seed

22. In these Regulations in relation to all seed, other than field beans, field peas, Lucerne *Medicago sativa*, lupins and vetches, “CS seed” means seed that —

- (a) has been produced directly from officially certified basic seed or, with the breeder’s written authority, from officially certified pre-basic seed, and
- (b) is intended for purposes other than the production of fodder plant seed.

UK officially certified CS seed of a listed variety

23.—(1) In these Regulations “UK officially certified CS seed of a listed variety” means seed to which paragraph (2), (3) or (4) applies.

(2) This paragraph applies to —

- (a) seed of a listed variety officially certified as CS seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
- (b) seed of a previously listed variety officially certified as CS seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force.

(3) This paragraph applies to —

- (a) CS seed of a listed variety —

Status: This is the original version (as it was originally made).

- (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found, by an official UK field inspection (whenever carried out) or, in the case of a crop that has been produced from seed that has been subject to satisfactory official post control, by a UK field inspection carried out under official supervision following the listing of the variety, to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which CS seed is to be produced;
 - (ii) that satisfies the conditions laid down in Parts II and III of Schedule 4 for CS seed; and
 - (iii) for which a seed test report has been issued stating that it has been found by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for CS seed;
- (b) CS seed of a previously listed variety that complies with the requirements of paragraph (a) (i) to (iii) and for which a marketing extension is in force;
- (c) CS seed of a listed variety —
- (i) that has been imported into the United Kingdom as not finally certified CS seed harvested in another member State, and
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii);
- (d) CS seed of a previously listed variety —
- (i) that has been imported into the United Kingdom as not finally certified CS seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and
 - (iii) for which a marketing extension is in force;
- (e) CS seed —
- (i) that has been imported into the United Kingdom as not finally certified CS seed harvested in another member State or an equivalent third country;
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and
 - (iii) is of a variety that was unlisted at the time when the seed was imported into the United Kingdom but has since been listed;
- (f) CS seed of a listed variety —
- (i) that has been imported into the United Kingdom as not finally certified CS seed harvested in an equivalent third country, and
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and
- (g) CS seed —
- (i) of a previously listed variety that is on the OECD list;
 - (ii) that has been imported into the United Kingdom as not finally certified CS seed harvested in an equivalent third country;
 - (iii) that complies with the requirements of paragraph (a)(ii) and (iii); and
 - (iv) for which a marketing extension is in force,
- other than seed to which paragraph (2) applies and seed for which an application for official certification has been, the National Assembly for Wales or the Department of Agriculture and Rural Development that has not been finally determined.

(4) Seed of a listed variety, or of a previously listed variety for which a marketing extension is in force, in respect of which a successful application has been made to the National Assembly for Wales under regulation 13 to re-grade it as CS seed.

EC officially certified CS seed of a listed variety

- 24.** In these Regulations “EC officially certified CS seed of a listed variety” means —
- (a) CS seed of a listed variety officially certified as CS seed by or on behalf of the competent seed certification authority in another member State, and
 - (b) CS seed of a previously listed variety officially certified as CS seed by or on behalf of the competent seed certification authority in another member State and for which a marketing extension is in force.

Third country officially certified CS seed of a listed variety

25.—(1) In these Regulations “third country officially certified CS seed of a listed variety” means seed to which paragraph (2) or (3) applies.

- (2) This paragraph applies to CS seed of a listed variety —
- (a) that was harvested from a crop that was produced in an equivalent third country from basic seed that was produced in accordance with the provisions of paragraph 6 of Part B of the Annex to the Third Country Equivalence Decision;
 - (b) that has been officially certified as basic seed by the approved seed certification authority in that country in accordance with —
 - (i) in the case of seed other than crucifers, the OECD Grass and Legume Seed Scheme, and
 - (ii) in the case of crucifers, the OECD Crucifer and Oil and Fibre Seed Scheme; and
 - (iii) in both cases, the conditions specified in paragraphs 1 and 2 of Part B of Annex II to the Third Country Equivalence Decision;
 - (c) that has been packed in packages that have been officially closed and marked in accordance with —
 - (i) in the case of seed other than crucifers, the OECD Grass and Legume Seed Scheme, and
 - (ii) in the case of crucifers, the OECD Crucifer and Oil and Fibre Seed Scheme;and, as regards the packaging, in accordance with the relevant conditions specified in paragraph 3 of Part B of the Annex II to the Third Country Equivalence Decision; and
 - (d) that has been imported into the United Kingdom and was accompanied by —
 - (i) an OECD Certificate issued by the approved seed certification authority in respect of the seed lot from which the seed was taken approving the seed in that lot as CS seed; and
 - (ii) subject to paragraph (iii), an Orange or Green International Seed Lot Certificate issued under the Rules of ISTA showing that it has been found to satisfy the relevant Directive seed conditions for CS seed other than those relating to varietal identity and varietal purity; or
 - (iii) in a case where the seed has been certified in Canada or the United States of America, a Lot Inspection Certificate issued by the Official Seed Testing Laboratory under the authority of the State Seed Testing Agency showing that it has been found to satisfy those conditions instead of a certificate of the type referred to in paragraph (ii).

Status: This is the original version (as it was originally made).

- (3) This paragraph applies to CS seed —
 - (a) of a previously listed variety that is on the OECD List and for which a marketing extension is in force, and
 - (b) that complies with the requirements of paragraph (2)(a) to (d).

Overseas tested officially certified CS seed of a listed variety

26.—(1) In these Regulations “overseas tested officially certified CS seed of a listed variety” means CS seed to which paragraph (2), (3) or (4) applies.

- (2) This paragraph applies to CS seed —
 - (a) that has been harvested from a crop produced in a member State (including the United Kingdom) for which a field inspection report was issued by or on behalf of the competent seed certification authority in the member State stating that the crop had been found to satisfy the relevant Directive crop conditions for CS seed;
 - (b) for which a seed test report has been issued —
 - (i) by or on behalf of the competent seed certification authority in the member State, or in a member State, other than the United Kingdom, into which the seed was subsequently imported, or
 - (ii) by a licensed EC seed testing station in either of the member States referred to in paragraph (i),stating that the seed has been found to satisfy the relevant Directive seed conditions for CS seed;
 - (c) that has been imported into the United Kingdom as CS seed of a variety that was unlisted at the time when the seed was imported but has since been listed; and
 - (d) that is accompanied by —
 - (i) an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State referred to in paragraph (a), and
 - (ii) the seed test report referred to in paragraph (b).
- (3) This paragraph applies to CS seed —
 - (a) that was harvested from a crop produced in an equivalent third country for which a field inspection report was issued by the approved seed certification authority or a licensed third country crop inspector in that country stating that the crop had been found to satisfy the relevant Directive crop conditions for CS seed;
 - (b) that was subsequently imported into a member State other than the United Kingdom and for which a seed test report has been issued by or on behalf of the competent seed certification authority or by a licensed EC seed testing station in that member State, stating that the seed has been found to satisfy the relevant Directive seed conditions for CS seed;
 - (c) that has been imported into the United Kingdom as CS seed of a variety that was unlisted at the time when the seed was imported but has since been listed; and
 - (d) that is accompanied by —
 - (i) an Annex II.A(3) official certificate relating to the crop from which the seed was harvested issued by the approved seed certification authority in the third country referred to in paragraph (a) stating that the crop has been found to satisfy the relevant crop conditions for CS seed, and
 - (ii) the seed test report referred to in paragraph (b).
- (4) This paragraph applies to CS seed —

- (a) that complies with the requirements of paragraph 25(2)(a) and (d), and
- (b) that was imported into the United Kingdom as CS seed of a variety that was unlisted at the time when the seed was imported but has since been listed.

UK officially certified early movement CS seed of a listed variety

27.—(1) In these Regulations “UK officially certified early movement CS seed of a listed variety” means seed to which paragraph (2), (3) or (4) applies.

- (2) This paragraph applies to —
 - (a) seed of a listed variety officially certified as early movement CS seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
 - (b) seed of a previously listed variety officially certified as early movement CS seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force.
- (3) This paragraph applies to —
 - (a) CS seed of a listed variety —
 - (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found by an official UK field inspection (whenever carried out) or, in the case of a crop that has been produced from seed that has been subject to satisfactory official post control, by a UK field inspection carried out under official supervision following the listing of the variety, to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which CS seed is to be produced;
 - (ii) that, subject to paragraph (iii), satisfies the conditions laid down in Parts II and III of Schedule 4 for CS seed;
 - (iii) for which the results of a Schedule 4 germination test are awaited to determine whether the seed will satisfy the applicable germination standard for CS seed but for which a provisional analytical report has been obtained indicating that the seed is likely to meet that standard; and
 - (iv) for which a seed test report has been issued stating that it has been found, subject to the results of the awaited Schedule 4 germination test, by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for CS seed;
 - (b) CS seed of a previously listed variety that complies with the requirements of paragraph (a) (i) to (iv) and for which a marketing extension is in force;
 - (c) CS seed of a listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified CS seed harvested in another member State, and
 - (ii) complies with the requirements of paragraph (a)(ii) to (iv);
 - (d) CS seed of a previously listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified CS seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) to (iv); and
 - (iii) for which a marketing extension is in force;
 - (e) CS seed of a listed variety —

Status: This is the original version (as it was originally made).

- (i) that has been imported into the United Kingdom as not finally certified CS seed harvested in an equivalent third country, and
 - (ii) that complies with the requirements of paragraph (a)(ii) to (iv);
- (f) CS seed —
- (i) of a previously listed variety that is on the OECD list;
 - (ii) that has been imported into the United Kingdom as not finally certified CS seed harvested in an equivalent third country;
 - (iii) that complies with the requirements of paragraph (a)(ii) to (iv); and
 - (iv) for which a marketing extension is in force,
- other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.
- (4) Seed of a listed variety, or of a previously listed variety for which a marketing extension is in force, in respect of which a successful application has been made to the National Assembly for Wales under regulation 13 to re-grade it as early movement CS seed.

EC officially certified early movement CS seed of a listed variety

28. In these Regulations “EC officially certified early movement CS seed of a listed variety” means —

- (a) CS seed of a listed variety officially certified as early movement CS seed by or on behalf of the competent seed certification authority in another member State, and
- (b) CS seed of a previously listed variety officially certified as early movement CS seed by or on behalf of the competent seed certification authority in another member State and for which a marketing extension is in force.

Officially certified CS seed

29. In these Regulations “officially certified CS seed” means —

- (a) UK officially certified CS seed of a listed variety;
- (b) EC officially certified CS seed of a listed variety;
- (c) third country officially certified CS seed of a listed variety;
- (d) overseas tested officially certified CS seed of a listed variety;
- (e) UK officially certified early movement CS seed of a listed variety; and
- (f) EC officially certified early movement CS seed of a listed variety.

C1 seed

30. In these Regulations, in relation to field beans, field peas, Lucerne *Medicago sativa*, lupins and vetches, “C1 seed” means seed that —

- (a) has been produced directly from officially certified basic seed or, with the breeder’s written authority, from officially certified pre-basic seed, and
- (b) is intended —
 - (i) in the case of field beans and field peas, for production of C2 seed, or
 - (ii) in the case of field beans, field peas, Lucerne *Medicago sativa*, lupins and vetches, for purposes other than the production of fodder plant seed.

UK officially certified C1 seed of a listed variety

31.—(1) In these Regulations “UK officially certified C1 seed of a listed variety” means seed to which paragraph (2), (3) or (4) applies.

(2) This paragraph applies to —

- (a) seed of a listed variety officially certified as C1 seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
- (b) seed of a previously listed variety officially certified as C1 seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force.

(3) This paragraph applies to —

(a) C1 seed of a listed variety —

- (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found, by an official UK field inspection (whenever carried out) or, in the case of a crop that has been produced from seed that has been subject to satisfactory official post control, by a UK field inspection carried out under official supervision following the listing of the variety, to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which C1 seed is to be produced;
- (ii) that satisfies the conditions laid down in Parts II and III of Schedule 4 for C1 seed; and
- (iii) for which a seed test report has been issued stating that it has been found by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for C1 seed;

(b) C1 seed of a previously listed variety that complies with the requirements of paragraph (a) (i) to (iii) and for which a marketing extension is in force;

(c) C1 seed of a listed variety —

- (i) that has been imported into the United Kingdom as not finally certified C1 seed harvested in another member State, and
- (ii) that complies with the requirements of paragraph (a)(ii) and (iii);

(d) C1 seed of a previously listed variety —

- (i) that has been imported into the United Kingdom as not finally certified C1 seed harvested in another member State;
- (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and
- (iii) for which a marketing extension is in force;

(e) C1 seed —

- (i) that has been imported into the United Kingdom as not finally certified C1 seed harvested in another member State or an equivalent third country;
- (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and
- (iii) is of a variety that was unlisted at the time when the seed was imported into the United Kingdom but has since been listed;

(f) C1 seed of a listed variety —

- (i) that has been imported into the United Kingdom as not finally certified C1 seed harvested in an equivalent third country, and
- (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and

Status: This is the original version (as it was originally made).

- (g) C1 seed —
 - (i) of a previously listed variety that is on the OECD list;
 - (ii) that has been imported into the United Kingdom as not finally certified C1 seed harvested in an equivalent third country;
 - (iii) that complies with the requirements of paragraph (a)(ii) and (iii); and
 - (iv) for which a marketing extension is in force,other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.

(4) Seed of a listed variety, or of a previously listed variety for which a marketing extension is in force, in respect of which a successful application has been made to the National Assembly for Wales under regulation 13 to re-grade it as C1 seed.

EC officially certified C1 seed of a listed variety

- 32.** In these Regulations “EC officially certified C1 seed of a listed variety” means —
- (a) C1 seed of a listed variety officially certified as C1 seed by the competent seed certification authority in another member State, and
 - (b) C1 seed of a previously listed variety officially certified as C1 seed by the competent seed certification authority in another member State and for which a marketing extension is in force.

Third country officially certified C1 seed of a listed variety

33.—(1) In these Regulations “third country officially certified C1 seed of a listed variety” means C1 seed to which paragraph (2) or (3) applies.

- (2) This paragraph applies to C1 seed of a listed variety —
- (a) that was harvested from a crop that has been produced in an equivalent third country from a preceding generation of seed that was produced in accordance with the provisions of paragraph 6 of Part B of Annex II to the Third Country Equivalence Decision;
 - (b) that has been officially certified as basic seed by the approved seed certification authority in that country in accordance with the OECD Grass and Legume Seed Scheme and the conditions specified in paragraphs 1 and 2 of Part B of Annex II to the Third Country Equivalence Decision;
 - (c) that has been packed in packages that have been officially closed and marked in accordance with —
 - (i) in the case of seed other than crucifers, the OECD Grass and Legume Seed Scheme, and
 - (ii) in the case of crucifers, the OECD Crucifer and Oil and Fibre Seed Scheme;and, as regards the packaging, in accordance with the relevant conditions specified in paragraph 3 of Part B of Annex II to the Third Country Equivalence Decision; and
 - (d) that has been imported into the United Kingdom and was accompanied by —
 - (i) an OECD Certificate issued by the approved seed certification authority in respect of the seed lot from which the seed was taken approving the seed in that lot as C1 seed; and
 - (ii) subject to paragraph (iii), an Orange or Green International Seed Lot Certificate issued under the Rules of ISTA showing that it has been found to satisfy the relevant

Directive seed conditions for C1 seed other than those relating to varietal identity and varietal purity; or

- (iii) in a case where the seed has been certified in Canada or the United States of America, a Lot Inspection Certificate issued by the Official Seed Testing Laboratory under the authority of the State Seed Testing Agency showing that it has been found to satisfy those conditions instead of a certificate of the type referred to in paragraph (ii).

(3) This paragraph applies to C1 seed —

- (a) of a previously listed variety that is on the OECD List and for which a marketing extension is in force, and
- (b) that complies with the requirements of paragraph (2)(a) to (d).

Overseas tested officially certified C1 seed of a listed variety

34.—(1) In these Regulations “overseas tested officially certified C1 seed of a listed variety” means C1 seed to which paragraph (2), (3) or (4) applies.

(2) This paragraph applies to C1 seed —

- (a) that has been harvested from a crop produced in a member State (including the United Kingdom) for which a field inspection report has been issued by or on behalf of the competent seed certification authority in the member State stating that the crop has been found to satisfy the relevant Directive crop conditions for C1 seed;

(b) for which a seed test report has been issued —

- (i) by or on behalf of the competent seed certification authority in the member State, or in a member State, other than the United Kingdom, into which the seed was subsequently imported, or
- (ii) by a licensed EC seed testing station in either of the member States referred to in paragraph (i),

stating that the seed has been found to satisfy the relevant Directive seed conditions for C1 seed;

(c) that has been imported into the United Kingdom as C1 seed of a variety that was unlisted at the time when the seed was imported but has since been listed; and

(d) that is accompanied by —

- (i) an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State referred to in paragraph (a), and
- (ii) the seed test report referred to in paragraph (b).

(3) This paragraph applies to C1 seed —

(a) that was harvested from a crop produced in an equivalent third country for which a field inspection report was issued by the approved seed certification authority or a licensed third country crop inspector in that country stating that the crop had been found to satisfy the relevant Directive crop conditions for C1 seed;

(b) that was subsequently imported into a member State other than the United Kingdom and for which a seed test report has been issued by or on behalf of the competent seed certification authority or by a licensed EC seed testing station in that member State, stating that the seed has been found to satisfy the relevant Directive seed conditions for C1 seed;

(c) that has been imported into the United Kingdom as C1 seed of a variety that was unlisted at the time when the seed was imported but has since been listed; and

(d) that is accompanied by —

Status: This is the original version (as it was originally made).

- (i) an Annex II.A(3) official certificate relating to the crop from which the seed was harvested issued by the approved seed certification authority in the third country referred to in paragraph (a) stating that the crop has been found to satisfy the relevant crop conditions for C1 seed, and
 - (ii) the seed test report referred to in paragraph (b).
- (4) This paragraph applies to C1 seed —
- (a) that complies with the requirements of paragraph 33(2)(a) to (d), and
 - (b) that was imported into the United Kingdom as C1 seed of a variety that was unlisted at the time when the seed was imported but has since been listed.

UK officially certified early movement C1 seed of a listed variety

35.—(1) In these Regulations “UK officially certified early movement C1 seed of a listed variety” means seed to which paragraph (2), (3) or (4) applies.

- (2) This paragraph applies to —
- (a) seed of a listed variety officially certified as early movement C1 seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
 - (b) seed of a previously listed variety officially certified as early movement C1 seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force.
- (3) This paragraph applies to —
- (a) C1 seed of a listed variety —
 - (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found by an official UK field inspection (whenever carried out) or, in the case of a crop that has been produced from seed that has been subject to satisfactory official post control, by a UK field inspection carried out under official supervision following the listing of the variety, to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which C1 seed is to be produced;
 - (ii) that, subject to paragraph (iii), satisfies the conditions laid down in Parts II and III of Schedule 4 for C1 seed;
 - (iii) for which the results of a Schedule 4 germination test are awaited to determine whether the seed will satisfy the applicable germination standard for C1 seed but for which a provisional analytical report has been obtained indicating that the seed is likely to meet that standard; and
 - (iv) for which a seed test report has been issued stating that it has been found, subject to the results of the awaited Schedule 4 germination test, by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for C1 seed;
 - (b) C1 seed of a previously listed variety that complies with the requirements of paragraph (a) (i) to (iv) and for which a marketing extension is in force;
 - (c) C1 seed of a listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified C1 seed harvested in another member State, and
 - (ii) complies with the requirements of paragraph (a)(ii) to (iv);
 - (d) C1 seed of a previously listed variety —

- (i) that has been imported into the United Kingdom as not finally certified C1 seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) to (iv); and
 - (iii) for which a marketing extension is in force;
- (e) C1 seed of a listed variety —
- (i) that has been imported into the United Kingdom as not finally certified C1 seed harvested in an equivalent third country, and
 - (ii) that complies with the requirements of paragraph (a)(ii) to (iv);
- (f) C1 seed —
- (i) of a previously listed variety that is on the OECD list;
 - (ii) that has been imported into the United Kingdom as not finally certified C1 seed harvested in an equivalent third country;
 - (iii) that complies with the requirements of paragraph (a)(ii) to (iv); and
 - (iv) for which a marketing extension is in force,
- other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.
- (4) Seed of a listed variety, or of a previously listed variety for which a marketing extension is in force, in respect of which a successful application has been made to the National Assembly for Wales under regulation 13 to re-grade it as early movement C1 seed.

EC officially certified early movement C1 seed of a listed variety

36. In these Regulations “EC officially certified early movement C1 seed of a listed variety” means —

- (a) C1 seed of a listed variety officially certified as early movement C1 seed by the competent seed certification authority in another member State, and
- (b) C1 seed of a previously listed variety officially certified as early movement C1 seed by the competent seed certification authority in another member State and for which a marketing extension is in force.

Officially certified C1 seed

37. In these Regulations “officially certified C1 seed” means —

- (a) UK officially certified C1 seed of a listed variety;
- (b) EC officially certified C1 seed of a listed variety;
- (c) third country officially certified C1 seed of a listed variety;
- (d) overseas tested officially certified C1 seed of a listed variety;
- (e) UK officially certified early movement C1 seed of a listed variety; and
- (f) EC officially certified early movement C1 seed of a listed variety.

C2 seed

38. In these Regulations, in relation to field beans, field peas, Lucerne *Medicago sativa*, lupins and vetches, “C2 seed” means seed —

- (a) that has been produced directly from —

Status: This is the original version (as it was originally made).

- (i) officially certified basic seed;
 - (ii) officially certified C1 seed; or
 - (iii) with the breeder's written authority, from officially certified pre-basic seed, and
- (b) that is intended for purposes other than the production of fodder plant seed.

UK officially certified C2 seed of a listed variety

39.—(1) In these Regulations, in relation to field beans and field peas, “UK officially certified C2 seed of a listed variety” means seed to which paragraph (2), (3) or (4) applies.

- (2) This paragraph applies to —
- (a) seed of a listed variety officially certified as C2 seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
 - (b) seed of a previously listed variety officially certified as C2 seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force.
- (3) This paragraph applies to —
- (a) C2 seed of a listed variety —
 - (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found, by an official UK field inspection (whenever carried out) or, in the case of a crop that has been produced from seed that has been subject to satisfactory official post control, by a UK field inspection carried out under official supervision following the listing of the variety, to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which C2 seed is to be produced;
 - (ii) that satisfies the conditions laid down in Parts II and III of Schedule 4 for C2 seed; and
 - (iii) for which a seed test report has been issued stating that it has been found by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for C2 seed;
 - (b) C2 seed of a previously listed variety that complies with the requirements of paragraph (a) (i) to (iii) and for which a marketing extension is in force;
 - (c) C2 seed of a listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified C2 seed harvested in another member State, and
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii);
 - (d) C2 seed of a previously listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified C2 seed harvested in another member State or an equivalent third country;
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and
 - (iii) for which a marketing extension is in force; and
 - (e) C2 seed —
 - (i) that has been imported into the United Kingdom as not finally certified C2 seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) and (iii); and

- (iii) is of a variety that was unlisted at the time when the seed was imported into the United Kingdom but has since been listed,
 - (f) C2 seed of a listed variety that—
 - (i) has been imported into the United Kingdom as not finally certified C2 seed harvested in an equivalent third country; and
 - (ii) complies with the requirements of paragraphs (a)(ii) and (iii); and
 - (g) C2 seed—
 - (i) of a previously listed variety that is on the OECD list;
 - (ii) that has been imported into the United Kingdom as not finally certified C2 seed harvested in an equivalent third country;
 - (iii) that complies with the requirements of paragraphs (a)(ii) and (iii); and
 - (iv) for which a marketing extension is in force,other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.
- (4) Seed of a listed variety, or of a previously listed variety for which a marketing extension is in force, in respect of which a successful application has been made to the National Assembly for Wales under regulation 13 to re-grade it as C2 seed.

EC officially certified C2 seed of a listed variety

- 40.** In these Regulations “EC officially certified C2 seed of a listed variety” means —
- (a) C2 seed of a listed variety officially certified as C2 seed by the competent seed certification authority in another member State, and
 - (b) C2 seed of a previously listed variety officially certified as C2 seed by the competent seed certification authority in another member State and for which a marketing extension is in force.

“Third country officially certified C2 seed of a listed variety

41. In these Regulations “third country officially certified C2 seed of a listed variety” means C2 seed of an approved species to which paragraph (2) or (3) applies.

- (1) This paragraph applies to C2 seed of a listed variety that —
 - (a) was harvested from a crop that was produced—
 - (i) in an equivalent third country, and
 - (ii) from a preceding generation of seed that was produced in accordance with the provisions of paragraph 6 of Part B of Annex II to the Third Country Equivalence Decision;
 - (b) has been officially certified as C2 seed by the approved seed certification authority in that country in accordance with the OECD Grass and Legume Seed Scheme and the conditions specified in paragraphs 1 and 2 of Part B of Annex II to the Third Country Equivalence Decision;
 - (c) has been packed in packages that have been officially closed and marked in accordance with the relevant conditions specified in paragraph 3 of Part B of Annex II to the Third Country Equivalence Decision; and
 - (d) has been imported into the United Kingdom and was accompanied by —

Status: This is the original version (as it was originally made).

- (i) an OECD Certificate issued by the approved seed certification authority in respect of the seed lot from which the seed was taken approving the seed in that lot as C2 seed; and
 - (ii) subject to paragraph (iii), an Orange or Green International Seed Lot Certificate issued under the Rules of ISTA showing that it has been found to satisfy the relevant Directive seed conditions for C2 seed other than those relating to varietal identity and varietal purity; or
 - (iii) in a case where the seed has been certified in Canada or the United States of America, a Lot Inspection Certificate issued by the Official Seed Testing Laboratory under the authority of the State Seed Testing Agency showing that it has been found to satisfy those conditions instead of a certificate of the type referred to in paragraph (ii).
- (2) This paragraph applies to C2 seed —
- (a) of a previously listed variety that is on the OECD List and for which a marketing extension is in force; and
 - (b) that complies with the requirements of paragraphs (2)(a) to (d).

Overseas tested officially certified C2 seed of a listed variety

42. In these Regulations “overseas tested officially certified C2 seed of a listed variety” means C2 seed to which paragraph (2), (3) or (4) applies.

- (1) This paragraph applies to C2 seed —
- (a) that has been harvested from a crop produced in a member State (including the United Kingdom) for which a field inspection report has been issued by or on behalf of the competent seed certification authority in the member State stating that the crop has been found to satisfy the relevant Directive crop conditions for C2 seed;
 - (b) for which a seed test report has been issued —
 - (i) by or on behalf of the competent seed certification authority in the member State, or in a member State, other than the United Kingdom, into which the seed was subsequently imported, or
 - (ii) by a licensed EC seed testing station in either of the member States referred to in paragraph (i),stating that the seed has been found to satisfy the relevant Directive seed conditions for C2 seed;
 - (c) that has been imported into the United Kingdom as C2 seed of a variety that was unlisted at the time when the seed was imported but has since been listed; and
 - (d) that is accompanied by —
 - (i) an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State referred to in paragraph (a), and
 - (ii) the seed test report referred to in paragraph (b).
- (2) This paragraph applies to C2 seed of an approved species that —
- (a) was harvested from a crop produced in an equivalent third country for which a field inspection report was issued by the approved seed certification authority or a licensed third country crop inspector in that country stating that the crop had been found to satisfy the relevant Directive crop conditions for C2 seed;
 - (b) was subsequently imported into a member State other than the United Kingdom and for which a seed test report has been issued by or on behalf of the competent seed certification

- authority or by a licensed EC seed testing station in that member State, stating that the seed has been found to satisfy the relevant Directive seed conditions for C2 seed;
- (c) has been imported into the United Kingdom as C2 seed of a variety that was unlisted at the time when the seed was imported but has since been listed; and
 - (d) is accompanied by —
 - (i) an Annex II.A(3) official certificate relating to the crop from which the seed was harvested issued by the approved seed certification authority in the third country referred to in paragraph (a) stating that the crop has been found to satisfy the relevant crop conditions for C2 seed, and
 - (ii) the seed test report referred to in paragraph (b).
- (3) This paragraph applies to C2 seed of an approved species that —
- (a) complies with the requirements of paragraph 41(1)(a) to (d), and
 - (b) was imported into the United Kingdom as C2 seed of a variety that was unlisted at the time when the seed was imported but has since been listed.

UK officially certified early movement C2 seed of a listed variety

43.—(1) In these Regulations, in relation to field beans and field peas, “UK officially certified early movement C2 seed of a listed variety” means seed to which paragraph (2), (3) or (4) applies.

- (2) This paragraph applies to —
- (a) seed of a listed variety officially certified as early movement C2 seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
 - (b) seed of a previously listed variety officially certified as early movement C2 seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development and for which a marketing extension is in force.
- (3) This paragraph applies to —
- (a) C2 seed of a listed variety —
 - (i) that has been harvested from a crop produced in the United Kingdom for which a field inspection report has been issued stating that the crop has been found by an official UK field inspection (whenever carried out) or, in the case of a crop that has been produced from seed that has been subject to satisfactory official post control, by a UK field inspection carried out under official supervision following the listing of the variety, to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which C2 seed is to be produced;
 - (ii) that, subject to paragraph (iii), satisfies the conditions laid down in Parts II and III of Schedule 4 for C2 seed;
 - (iii) for which the results of a Schedule 4 germination test are awaited to determine whether the seed will satisfy the applicable germination standard for C2 seed but for which a provisional analytical report has been obtained indicating that the seed is likely to meet that standard; and
 - (iv) for which a seed test report has been issued stating that it has been found, subject to the results of the awaited Schedule 4 germination test, by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for C2 seed;
 - (b) C2 seed of a previously listed variety that complies with the requirements of paragraph (a) (i) to (iv) and for which a marketing extension is in force;

Status: This is the original version (as it was originally made).

- (c) C2 seed of a listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified C2 seed harvested in another member State, and
 - (ii) that complies with the requirements of paragraph (a)(ii) to (iv);
 - (d) C2 seed of a previously listed variety —
 - (i) that has been imported into the United Kingdom as not finally certified C2 seed harvested in another member State;
 - (ii) that complies with the requirements of paragraph (a)(ii) to (iv); and
 - (iii) for which a marketing extension is in force,
 - (e) C2 seed of a listed variety that —
 - (i) has been imported into the United Kingdom as not finally certified C2 seed harvested in an equivalent third country; and
 - (ii) complies with the requirements of paragraphs (a)(ii) to (iv); and
 - (f) C2 seed —
 - (i) of a previously listed variety that is on the OECD list;
 - (ii) that has been imported into the United Kingdom as not finally certified C2 seed harvested in an equivalent third country;
 - (iii) that complies with the requirements of paragraphs (a)(ii) to (iv); and
 - (iv) for which a marketing extension is in force,

other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.
- (4) Seed of a listed variety, or of a previously listed variety for which a marketing extension is in force, in respect of which a successful application has been made to the National Assembly for Wales under regulation 13 to re-grade it as early movement C2 seed.

EC officially certified early movement C2 seed of a listed variety

44. In these Regulations “EC officially certified early movement C2 seed of a listed variety” means —

- (a) C2 seed of a listed variety officially certified as early movement C2 seed by the competent seed certification authority in another member State, and
- (b) C2 seed of a previously listed variety officially certified as early movement C2 seed by the competent seed certification authority in another member State and for which a marketing extension is in force.

Officially certified C2 seed

45. In these Regulations “officially certified C2 seed” means —

- (a) UK officially certified C2 seed of a listed variety;
- (b) EC officially certified C2 seed of a listed variety;
 - (bb) third country officially certified C2 seed of a listed variety;
- (c) overseas tested officially certified C2 seed of a listed variety;
- (d) UK officially certified early movement C2 seed of a listed variety; and
- (e) EC officially certified early movement C2 seed of a listed variety.

PART IV

Meaning of commercial seed and similar expressions

Commercial seed

46. In these Regulations “commercial seed” means seed of annual meadowgrass, Hungarian vetch or sainfoin that is identifiable as to its species.

UK officially certified commercial seed

47.—(1) In these Regulations “UK officially certified commercial seed” means seed to which paragraph (2) or (3) applies.

(2) This paragraph applies to seed officially certified as commercial seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development.

(3) This paragraph applies to commercial seed —

- (a) that satisfies the conditions laid down in Parts II and III of Schedule 4 for commercial seed, and
- (b) for which a seed test report has been issued stating that it has been found by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for commercial seed,

other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.

EC officially certified commercial seed

48. In these Regulations “EC officially certified commercial seed” means commercial seed officially certified as commercial seed by the competent seed certification authority in another member State.

UK officially certified early movement commercial seed

49.—(1) In these Regulations “UK officially certified early movement commercial seed” means seed to which paragraph (2) or (3) applies.

(2) This paragraph applies to seed officially certified as early movement commercial seed by or on behalf of the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development.

(3) This paragraph applies to commercial seed —

- (a) that, subject to paragraph (b), satisfies the conditions laid down in Part II and III of Schedule 4 for commercial seed;
- (b) for which the results of a Schedule 4 germination test are awaited to determine whether the seed will satisfy the applicable germination standard for commercial seed but for which a provisional analytical report has been obtained indicating that the seed is likely to meet that standard; and
- (c) for which a seed test report has been issued stating that it has been found by an official UK seed test or by a UK seed test carried out under official supervision (in either case whenever carried out) to satisfy the conditions laid down in Part II of Schedule 4 for commercial

Status: This is the original version (as it was originally made).

seed except for the germination condition and stating that the results of the Schedule 4 germination test are awaited,

other than seed to which paragraph (2) applies and seed for which an application for official certification has been made to the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development that has not been finally determined.

EC officially certified early movement commercial seed

50. In these Regulations “EC officially certified early movement commercial seed” means commercial seed officially certified as early movement commercial seed by the competent seed certification authority in another member State.

Officially certified commercial seed

51. In these Regulations “officially certified commercial seed” means —

- (a) UK officially certified commercial seed;
- (b) EC officially certified commercial seed;
- (c) UK officially certified early movement commercial seed; and
- (d) EC officially certified early movement commercial seed.

Early multiplication

52.—(1) The requirement contained in paragraph 22(a) (that CS seed be produced directly from officially certified basic seed, or, with the breeder’s written authority, from officially certified pre-basic seed) shall be treated as having been complied with in relation to CS seed in a case where —

- (a) the CS seed (in this paragraph called “the harvested CS seed”) was harvested from a crop produced from pre-basic seed to which paragraph (4) applies or basic seed to which paragraph (5) or (6) applies, and
- (b) the variety of the harvested CS seed was not listed at the time when the pre-basic or basic seed referred to in paragraph (a) was sown but was subject to an application for listing at that time which was subsequently granted.

(2) The requirement contained in paragraph 30(a) (that C1 seed be produced directly from officially certified basic seed, or, with the breeder’s written authority, from officially certified pre-basic seed) shall be treated as having been complied with in relation to C1 seed in a case where —

- (a) the C1 seed (in this paragraph called “the harvested C1 seed”) was harvested from a crop produced from pre-basic seed to which paragraph (4) applies or basic seed to which paragraph (5) applies, and
- (b) the variety of the harvested C1 seed was not listed at the time when the pre-basic or basic seed referred to in paragraph (a) was sown but was subject to an application for listing at that time which was subsequently granted.

(3) The requirement contained in paragraph 38(a) (that C2 seed be produced directly from officially certified basic seed, officially certified C1 seed or, with the breeder’s written authority, from officially certified pre-basic seed) shall be treated as having been complied with in relation to C2 seed in a case where —

- (a) the C2 seed (in this paragraph called “the harvested C2 seed”) was harvested from a crop produced from pre-basic seed to which paragraph (4) applies, basic seed to which paragraph (5) applies or C1 seed to which paragraph (7) applies, and

- (b) the variety of the harvested C2 seed was not listed at the time when the pre-basic, basic or C1 seed referred to in paragraph (a) was sown but was subject to an application for listing at that time which was subsequently granted.
- (4) This paragraph applies to pre-basic seed —
 - (a) that has been harvested from a crop —
 - (i) produced in the United Kingdom and found by an official UK field inspection to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which basic seed is to be produced, or
 - (ii) produced in another member State and found by a field inspection of the crop carried out by or on behalf of the competent seed certification authority in that State to satisfy the Directive crop conditions for basic seed,
 - (b) that —
 - (i) was found by an official UK seed test or a UK seed test carried out under official supervision to satisfy the conditions laid down in Part II of Schedule 4 for basic seed, or
 - (ii) was found by seed testing carried out by or on behalf of the competent seed certification authority or a licensed EC seed testing station in another member State, to satisfy the Directive seed conditions for basic seed; and
 - (c) that was of the same variety as the harvested CS, C1 or C2 seed (as the case may be).
- (5) This paragraph applies to basic seed —
 - (a) that has been harvested from a crop —
 - (i) produced in the United Kingdom and found by an official UK field inspection to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which basic seed is to be produced;
 - (ii) produced in another member State and found by a field inspection of the crop carried out by or on behalf of the competent seed certification authority in that State to satisfy the Directive crop conditions for basic seed; or
 - (iii) produced in an equivalent third country and found by a field inspection of the crop carried out by the approved seed certification authority in that country to satisfy the Directive crop conditions for basic seed;
 - (b) that —
 - (i) was found by an official UK seed test or a UK seed test carried out under official supervision to satisfy the conditions laid down in Part II of Schedule 4 for basic seed;
 - (ii) was found by seed testing carried out by or on behalf of the competent seed certification authority or a licensed EC seed testing station in another member State to satisfy the Directive seed conditions for basic seed; or
 - (iii) was found by seed testing carried out by the approved seed certification authority or a licensed third country seed testing station in an equivalent third country to satisfy the Directive seed conditions for basic seed; and
 - (c) that was of the same variety as the harvested CS, C1 or C2 seed (as the case may be).
- (6) This paragraph applies to basic seed of a component of a hybrid variety —
 - (a) that complied with the requirements of paragraph (5)(a) and (b), and
 - (b) that was a component in the production of the harvested CS seed.
- (7) This paragraph applies to C1 seed —
 - (a) that has been harvested from a crop —

Status: This is the original version (as it was originally made).

- (i) produced in the United Kingdom and found by an official UK field inspection to satisfy the conditions laid down in Schedule 3 and Part I of Schedule 4 for a crop from which C1 seed is to be produced;
 - (ii) produced in another member State and found by a field inspection of the crop carried out by or on behalf of the competent seed certification authority or a licensed EC field inspector in that State to satisfy the Directive crop conditions for C1 seed; or
 - (iii) produced in an equivalent third country and found by a field inspection of the crop carried out by the approved seed certification authority or a licensed third country crop inspector in that country to satisfy the Directive crop conditions for C1 seed;
- (b) that —
- (i) was found by an official UK seed test or a UK seed test carried out under official supervision to satisfy the conditions laid down in Part II of Schedule 4 for C1 seed;
 - (ii) was found by seed testing carried out by or on behalf of the competent seed certification authority or a licensed EC seed testing station in another member State to satisfy the Directive seed conditions for C1 seed; or
 - (iii) was found by seed testing carried out by the approved seed certification authority or a licensed third country seed testing station in an equivalent third country to satisfy the Directive seed conditions for C1 seed; and
- (c) that was of the same variety as the harvested C2 seed.

PART V

Meaning of expressions relating to imported not finally certified seed

Not finally certified pre-basic seed harvested in another member State

53.—(1) In these Regulations “not finally certified pre-basic seed harvested in another member State” means pre-basic seed —

- (a) to which paragraph (2) applies;
 - (b) that has been harvested from a crop produced in another member State and has been found by a field examination of the crop carried out by or on behalf of the competent seed certification authority in the member State to satisfy the Directive crop conditions for basic seed;
 - (c) that has been packed in a sealed package in accordance with the requirements of Article 9(1) of the Fodder Plant Seed Directive and is labelled with a grey label;
 - (d) that has been imported into the United Kingdom as not finally certified seed; and
 - (e) that is accompanied by an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State in which the seed was harvested.
- (2) This paragraph applies to pre-basic seed of —
- (a) a listed variety;
 - (b) a variety that is unlisted but in respect of which an application for listing has been made that has not been withdrawn or finally determined; or
 - (c) a previously listed variety for which a marketing extension is in force.

(3) In this paragraph “grey label” means, in relation to the seed contained in the package on which the label is affixed, a grey coloured label containing the following particulars —

- (a) the authority responsible for the field inspection of the seed and the member State or their commonly used initials;
- (b) the species of the seed indicated at least in Roman characters under its botanical name, which may be given in abridged form and without the author's name; or
- (c) the variety of the seed, indicated at least in Roman characters;
- (d) the category of the seed;
- (e) the field or lot reference number of the seed;
- (f) the declared net or gross weight of the seed; and
- (g) the words "seed not finally certified".

Not finally certified basic seed harvested in another member State

54.—(1) In these Regulations "not finally certified basic seed harvested in another member State" means basic seed —

- (a) to which paragraph (2) applies;
 - (b) that has been harvested from a crop produced in another member State and has been found by a field examination of the crop carried out by or on behalf of the competent seed certification authority in the member State to satisfy the Directive crop conditions for basic seed;
 - (c) that has been packed in a sealed package in accordance with the requirements of Article 9(1) of the Fodder Plant Seed Directive and is labelled with a grey label;
 - (d) that has been imported into the United Kingdom as not finally certified seed; and
 - (e) that is accompanied by an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State in which the seed was harvested.
- (2) This paragraph applies to basic seed of —
- (a) a listed variety;
 - (b) a variety that is unlisted but in respect of which an application for listing has been made that has not been withdrawn or finally determined;
 - (c) a previously listed variety for which a marketing extension is in force;
 - (d) a component of a listed hybrid variety;
 - (e) a component of a hybrid variety that is unlisted but in respect of which an application for listing has been made that has not been withdrawn or finally determined; or
 - (f) a component of a previously listed hybrid variety for which a marketing extension is in force.
- (3) In this paragraph "grey label" shall have the same meaning as in paragraph 53(3).

Not finally certified CS seed harvested in another member State

55.—(1) In these Regulations "not finally certified CS seed harvested in another member State" means CS seed —

- (a) to which paragraph (2) applies;
- (b) that has been harvested from a crop —
 - (i) that has been produced in another member State directly from officially certified basic seed, and, in the case of a crop from which CS seed of a hybrid variety is to be harvested, includes a crop that has been produced from crossing basic seed officially

Status: This is the original version (as it was originally made).

- certified by or on behalf of a competent seed certification authority in a member State with basic seed officially certified by an approved seed certified authority in an equivalent third country; and
- (ii) that has been found by a field examination of the crop carried out by or on behalf of the competent seed certification authority in the member State, or, in the case of seed that has been harvested from a crop that has been produced from seed that has undergone official post-control the results of which have been satisfactory, by a field examination of the crop carried out by a licensed EC crop inspector in that member State, to satisfy the Directive crop conditions for CS seed;
- (c) that has been packed in a sealed package in accordance with the requirements of Article 9(1) of the Fodder Plant Seed Directive and is labelled with a grey label;
 - (d) that has been imported into the United Kingdom as not finally certified seed; and
 - (e) that is accompanied by an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State in which the seed was harvested.
- (2) This paragraph applies to CS seed of —
- (a) a listed variety;
 - (b) a variety that is unlisted but in respect of which an application for listing has been made that has not been withdrawn or finally determined; and
 - (c) a previously listed variety for which a marketing extension is in force.
- (3) In this paragraph “grey label” shall have the same meaning as in paragraph 52(3).

Not finally certified C1 seed harvested in another member State

56.—(1) In these Regulations “not finally certified C1 seed harvested in another member State” means C1 seed —

- (a) to which paragraph (2) applies;
 - (b) that has been harvested from a crop —
 - (i) that has been produced in another member State directly from officially certified basic seed, and
 - (ii) that has been found by a field examination of the crop carried out by or on behalf of the competent seed certification authority in the member State, or, in the case of seed that has been harvested from a crop that has been produced from seed that has undergone official post-control the results of which have been satisfactory, by a field examination of the crop carried out by a licensed EC crop inspector in that member State, to satisfy the Directive crop conditions for C1 seed;
 - (c) that has been packed in a sealed package in accordance with the requirements of Article 9(1) of the Fodder Plant Seed Directive and is labelled with a grey label;
 - (d) that has been imported into the United Kingdom as not finally certified seed; and
 - (e) that is accompanied by an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State in which the seed was harvested.
- (2) This paragraph applies to C1 seed of —
- (a) a listed variety;
 - (b) a variety that is unlisted but in respect of which an application for listing has been made that has not been withdrawn or finally determined; and

- (c) a previously listed variety for which a marketing extension is in force.
- (3) In this paragraph “grey label” shall have the same meaning as in paragraph 53(3).

Not finally certified C2 seed harvested in another member State

57.—(1) In these Regulations “not finally certified C2 seed harvested in another member State” means C2 seed —

- (a) to which paragraph (2) applies;
 - (b) that has been harvested from a crop —
 - (i) that has been produced in another member State directly from officially certified basic seed or C1 seed, and
 - (ii) that has been found by a field examination of the crop carried out by or on behalf of the competent seed certification authority in the member State, or, in the case of seed that has been harvested from a crop that has been produced from seed that has undergone official post-control the results of which have been satisfactory, by a field examination of the crop carried out by a licensed EC crop inspector in that member State, to satisfy the Directive crop conditions for C2 seed;
 - (c) that has been packed in a sealed package in accordance with the requirements of Article 9(1) of the Fodder Plant Seed Directive and is labelled with a grey label;
 - (d) that has been imported into the United Kingdom as not finally certified seed; and
 - (e) that is accompanied by an Annex V(C) document relating to the seed issued by or on behalf of the competent seed certification authority in the member State in which the seed was harvested.
- (2) This paragraph applies to C2 seed of —
- (a) a listed variety;
 - (b) a variety that is unlisted but in respect of which an application for listing has been made that has not been withdrawn or finally determined; and
 - (c) a previously listed variety for which a marketing extension is in force.
- (3) In this paragraph “grey label” shall have the same meaning as in paragraph 53(3).

Not finally certified CS seed harvested in an equivalent third country

58.—(1) In these Regulations “not finally certified CS seed harvested in an equivalent third country” means CS seed —

- (a) to which paragraph (2) applies;
- (b) that has been harvested from a crop —
 - (i) that has been produced in an equivalent third country directly from officially certified basic seed, and, in the case of a crop from which CS seed of a hybrid variety is to be harvested, includes a crop that has been produced from crossing basic seed officially certified by or on behalf of a competent seed certification authority in a member State with basic seed officially certified by an approved seed certified authority in an equivalent third country, and
 - (ii) that has been found, by a field inspection of the crop carried out by the approved seed certification authority in the equivalent third country in which the crop was produced, or a licensed third country field inspector in that country, in accordance with the conditions specified in Part A of Annex II to the Third Country Equivalence Decision, to satisfy the Directive crop conditions for CS seed;

Status: This is the original version (as it was originally made).

- (c) that has been packed in a sealed package and labelled in accordance with the requirements specified in paragraph 2 of Part A of Annex II to the Third Country Equivalence Decision;
 - (d) that has been imported into the United Kingdom as not finally certified seed; and
 - (e) that is accompanied by an Annex II.A(3) official certificate relating to the seed issued by the approved seed certification authority in the equivalent third country in which the seed was harvested.
- (2) This paragraph applies to CS seed of —
- (a) a listed variety;
 - (b) a variety that is unlisted but in respect of which an application for listing has been made that has not been withdrawn or finally determined; or
 - (c) a previously listed variety that is on the OECD List and for which a marketing extension is in force.

Not finally certified C1 seed harvested in an equivalent third country

59.—(1) In these Regulations “not finally certified C1 seed harvested in an equivalent third country” means C1 seed —

- (a) to which paragraph (2) applies;
 - (b) that has been harvested from a crop —
 - (i) that has been produced in an equivalent third country directly from officially certified basic seed, and
 - (ii) that has been found, by a field inspection of the crop carried out by the approved seed certification authority in the equivalent third country in which the crop was produced, or a licensed third country field inspector in that country, in accordance with the conditions specified in Part A of Annex II to the Third Country Equivalence Decision, to satisfy the Directive crop conditions for C1 seed;
 - (c) that has been packed in a sealed package and labelled in accordance with the requirements specified in paragraph 2 of Part A of Annex II to the Third Country Equivalence Decision;
 - (d) that has been imported into the United Kingdom as not finally certified seed; and
 - (e) that is accompanied by an Annex II.A(3) official certificate relating to the seed issued by the approved seed certification authority in the equivalent third country in which the seed was harvested.
- (2) This paragraph applies to C1 seed of —
- (a) a listed variety;
 - (b) a variety that is unlisted but in respect of which an application for listing has been made that has not been withdrawn or finally determined; or
 - (c) a previously listed variety that is on the OECD List and for which a marketing extension is in force.

Not finally certified C2 seed harvested in an equivalent third country

60.—(1) In these Regulations “not finally certified C2 seed harvested in an equivalent third country” means C2 seed—

- (a) to which paragraph (2) applies;
- (b) that has been harvested from a crop that—

- (i) has been produced in an equivalent third country directly from officially certified basic seed or C1 seed; and
 - (ii) has been found, by a field inspection of the crop carried out by the approved seed certification authority in the equivalent third country in which the crop was produced, or a licensed third country field inspector in that country, in accordance with the conditions specified in Part A of Annex II to the Third Country Equivalence Decision, to satisfy the Directive crop conditions for C2 seed;
 - (c) that has been packed in a sealed package and labelled in accordance with the requirements specified in paragraph 2 of Part A of Annex II to the Third Country Equivalence Decision;
 - (d) that has been imported into the United Kingdom as not finally certified seed; and
 - (e) that is accompanied by an Annex II.A(3) official certificate relating to the seed issued by the approved seed certification authority in the equivalent third country in which the seed was harvested.
- (2) This paragraph applies to C2 seed of—
- (a) a listed variety;
 - (b) a variety that is unlisted but in respect of which an application for listing has been made that has not been withdrawn or finally determined; or
 - (c) a previously listed variety that is on the OECD List and for which a marketing extension is in force.

SCHEDULE 2

Regulations 3, 5(1) and 22(2) and
paragraph 2 of Schedule 3

SPECIES OF SEED TO WHICH THESE REGULATIONS APPLY

1. Seed of fine grasses of the following plant species —
 - (a) annual meadowgrass;
 - (b) brown top;
 - (c) creeping bent grass;
 - (d) festulolium;
 - (e) red fescue;
 - (f) red top;
 - (g) rough-stalked meadowgrass;
 - (h) sheep's fescue (including fine-leaved fescue and hard fescue);
 - (i) smooth-stalked meadowgrass;
 - (j) velvet bent; and
 - (k) wood meadowgrass.
2. Seed of fodder grasses of the following plant species —
 - (a) Alaska brome-grass;
 - (b) cocksfoot;
 - (c) hybrid ryegrass;
 - (d) Italian ryegrass;

Status: This is the original version (as it was originally made).

- (e) meadow fescue;
 - (f) perennial ryegrass;
 - (g) rescue grass;
 - (h) small Timothy;
 - (i) tall fescue;
 - (j) tall oatgrass; and
 - (k) Timothy.
- 3.** Seed of small seeded legumes of the following plant species —
- (a) Alsike clover;
 - (b) birdsfoot trefoil;
 - (c) lucerne;
 - (d) red clover;
 - (e) sainfoin;
 - (f) trefoil, black medick; and
 - (g) white clover.
- 4.** Seed of large seeded legumes of the following plant species —
- (a) blue lupin (also known as narrow-leaved lupin);
 - (b) common vetch;
 - (c) field bean;
 - (d) field pea;
 - (e) hairy vetch;
 - (f) Hungarian vetch;
 - (g) white lupin; and
 - (h) yellow lupin.
- 5.** Seed of crucifers of the following plant species —
- (a) fodder kale;
 - (b) fodder radish; and
 - (c) swede.

SCHEDULE 3

Regulations 2(1), 8(8) to (12), (13)(b), (15)(c) and (18)(a), 10(3)(a) and (b), (4)(a), (b) and (c), 11(15)(a) and (b), 13(5)(d) and 14(1)(b), paragraphs 2(3)(a), 5(3)(a), 9(3)(a), 13(3)(a), 15(3)(a), 19(3)(a), 23(3)(a), 27(3)(a), 31(3)(a), 35(3)(a), 39(3)(a), 43(3)(a), 51(4)(a), (5)(a) and (7)(a) of Schedule 1 and paragraph 3 of Schedule 4

CONDITIONS RELATING TO CROPS FROM WHICH SEED IS TO BE HARVESTED

1. The previous cropping of the field shall not have been incompatible with the production of seeds of the species and variety of the crop and the field shall be sufficiently free from plants which are volunteers from previous cropping.

2. Subject to paragraph 3, the crop shall conform to the following standards as regards the minimum distances from neighbouring sources of pollen which may result in undesirable foreign pollination —

Crop 1	Minimum distance 2
(a) (a) Fodder kale and swede —	
(i) for the production of basic seed	400 metres
(ii) for the production of CS seed	200 metres
(b) (b) Crops of a species specified in Schedule 2 other than field peas, fodder kale, apomictic uni clonal varieties of smooth stalked meadow grass and swede —	
(i) for the production of seed intended for multiplication, fields up to 2 hectares	200 metres
(ii) for the production of seed intended for multiplication, fields over 2 hectares	100 metres
(iii) for the production of seed intended for the production of fodder plants, fields up to 2 hectares	100 metres
(iv) for the production of seed intended for the production of fodder plants, fields over 2 hectares	50 metres

3. Paragraph 2 shall not apply if there is sufficient protection from any undesirable foreign pollination.

4. Subject to paragraphs 5 and 6, the crop shall have sufficient varietal identity and varietal purity.

5.—(1) In the case of seed of a species to which paragraph (2) applies, the number of plants of the crop species which are recognisable as obviously not being true to the variety shall not exceed —

- (a) one per 30 square metres for the production of basic seed, and
- (b) one per 10 square metres for the production of CS seed.

Status: This is the original version (as it was originally made).

- (2) This paragraph applies to —
- (a) all grasses except smooth stalked meadowgrass;
 - (b) Alsike clover;
 - (c) birdsfoot trefoil;
 - (d) fodder radish;
 - (e) lucerne;
 - (f) lupins;
 - (g) red clover;
 - (h) sainfoin;
 - (i) trefoil, black medick;
 - (j) vetches; and
 - (k) white clover.
6. In the case of smooth stalked meadowgrass, the number of plants which are recognisable as obviously not being true to the variety shall not exceed —
- (a) for the production of basic seed, one plant per 20 square metres, and
 - (b) for the production of CS seed —
 - (i) except in the case of an apomictic uniclonal variety, four plants per 10 square metres, and
 - (ii) in the case of an apomictic uniclonal variety, six plants per 10 square metres.
7. Subject to paragraph 8, plants of other species, the seeds of which are difficult to distinguish from the crop seeds in a laboratory test, shall be at a low level.
8. In the case of festulolium and hybrid, Italian and perennial ryegrass, the number of plants of a *Lolium* species or festulolium, other than the crop species itself, shall not exceed —
- (a) one per 50 square metres for the production of basic seed, and
 - (b) one per 10 square metres for the production of CS seed.
9. A crop to produce pre-basic, basic or CS seed of hybrid or Italian ryegrass shall not be used to produce a crop in the second harvest year unless —
- (a) pre-basic seed was produced in the first harvest year in which case basic seed may be produced in the second harvest year;
 - (b) basic seed was produced in the first harvest year from a crop grown from officially certified pre-basic seed, in which case CS seed may be produced in the second harvest year; or
 - (c) for a tetraploid variety of hybrid ryegrass, CS seed was produced in the first harvest year from a crop grown from officially certified basic seed, in which case CS seed may be produced in the second harvest year.
10. Harmful organisms which reduce the usefulness of the seed shall be at the lowest possible level.
- 11.—(1) A crop from which basic seed is to be produced shall be examined by an official field inspection to determine whether the crop meets the conditions set out in this Schedule and in Part I of Schedule 4.
- (2) A crop from which CS, C1 or C2 seed is to be produced shall be examined by means of an official field inspection or an inspection carried out under official supervision to determine whether the crop meets the conditions set out in this Schedule and in Part I of Schedule 4.

(3) Field inspections shall be carried out at a time when the condition and stage of development of the crop permit an adequate examination.

(4) At least one field inspection of the crop shall be carried out.

12. For the purpose of determining whether a crop from which pre-basic seed is to be produced meets the conditions laid down in this Schedule, the crop from which such seed is to be produced shall be treated in the same way as a crop from which basic seed is to be produced.

SCHEDULE 4

Regulations 2(1), 8(8)(a) and (b), (9) to (12), (13)(b), (15)(c) and (18)(a), 10(3)(a) and (b), (4)(a), (b) and (c), 11(6),(7), (8) (a), (9) to (13) and (15)(a) and (b), 13(3) (a) and (b), (4), (5)(d), (e) and (f), 14(1)(b) and (c), 16(2)(a) and (3), 17(2) paragraphs 2(3)(a), 5(3)(a), 9(3)(a), 13(3)(a), 15(3)(a), 19(3)(a), 23(3)(a), 27(3)(a), 31(3)(a), 35(3) (a), 39(3)(a), 43(3)(a), 47(3)(a) and (b), 49(3), 52(4)(a) and (b), (5)(a) and (b) and (7)(a) and (b) of Schedule 1 and paragraph 11(1) and (2) of Schedule 3

CONDITIONS TO BE SATISFIED BY THE SEED

PART I

Conditions to be examined mainly by field inspections

1. The seed shall have sufficient varietal identity and varietal purity.

2. In the case of seed of the species and type specified in column 1 of the table below, the minimum varietal purity shall conform to the standards specified in the corresponding entry in column 2 of the table—

<i>Species and category</i>	<i>Minimum varietal purity standard (percentage by number)</i>
Column (1)	Column (2)
(a) (a) Fodder kale, apomictic uniclinal varieties of smooth-stalked meadowgrass and swede —	
(i) basic seed	99.7
(ii) CS seed	98.0
(b) (b) Field beans and field peas —	
(i) basic seed	99.7
4 (ii) C1 seed	99.0
(iii) C2 seed	98.0

Status: This is the original version (as it was originally made).

3. For the purposes of paragraph 2, the minimum varietal purity of seed shall be examined mainly in field inspections carried out in accordance with the conditions laid down in Schedule 3.

PART II

Conditions to be examined by seed testing

4. The seed shall conform to the following standards or other conditions as regards analytical purity —

<i>Species</i>	<i>Minimum analytical purity (% by weight) EC minimum standard</i>	<i>Minimum analytical purity (% by weight) HVS standard</i>
	All categories	CS only
1. Fine grasses —		
(a) (a) annual meadowgrass	85	Not applicable
(b) (b) brown top	90	Not applicable
(c) (c) creeping bent grass	90	Not applicable
(d) (d) festulolium	96	98
(e) (e) red fescue	90	95
(f) (f) red top	90	Not applicable
(g) (g) rough-stalked meadowgrass	85	Not applicable
(h) (h) sheep's fescue	85	Not applicable
(i) (i) smooth-stalked meadowgrass	85	90
(j) (j) velvet bent	90	Not applicable
(k) (k) wood meadowgrass	85	Not applicable
2. Fodder grasses —		
(a) (a) Alaska brome-grass	97	Not applicable
(b) (b) cocksfoot	90	90
(c) (c) hybrid ryegrass	96	98
(d) (d) Italian ryegrass	96	98
(e) (e) meadow fescue	95	98

<i>Species</i>	<i>Minimum analytical purity (% by weight) EC minimum standard</i>	<i>Minimum analytical purity (% by weight) HVS standard</i>
	All categories	CS only
(f) (f) perennial ryegrass	96	98
(g) (g) rescue grass	97	Not applicable
(h) (h) small Timothy	96	98
(i) (i) tall fescue	95	98
(j) (j) tall oatgrass	90	Not applicable
(k) (k) Timothy	96	98
3. Small seeded legumes —		
(a) (a) Alsike clover	97	Not applicable
(b) (b) birdsfoot trefoil	95	Not applicable
(c) (c) lucerne	97	98
(d) (d) red clover	97	98
(e) (e) sainfoin	95	98
(f) (f) trefoil, black medick	97	Not applicable
(g) (g) white clover	97	98
4. Large seeded legumes —		
(a) (a) blue lupin	98	Not applicable
(b) (b) common vetch	98	Not applicable
(c) (c) field bean	98	Not applicable
(d) (d) field pea	98	Not applicable
(e) (e) hairy vetch	98	Not applicable
(f) (f) Hungarian vetch	98	Not applicable
(g) (g) white lupin	98	Not applicable
(h) (h) yellow lupin	98	Not applicable
5. Crucifers —		
(a) (a) fodder kale	98	Not applicable
(b) (b) fodder radish	97	Not applicable
(c) (c) swede	98	Not applicable

5.—(1) Subject to paragraphs (2) to (14), the seed shall conform to the following standards or other conditions as regards the maximum content of seeds of other plant species —

Status: This is the original version (as it was originally made).

Species	Basic seed		CS, C1 and C2 seed EC minimum standard level		CS seed HVS level	
	Total (percentage by weight)	A single species (content by number in a sample of the weight specified in column 4 of table in Schedule 7)	Total (percentage by weight)	A single single (percentage by weight)	Total (percentage by weight)	A single species (percentage by weight)
1. Fine grasses						
(a) Fine grasses other than —	20		2.0	1.0	Not applicable	Not applicable
(i) Festulolium						
(ii) Red fescue						
(iii) Smooth-stalk meadowgrass						
(b) Festulolium	20		1.5	1.0	1.5	Not applicable
(c) Red fescue	20		1.5	1.0	1.5	0.5
(d) Smooth-stalk meadowgrass	20		2.0	1.0	1.5	0.5
2. Fodder grasses						
(a) Fodder grasses other than —						
(i) Alaska brome-grass	0.3	20	1.5	1.0	1.5	0.5
(ii) Rescue grass						
(iii) Tall oatgrass						

Status: This is the original version (as it was originally made).

Species	Basic seed		CS, C1 and C2 seed EC minimum standard level		CS seed HVS level	
	Total (percentage by weight)	A single species (content by number in a sample of the weight specified in column 4 of table in Schedule 7)	Total (percentage by weight)	A single single (percentage by weight)	Total (percentage by weight)	A single species (percentage by weight)
(b) Askaniya brome-grass and rescue grass	20	20	1.5	1.0	Not applicable	Not applicable
(c) Tall oatgrass	20	20	3.0	1.0	Not applicable	Not applicable
3. Small seeded legumes						
(A) Sike clover and trefoil black medick	20	20	1.5	1.0	Not applicable	Not applicable
(B) Foot trefoil	20	20	1.8	1.0	Not applicable	Not applicable
(C) Red clover and white clover	20	20	1.5	1.0	1.5	0.5
(d) Sainfoin	20	20	2.5	1.0	1.5	0.5
4. Large seeded legumes						
(A) Large seeded legumes other	20	20	0.5	0.3	Not applicable	Not applicable

Status: This is the original version (as it was originally made).

Species	Basic seed		CS, C1 and C2 seed EC minimum standard level		CS seed HVS level	
	Total (percentage by weight)	A single species (content by number in a sample of the weight specified in column 4 of table in Schedule 7)	Total (percentage by weight)	A single single (percentage by weight)	Total (percentage by weight)	A single species (percentage by weight)
	than vetches					
(b)	(b) 3Vetches	20	1.0	0.5	Not applicable	Not applicable
5.	Crucifer	20	1.0	0.5	Not applicable	Not applicable

(2) Notwithstanding the condition that a sample of basic seed of the weight specified in column 4 of the table in Schedule 7 shall not exceed 20 seeds of a single species, in the case of —

- (a) cocksfoot;
- (b) festulolium;
- (c) hybrid ryegrass;
- (d) Italian ryegrass;
- (e) meadow fescue;
- (f) perennial ryegrass,
- (g) red fescue;
- (h) sheep's fescue;
- (i) tall fescue; and
- (j) tall oatgrass,

a maximum total of 80 seeds of *Poa* spp. in a sample shall not be regarded as an impurity.

(3) In the case of a sample of HVS level CS seed of red fescue, there shall be no more than a total of 4 seeds of ryegrass, cocksfoot and meadow fescue in a sample of the weight specified in column 4 of the table in Schedule 7.

(4) In the case of basic seed of annual meadowgrass, rough-stalked meadowgrass, smooth-stalked meadowgrass and wood meadowgrass the maximum total content of seeds of *Poa* spp. other than the species to be examined shall not exceed one in a sample of 500 seeds.

(5) In the case of a sample of CS seed of annual meadowgrass, rough-stalked meadowgrass, smooth-stalked meadowgrass and wood meadowgrass, a maximum total of 0.8% by weight of seeds of other *Poa* spp. in the sample shall not be regarded as an impurity.

(6) In the case of a sample of HVS level CS seed of smooth-stalked meadowgrass, a maximum of 0.4% by weight of seed of other meadowgrasses shall not be regarded as an impurity.

(7) In the case of a sample of HVS level CS seed of meadow fescue and tall fescue, there shall be no more than —

- (a) 0.3% by weight of rough stalked meadowgrass, or
- (b) 0.3% by weight of ryegrass,

in the sample.

(8) In the case of a sample of CS seed of tall oatgrass, the condition that the weight of seed of a single plant species in the sample shall not exceed 1.0% shall not apply to seeds of *Poa* spp.

(9) In the case of a sample of HVS level CS seed of hybrid ryegrass, Italian ryegrass and perennial ryegrass, there shall be no more than —

- (a) 0.4% by weight of annual meadowgrass, or
- (b) 0.3% by weight of rough stalked meadowgrass,

in the sample.

(10) In the case of a sample of CS seed of birdsfoot trefoil, a maximum total of 1% by weight of seeds of red clover in the sample shall not be regarded as an impurity.

(11) In the case of a sample of C1 seed of a lupin, a maximum total of 0.5% by weight of seeds of field bean, field pea, or vetch seed or another species of lupin in the sample shall not be regarded as an impurity.

(12) In the case of a sample of C1 seed of a vetch, a maximum total of 0.5% by weight of seeds of field bean, field pea or lupin seed or another species of vetch seed in the sample shall not be regarded as an impurity.

(13) In the case of a sample of HVS level CS seed of small Timothy and Timothy, there shall be no more than 0.3% by weight of *Agrostis* spp. in the sample.

(14) In the case of a sample of HVS level CS seed of red fescue, there shall be no more than 0.3% by weight of rough-stalked meadowgrass.

6. The seed shall conform to the following standards as regards the content of seeds of *Rumex* spp. (commonly known as docks and sorrels) other than *Rumex acetosella* (commonly known as sheep's sorrel) and *Rumex maritimus* (commonly known as golden dock) —

<i>Species</i>	<i>Maximum permitted by number in a sample of the weight prescribed in column 4 of the table in Schedule 7</i>		
	Basic seed	CS, C1 and C2 seed	C2 seed
		EC minimum level	HVS level
1. Fine grasses			
(a) (a) Fine 1 grasses other than —		2	Not applicable
(i) annual meadowgrass			
(ii) festulolium			
(iii) red fescue			
(iv) sheep's fescue			
(v) smooth-stalked meadowgrass			

Status: This is the original version (as it was originally made).

Species	Maximum permitted by number in a sample of the weight prescribed in column 4 of the table in Schedule 7		
	Basic seed	CS, C1 and C2 seed	C2 seed
		EC minimum level	HVS level
(b) (b) annual 1 meadowgrass		5	Not applicable
(c) (c) red 2 fescue		5	5
(d) (d) sheep's 2 fescue and festulolium		5	Not applicable
(e) (e) smooth- 1 stalked meadowgrass		2	2
2. Fodder grasses			
(a) (a) fodder 2 grasses other than —		5	5
(i) Alaska brome- grass			
(ii) rescue grass

(iv) tall oatgrass			
(v) Timothy			
(b) (b) Alaska 5 brome-grass		10	Not applicable
(c) (c) rescue 5 grass		10	Not applicable
(d) (d) small 2 Timothy		5	4
(e) (e) tall 2 oatgrass		5	Not applicable
(f) (f) Timothy 2		5	4
3. Small seeded legumes —			
(a) (a) Alsike 3 clover		10	Not applicable
(b) (b) birdsfoot 3 trefoil		10	Not applicable
(c) (c) lucerne 3		10	10

<i>Species</i>	<i>Maximum permitted by number in a sample of the weight prescribed in column 4 of the table in Schedule 7</i>		
	Basic seed	CS, C1 and C2 seed	C2 seed
		EC minimum level	HVS level
(d) (d) red clover 5		10	10
(e) (e) sainfoin 2		5	5
(f) (f) trefoil, black medick 5		10	Not applicable
(g) (g) white clover 5		10	10
4. Large seeded legumes 2		5	Not applicable
5. Crucifers —			
(a) (a) fodder kale 3		10	Not applicable
(b) (b) fodder radish and swede 2		5	Not applicable

7. The seed shall conform to the following standards as regards the content of seeds of *Alopecurus myosuroides* (commonly known as blackgrass and called “blackgrass” in the table set out in this paragraph) and *Agropyron repens* (commonly known as couch and called “couch” in the following table) —

<i>Species</i>	<i>Basic seed</i>		<i>CS seed EC minimum standard level</i>		<i>CS seed HVS level</i>	
	Maximum content by number in a sample of the weight specified in column 4 of the table in Schedule 7		Maximum percentage by weight		Maximum content by number in a sample of the weight specified in column 4 of the table in Schedule 7	
	<i>Couch</i>	<i>Blackgrass</i>	<i>Couch</i>	<i>Blackgrass</i>	<i>Couch</i>	<i>Blackgrass</i>
1. Fine grasses —						
(a) Fine grasses other than —		1	0.3	0.3	Not applicable	Not applicable
(i) festulolium						
(ii) red fescue						
(iii) sheep’s fescue						

Status: This is the original version (as it was originally made).

3. Small seeded legumes as follows —	Not applicable	Not applicable	Not applicable	Not applicable	10	10
(a) (a) lucerne						
(b) red clover						
(c) (c) sainfoin						
(d) (d) white clover						

8.—(1) Subject to paragraph (2), for basic seed of small and large seed legumes, a sample of the weight specified in column 4 of the table in Schedule 7 shall be free of seeds of *Melilotus* spp. (commonly known as sweet clover and hereinafter in this paragraph called “sweet clover”).

(2) In the case of —

- (a) Alsike clover;
- (b) birdsfoot trefoil;
- (c) lucerne;
- (d) red clover;
- (e) trefoil, black medick; and
- (f) white clover,

one seed of sweet clover in a sample of the weight specified in column 4 of the table in Schedule 7 shall not be regarded as an impurity where a second sample of twice that weight is free from any sweet clover seed.

(3) For CS, C1 and C2 seed of small and large seeded legumes, any sweet clover seed in a sample shall not exceed 0.3% by weight.

9.—(1) Subject to paragraph (2), a sample of seed of the weight specified in column 4 of the table in Schedule 7 shall be free of seeds of *Avena fatua*, *Avena ludoviciana* and *Avena sterilis* (commonly known as wild oats and hereinafter in this paragraph called “wild oats”).

(2) In the case of basic and CS seed of —

- (a) Alaska brome grass;

Status: This is the original version (as it was originally made).

- (b) rescue grass; and
- (c) tall oatgrass;

a maximum of 2 wild oats seeds in a sample of the weight specified in column 4 of the table in Schedule 7 shall not be regarded as an impurity where a second sample of the same weight is free from any wild oats seed.

10.—(1) Subject to paragraphs (2) and (3), a sample of seed of the weight specified in column 4 of the table in Schedule 7 shall be free of seed of *Cuscuta* spp. (commonly known as dodder and hereinafter called “dodder” in this paragraph).

(2) In the case of minimum level CS seed of fine grasses, fodder grasses, fodder kale and swede, the presence of one seed of dodder in a sample shall not be regarded as an impurity where a second sample of the same weight is free from any dodder seed.

(3) Subject to paragraph (4), in the case of basic and CS seed of —

- (a) Alsike clover;
- (b) birdsfoot trefoil;
- (c) black medick trefoil;
- (d) lucerne;
- (e) red clover;
- (f) white clover,

a sample of seed of the weight specified in column 4 of the table in Schedule 7 shall be free of dodder seed.

(4) In the case of minimum level CS seed and C1 seed of the species specified in paragraph (3), the presence of one seed of dodder in a sample shall not be regarded as an impurity where a second sample of the same weight is free from any dodder seed.

11. The percentage by number of bitter lupins in a sample of seed of a sweet lupin variety shall not exceed —

- (a) 1% in the case of basic seed, and
- (b) 2.5% in the case of C1 seed.

12.—(1) In the case of C1 seed, the percentage by number of seeds of another colour in a sample of seed of a bitter lupin variety shall not exceed 2%.

(2) In the case C1 seed of lupins, other than bitter lupins, the percentage by number of seeds of another colour in a sample shall not exceed 1%.

13. In the case of crucifers, the percentage by weight of seed of *Raphanus raphanistrum* (commonly known as wild radish) or *Sinapis arvensis* (commonly known as charlock) in a sample of seed shall not exceed 0.3%.

14.—(1) Subject to paragraph (2), it shall be determined, by way of a germination test, whether or not the seed will satisfy the applicable germination standard set out in column 2 of the following table (“the germination table”) —

<i>Column 1</i> <i>Species (all categories)</i>	<i>Column 2</i> <i>Minimum germination (% of pure seed)</i>	<i>Column 3</i> <i>Maximum hard seed content (% pure seed)</i>
--	--	---

1. Fine grasses —

<i>Column 1</i> <i>Species (all categories)</i>	<i>Column 2</i> <i>Minimum germination (% of pure seed)</i>	<i>Column 3</i> <i>Maximum hard seed content (% pure seed)</i>
(a) (a) annual meadowgrass	75	Not applicable
(b) (b) brown top	75	Not applicable
(c) (c) creeping bent grass	75	Not applicable
(d) (d) festulolium	75	Not applicable
(e) (e) red fescue	75	Not applicable
(f) (f) red top	80	Not applicable
(g) (g) rough-stalked meadowgrass	75	Not applicable
(h) (h) sheep's fescue	75	Not applicable
(i) (i) smooth-stalked meadowgrass	75	Not applicable
(j) (j) velvet bent	75	Not applicable
(k) (k) wood meadowgrass	75	Not applicable
2. Fodder grasses —		
(a) (a) Alaska brome-grass	75	Not applicable
(b) (b) cocksfoot	80	Not applicable
(c) (c) hybrid ryegrass	75	Not applicable
(d) (d) Italian ryegrass	75	Not applicable
(e) (e) meadow fescue	80	Not applicable
(f) (f) perennial ryegrass	80	Not applicable
(g) (g) rescue grass	75	Not applicable
(h) (h) small Timothy	80	Not applicable
(i) (i) tall fescue	80	Not applicable
(j) (j) tall oatgrass	75	Not applicable
(k) (k) Timothy	80	Not applicable
3. Small seeded legumes —		
(a) (a) Alsike clover	80	20
(b) (b) birdsfoot trefoil	75	40

Status: This is the original version (as it was originally made).

<i>Column 1</i> <i>Species (all categories)</i>	<i>Column 2</i> <i>Minimum germination (% of pure seed)</i>	<i>Column 3</i> <i>Maximum hard seed content (% pure seed)</i>
(c) (c) lucerne	80	40
(d) (d) red clover	80	20
(e) (e) sainfoin	75	20
(f) (f) trefoil, black medick	80	20
(g) (g) white clover	80	40
4. Large seeded legumes —		
(a) (a) blue lupin	75	20
(b) (b) common vetch	85	20
(c) (c) field bean	80	5
(d) (d) field pea	80	Not applicable
(e) (e) hairy vetch	85	20
(f) (f) Hungarian vetch	85	20
(g) (g) white lupin	80	20
(h) (h) yellow lupin	80	20
5. Crucifers —		
(a) (a) fodder kale	75	Not applicable
(b) (b) fodder radish	80	Not applicable
(c) (c) swede	80	Not applicable

(2) For the purpose of determining whether seed satisfies the applicable germination standard set out in column 2 of the germination table —

- (a) any fresh and healthy seed which does not germinate after pre-treatment shall be regarded as seed which has germinated, and
- (b) any hard seed present not exceeding the amount shown in column 3 of the table shall be regarded as seed which is capable of germination.

PART III

Other conditions

15. Harmful organisms which reduce the usefulness of the seed shall be at the lowest possible level that can be achieved.

PART IV

General provisions

16. For the purpose of determining whether seed meets the conditions laid down in this Schedule pre-basic seed shall be treated in the same way as basic seed.

17.—(1) For the purpose of determining whether commercial seed meets the conditions laid down in this Schedule the provisions of this Schedule, other than paragraphs 1 to 3, shall apply, insofar as they may be relevant, to commercial seed of annual meadowgrass and Hungarian vetch in the same way as they apply to CS seed of those respective species and commercial seed of sainfoin in the same way as they apply to minimum level CS seed of that species except that —

- (a) the minimum analytical purity of Hungarian vetch shall be 97%, and
- (b) subject to paragraphs (2) and (3), the seed shall conform to the following standards as regards the maximum content of seeds of other plant species —

	Total content of seed of other plant species (percentage by weight)	A single species (percentage by weight)
Annual meadowgrass	3.0	2.0
Hungarian vetch	2.0	1.5
Sainfoin	3.5	2.0

(2) In the case of Hungarian vetch, a maximum total of 6% by weight of other species of vetch seed shall not be regarded as an impurity.

(3) In the case of annual meadowgrass, a maximum total of 10% by weight of other species of meadowgrass shall not be regarded as an impurity.

SCHEDULE 5

Regulation 13(1)

RE-GRADING OF SEED

Column (1)	Column (2)
1	
(a) (a) UK, EC or overseas tested officially certified pre-basic seed of a listed variety	(a) (a) UK officially certified pre-basic seed of a listed variety
(b) (b) UK, EC, third country or overseas tested officially certified basic seed of a listed variety	(b) (b) UK officially certified basic seed of a listed variety
(c) (c) in the case of an HVS species of seed, HVS level UK officially certified CS seed of a listed variety	(c) (c) in the case of an HVS species of seed, HVS level UK officially certified CS seed of a listed variety
(d) (d) in the case of seed other than field beans, field peas, Lucerne <i>Medicago sativa</i> , lupins and vetches,	(d) (d) in the case of seed other than field beans, field peas, lucerne <i>Medicago sativa</i> , lupins and vetches,

Status: This is the original version (as it was originally made).

Column (1)	Column (2)
(g)	(g) in the case of lucerne <i>Medicago sativa</i> , lupins and vetches, EC officially certified early movement C2 seed of a listed variety

SCHEDULE 6

Regulation 15(1)

CATEGORIES OF SEED THAT MAY BE MARKETED

Breeder's seed

1. Breeder's seed.

Pre-basic seed of a listed variety

2. UK officially certified pre-basic seed of a listed variety.
3. EC officially certified pre-basic seed of a listed variety.
4. Overseas tested officially certified pre-basic seed of a listed variety.

Basic seed of a listed variety

5. UK officially certified basic seed of a listed variety.
6. EC officially certified basic seed of a listed variety.
7. Third country officially certified basic seed of a listed variety.
8. Overseas tested officially certified basic seed of a listed variety.

CS seed of a listed variety

9. UK officially certified CS seed of a listed variety.
10. EC officially certified CS seed of a listed variety.
11. Third country officially certified CS seed of a listed variety.
12. Overseas tested officially certified CS seed of a listed variety.

C1 seed of a listed variety

13. UK officially certified C1 seed of a listed variety.
14. EC officially certified C1 seed of a listed variety.
15. Third country officially certified C1 seed of a listed variety.
16. Overseas tested officially certified C1 seed of a listed variety.

C2 seed of a listed variety

17. UK officially certified C2 seed of a listed variety.
18. EC officially certified C2 seed of a listed variety.

Status: This is the original version (as it was originally made).

18. A Third Country officially certified C2 seed of a listed variety.

19. Overseas tested officially certified C2 seed of a listed variety.

Commercial seed

20. UK officially certified commercial seed.

21. EC officially certified commercial seed.

Early movement pre-basic seed of a listed variety

22. UK officially certified early movement pre-basic seed of a listed variety.

23. EC officially certified early movement pre-basic seed of a listed variety.

Early movement basic seed of a listed variety

24. UK officially certified early movement basic seed of a listed variety.

25. EC officially certified early movement basic seed of a listed variety.

Early movement CS seed of a listed variety

26. UK officially certified early movement CS seed of a listed variety.

27. EC officially certified early movement CS seed of a listed variety.

Early movement C1 seed of a listed variety

28. UK officially certified early movement C1 seed of a listed variety.

29. EC officially certified early movement C1 seed of a listed variety.

Early movement C2 seed of a listed variety

30. UK officially certified early movement C2 seed of a listed variety.

31. EC officially certified early movement C2 seed of a listed variety.

Early movement commercial seed

32. UK officially certified early movement commercial seed.

33. EC officially certified early movement commercial seed.

Basic seed of a component of a listed hybrid variety

34. UK officially certified basic seed of a component of a listed hybrid variety.

35. EC officially certified basic seed of a component of a listed hybrid variety.

36. Third country officially certified basic seed of a component of a listed hybrid variety.

37. Overseas tested officially certified basic seed of a component of a listed hybrid variety.

Early movement basic seed of a component of a listed hybrid variety

38. UK officially certified early movement basic seed of a component of a listed hybrid variety.

39. EC officially certified early movement basic seed of a component of a listed hybrid variety.

SCHEDULE 7

Regulations 2(1), 23(2), (5) and (6) and
paragraphs 5(2), 6, 8(1) and (2), 9 and
10(1) and (3) of Schedule 4**LOT AND SAMPLE WEIGHTS**

<i>Column 1</i> <i>Species</i>	<i>Column 2</i> <i>Maximum weight of a lot</i> <i>(tonnes)</i>	<i>Column 3</i> <i>Minimum weight of a sample to be drawn from a lot</i> <i>(grams)</i>	<i>Column 4</i> <i>Weight of the sample for determinations by number in accordance with part II of Schedule 4</i> <i>(grams)</i>
1. Fine grasses —			
(a) (a) annual meadowgrass	10	50	10
(b) (b) brown top	10	50	5
(c) (c) creeping bent grass	10	50	5
(d) (d) festulolium	10	200	60
(e) (e) red fescue	10	100	30
(f) (f) red top	10	50	5
(g) (g) rough-stalked meadowgrass	10	50	5
(h) (h) sheep's fescue	10	100	30
(i) (i) smooth-stalked meadowgrass	10	50	5
(j) (j) velvet bent	10	50	5
(k) (k) wood meadowgrass	10	50	5
2. Fodder grasses —			
(a) (a) Alaska brome-grass	10	200	200
(b) (b) cocksfoot	10	100	30

Status: This is the original version (as it was originally made).

<i>Column 1</i> <i>Species</i>	<i>Column 2</i> <i>Maximum weight of a lot</i>	<i>Column 3</i> <i>Minimum weight of a sample to be drawn from a lot</i>	<i>Column 4</i> <i>Weight of the sample for determinations by number in accordance with part II of Schedule 4</i>
	<i>(tonnes)</i>	<i>(grams)</i>	<i>(grams)</i>
(c) (c) hybrid ryegrass	10	200	60
(d) (d) Italian ryegrass	10	200	60
(e) (e) meadow fescue	10	100	50
(f) (f) perennial ryegrass	10	200	60
(g) (g) rescue grass	10	200	200
(h) (h) small Timothy	10	50	10
(i) (i) tall fescue	10	100	50
(j) (j) tall oatgrass	10	200	80
(k) (k) Timothy	10	50	10
3. Small seeded legumes —			
(a) (a) Alsike clover	10	200	20
(b) (b) birdsfoot trefoil	10	200	30
(c) (c) lucerne	10	300	50
(d) (d) red clover	10	300	50
(e) (e) sainfoin —			
(i) fruit	10	600	600
(ii) seed	10	400	400
(f) (f) trefoil, black medick	10	300	50
(g) (g) white clover	10	200	20
4. Large seeded legumes —			

Status: This is the original version (as it was originally made).

<i>Column 1</i> <i>Species</i>	<i>Column 2</i> <i>Maximum weight of a lot</i>	<i>Column 3</i> <i>Minimum weight of a sample to be drawn from a lot</i>	<i>Column 4</i> <i>Weight of the sample for determinations by number in accordance with part II of Schedule 4</i>
	<i>(tonnes)</i>	<i>(grams)</i>	<i>(grams)</i>
(a) (a) blue lupin	25	1,000	1,000
(b) (b) common vetch	25	1,000	1,000
(c) (c) field bean	25	1,000	1,000
(d) (d) field pea	25	1,000	1,000
(e) (e) hairy vetch	20	1,000	1,000
(f) (f) Hungarian vetch	20	1,000	1,000
(g) (g) white lupin	25	1,000	1,000
(h) (h) yellow lupin	25	1,000	1,000
5. Crucifers —			
(a) (a) fodder kale	10	200	100
(b) (b) fodder radish	10	300	300
(c) (c) swede	10	200	100

SCHEDULE 8

Regulation 26(5), (6)(a), (7)(a), (8)(a), (9)(a), (10)(a), (11)(a), (12)(a), (13)(a), (14)(a) and (16)(a)

LABELLING

PART I

Labelling of unpackaged seed (loose sales)

Particulars to be marked or displayed on the sale of unpackaged seed other than a mixture of seeds

1. The following particulars shall be given —

Status: This is the original version (as it was originally made).

- (a) “complies with legal standards”;
- (b) the species; and
- (c) except in the case of commercial seed, the variety.

Particulars to be marked or displayed on the sale of an unpackaged mixture of seeds

- 2. The following particulars shall be given —
 - (a) “complies with legal standards”;
 - (b) in the case of a registered mixture of seeds, the registered name of the mixture or the species and the proportion by weight of the components;
 - (c) in the case of a mixture of seeds, other than a registered mixture of seeds, the species and the proportion by weight of the components; and
 - (d) the words “seed mixture for” followed by words describing its intended use.

PART II

Labelling of packages of breeder’s seed

- 3. The package shall be labelled, not later than the time of sealing, on the outside with a supplier’s label containing the following particulars —
 - (a) the name and address of the supplier responsible for affixing the labels or his or her registered number or identification mark;
 - (b) the reference number of the seed lot;
 - (c) the species;
 - (d) the variety;
 - (e) the words “breeder’s seed”; and
 - (f) the declared net or gross weight or declared number of seeds.
- 4. The label referred to in paragraph 3 shall be coloured buff.

PART III

Labelling of packages of officially certified pre-basic seed

Official label for a package of officially certified pre-basic seed

- 5. The package shall be labelled, not later than the time of sealing, on the outside with an official label which has not previously been used containing the following particulars —
 - (a) the certification authority and member State or their commonly used initials;
 - (b) the reference number of the seed lot;
 - (c) the month and year of sealing or the month and year of the last official sampling for the purposes of certification, expressed respectively as follows —
 - (i) by the word “Sealed” followed by the month and year of sealing, or
 - (ii) by the word “Sampled” followed by the month and year of official sampling;

- (d) the species, indicated at least under its botanical name, which may be given in abridged form and without the author's name, in Roman characters;
 - (da) in the case of x Festulolium, the names of the species within the genus Festuca and Lolium;
 - (e) the variety, indicated at least in Roman characters;
 - (f) the description "pre-basic seed";
 - (g) the number of generations by which the seed precedes CS seed or C1 seed;
 - (h) the country of production;
 - (i) the declared net or gross weight or declared number of seeds; and
 - (j) where weight is indicated and granulated pesticides, pelleting substances or other solid additives are used, the nature of the additive and also the approximate ratio between the weight of pure seeds and the total weight.
6. The label referred to in paragraph 5 shall be coloured white with a diagonal violet line.
7. The minimum size of the label referred to in paragraph 5 shall be 110 mm × 67 mm.
8. The label referred to in paragraph 5 —
- (a) shall be —
 - (i) an adhesive label, or
 - (ii) a label secured to the package by a sealing device approved by the National Assembly for Wales, the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
 - (b) shall be fixed to the package by —
 - (i) an authorised officer or any person being supervised by such a person, or
 - (ii) a licensed seed sampler or any person being supervised by such a person.

PART IV

Labelling of packages of officially certified basic, CS, C1 and C2 seed

Official label for a package of officially certified basic, CS, C1 or C2 seed

9. The package shall be labelled, not later than the time of sealing, on the outside with an official label which has not previously been used or an official stamp containing the following particulars —
- (a) the words "EC rules and standards";
 - (b) the name of the certifying authority and member State or their commonly used initials;
 - (c) the reference number of the seed lot;
 - (d) the month and year of sealing or the month and year of the last official sampling for the purposes of certification, expressed respectively as follows —
 - (i) by the word "Sealed" followed by the month and year of sealing, or
 - (ii) by the word "Sampled" followed by the month and year of last official sampling for the purposes of certification;
 - (e) the species, indicated at least under its botanical name, which may be given in abridged form and without the author's name, in Roman characters;
 - (ea) in the case of x Festulolium, the names of the species within the genus Festuca and Lolium;
 - (f) the variety, indicated at least in Roman characters;

Status: This is the original version (as it was originally made).

- (g) the category;
- (h) the country of production;
- (i) the declared net or gross weight or declared number of pure seed;
- (j) where weight is indicated and granulated pesticides, pelleting substances or other solid additives are used, the nature of the additives and also the approximate ratio between the weight of pure seeds and the total weight;
- (k) in the case of CS, C1 and C2 seed, the number of generations after basic seed; and
- (l) in the case of seed of a grass variety for which an examination of its value for cultivation and use is not required in accordance with Article 4(2)(a) of the Common Catalogue Directive, the words “not intended for the production of fodder plants”.

10. Where at least germination has been retested, the words “retested” followed by the month and year of retesting and the authority responsible for such retesting may be indicated on the official label referred to in paragraph 9 or on an official sticker attached to the official label or official stamp.

11. The minimum size of the label or stamp referred to in paragraph 9 shall be 110 mm x 67 mm.

12. The label or stamp referred to in paragraph 9 shall be coloured —

- (a) white for basic seed;
- (b) blue for CS and C1 seed; and
- (c) red for C2 seed.

13. The label referred to in paragraph 9 —

- (a) shall be —
 - (i) an adhesive label, or
 - (ii) a label secured to the package by a sealing device approved by the National Assembly for Wales, the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
- (b) shall be fixed to the package by —
 - (i) an authorised officer or any person being supervised by such a person, or
 - (ii) a licensed seed sampler or any person being supervised by such a person.

13A. The stamp referred to in paragraph 9 —

- (a) shall be
 - (i) an indelible stamp; or
 - (ii) an indelible stamp affixed to the package by a stamping device approved by the National Assembly for Wales, the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development; and
- (b) shall be affixed to the package by —
 - (i) an authorised officer or any person being supervised by such a person; or
 - (ii) a licensed seed sampler or any person being supervised by such a person.

Label for a small EC B package of officially certified basic, CS, C1 and C2 seed

14. The package shall be labelled not later than the time of sealing —

- (a) subject to paragraph 15, on the outside,
- (b) with a label, a printed notice or stamp containing the following information —
 - (i) the words “small EC ‘B’ package”;

- (ii) the name and address of the supplier responsible for marking or his registration number or identification mark;
- (iii) the officially assigned serial number;
- (iv) the authority which assigned the serial number and the name of the member State or their commonly used initials;
- (v) the reference number of the seed lot from which the seed in the package has been taken if the serial number does not enable the lot to be identified;
- (vi) the species, indicated at least in Roman characters;
- (vii) the variety, indicated at least in Roman characters;
- (viii) the category;
- (ix) the net or gross weight or number of pure seeds;
- (x) where weight is indicated and granulated pesticides, pelleting substances or other solid additives are used, the nature of the additives and also the approximate ratio between the weight of pure seeds and the total weight; and
- (xi) in the case of seed of a grass variety for which an examination of its value for cultivation and use is not required in accordance with Article 4(2)(a) of the Common Catalogue Directive, the words “not intended for the production of fodder plants”.

15. If the packaging material is transparent the label, notice or stamp referred to in paragraph 14 may be placed inside the package provided it can be read through the packaging.

16. The label, notice or stamp referred to in paragraph 14 shall be coloured —

- (a) white for basic seed;
- (b) blue for CS and C1 seed; and
- (c) red for C2 seed.

PART V

Labelling of packages of officially certified commercial seed

Official label for a package of officially certified commercial seed

17. The package shall be labelled, not later than the time of sealing, on the outside with an official label which has not previously been used containing the following particulars —

- (a) the words “EC rules and standards”;
- (b) the words “Commercial seed (not certified as to variety)”;
- (c) the name of the certifying authority and member State or their commonly used initials;
- (d) the reference number of the seed lot;
- (e) the month and year of sealing or the month and year of the last official sampling for the purposes of certification, expressed respectively as follows —
 - (i) by the word “Sealed” followed by the month and year of sealing, or
 - (ii) by the word “Sampled” followed by the month and year of last official sampling for the purposes of certification;
- (f) the species, indicated at least under its botanical name, which may be given in abridged form and without the author’s name, in Roman characters;
- (g) the country of production or region of production within a country;

Status: This is the original version (as it was originally made).

- (h) the declared net or gross weight or the declared number of pure seeds; and
- (i) where weight is indicated and granulated pesticides, pelleting substances or other solid additives are used, the nature of the additives and also the approximate ratio between the weight of pure seeds and the total weight.

18. Where at least germination has been retested, the words “retested” followed by the month and year of retesting and the authority responsible for such retesting may be indicated on the official label referred to in paragraph 17 or on an official sticker attached to the official label.

19. The minimum size of the label referred to in paragraph 17 shall be 110 mm x 67 mm.

20. The label referred to in paragraph 17 shall be coloured brown.

21. The label referred to in paragraph 17 —

- (a) shall be —
 - (i) an adhesive label, or
 - (ii) a label secured to the package by a sealing device approved by the National Assembly for Wales, the Secretary of State, the Scottish Ministers or the Department of Agriculture and Rural Development, and
- (b) shall be fixed to the package by —
 - (i) an authorised officer or any person being supervised by such a person, or
 - (ii) a licensed seed sampler or any person being supervised by such a person.

Label for a small EC B package of officially certified commercial seed

22. The package shall be labelled not later than the time of sealing —

- (a) subject to paragraph 23, on the outside;
- (b) with a label, a printed notice or stamp containing the following information —
 - (i) the words “small EC ‘B’ package”;
 - (ii) the name and address of the supplier responsible for marking or his registration number or identification mark;
 - (iii) the officially assigned serial number;
 - (iv) the authority which assigned the serial number and the name of the member State or their commonly used initials;
 - (v) the reference number of the seed lot from which the seed in the package has been taken if the serial number does not enable the lot to be identified;
 - (vi) the species, indicated at least in Roman characters;
 - (vii) the words “commercial seed”;
 - (viii) the net or gross weight or number of pure seeds; and
 - (ix) where weight is indicated and granulated pesticides, pelleting substances or other solid additives are used, the nature of the additives and also the approximate ratio between the weight of pure seeds and the total weight.

23. If the packaging material is transparent the label, notice or stamp referred to in paragraph 22 may be placed inside the package provided it can be read through the packaging.

24. The label, notice or stamp referred to in paragraph 22 shall be coloured brown.

PART VI

Labelling of packages of mixtures of seed

Official label for a package of a mixture of seeds

- 25.** The label shall contain the following information —
- (a) the words “Mixture of seed for” followed by words indicating its intended use;
 - (b) the authority responsible for sealing the package and the member State or their commonly used initials;
 - (c) the reference number of the seed lot;
 - (d) the word “sealed” followed by the month and year of official sealing;
 - (e) in the case of a registered mixture of seeds —
 - (i) the registered name of the mixture, or
 - (ii) the percentage by weight of each of the components shown by species, and, where appropriate, by variety, both indicated at least in Roman characters;
 - (f) in the case of a mixture other than a registered mixture of seeds, the percentage by weight of each of the components shown by species, and, where appropriate, by variety, both indicated at least in Roman characters;
 - (g) the declared net or gross weight or declared number of pure seeds; and
 - (h) where the weight is indicated and granulated pesticides, pelleting substances or other solid additives are used, the nature of the additives and also the approximate ratio between the weight of the pure seeds and the total weight.
- 26.** Where at least germination of all the components of a mixture have been retested, the words “retested” followed by the month and year of retesting and the authority responsible for such retesting may be indicated on the official label referred to in paragraph 25 or on an official sticker attached to the official label.
- 27.** The minimum size of the label referred to in paragraph 25 shall be 110 mm x 67 mm.
- 28.** The label referred to in paragraph 25 shall be coloured green.

Label for a small EC A package of a mixture of seeds

- 29.** The package shall be labelled not later than the time of sealing —
- (a) subject to paragraph 30, on the outside;
 - (b) with a label, a printed notice or stamp containing the following information —
 - (i) the words “small EC ‘A’ package”;
 - (ii) the name and address of the supplier responsible for marking or his registration number or identification mark;
 - (iii) the name of the member State or their commonly used initials;
 - (iv) a reference number that enables the seed lots from which the seed in the mixture was taken to be identified;
 - (v) the words “seed mixture for” followed by a description of its intended use;
 - (vi) the net or gross weight or number of pure seeds;

Status: This is the original version (as it was originally made).

- (vii) where weight is indicated and granulated pesticides, pelleting substances or other solid additives are used, the nature of the additives and also the approximate ratio between the weight of pure seeds and the total weight;
- (viii) in the case of a package of a registered mixture of seeds that has been produced in the United Kingdom —
 - (aa) the registered name of the mixture and the species and, where applicable, the variety of the components in the mixture, or
 - (bb) the percentage by weight of each of the components shown by species, and, where appropriate, by variety, both indicated at least in Roman characters; and
- (ix) in the case of a package of a mixture of seeds, other than a package of a registered mixture of seeds that has been produced in the United Kingdom, the percentage by weight of each of the components shown by species, and, where appropriate, by variety, both indicated at least in Roman characters.

30. If the packaging material is transparent the label, notice or stamp referred to in paragraph 29 may be placed inside the package provided it can be read through the packaging.

31. The label, notice or stamp referred to in paragraph 29 shall be coloured green.

Label for a small EC “B” package of a mixture of seeds

32. The package shall be labelled not later than the time of sealing —

- (a) subject to paragraph 33, on the outside;
- (b) with a label, a printed notice or stamp containing the following information —
 - (i) the words “small EC ‘B’ package”;
 - (ii) the name and address of the supplier responsible for marking or his registration number or identification mark;
 - (iii) the officially assigned serial number;
 - (iv) the authority which assigned the serial number and the name of the member State or their commonly used initials;
 - (v) a reference number that enables the seed lots from which the seed in the mixture was taken to be identified if the serial number does not enable such lots to be identified;
 - (vi) the words “seed mixture for” followed by a description of its intended use;
 - (vii) the net or gross weight or number of pure seeds;
 - (viii) where weight is indicated and granulated pesticides, pelleting substances or other solid additives are used, the nature of the additives and also the approximate ratio between the weight of pure seeds and the total weight;
 - (ix) in the case of a package of a registered mixture of seeds that has been produced in the United Kingdom —
 - (aa) the registered name of the mixture and the species and, where applicable, the variety of the components in the mixture, or
 - (bb) the percentage by weight of each of the components shown by species, and, where appropriate, by variety, both indicated at least in Roman characters; and
 - (x) in the case of a package of a mixture of seeds, other than a package of a registered mixture of seeds that has been produced in the United Kingdom, the percentage by

weight of each of the components shown by species, and, where appropriate, by variety, both indicated at least in Roman characters.

33. If the packaging material is transparent the label, notice or stamp referred to in paragraph 32 may be placed inside the package provided it can be read through the packaging.

34. The label, notice or stamp referred to in paragraph 32 shall be coloured green.

PART VII

Whole bag labelling

Seed which has not been imported

35. The printing or stamping of the packages shall be under the supervision of the National Assembly for Wales.

36. Each package shall have printed or stamped on it, or be perforated with, an individual serial number allocated by the National Assembly for Wales, which shall appear in the same panel as the particulars of the matters specified in paragraph 9.

37. Arrangements shall be made with the person who prints the whole bag labels to provide the National Assembly for Wales with returns of the number of packages printed or stamped pursuant to regulation 26(16) and of the individual serial numbers used on such packages.

38. The reference number of the seed lot and the month and year in which the package was officially sealed shall be printed or stamped under the supervision of an authorised officer or a licensed seed sampler at the time of sampling for official examination.

39. There shall be kept such records of seed packaged and marketed pursuant to regulation 26(16) as may be required by the National Assembly for Wales.

40. Each package of basic seed marketed in accordance with regulation 26(16) shall be capable of having affixed to it, in a manner approved by the National Assembly for Wales, a label containing a statement pursuant to regulation 17.

Seed imported from another Member State

41. Such requirements of the member State from which the seed has been imported as correspond to the requirements specified in this Part for seed which has not been imported shall, in the opinion of the National Assembly for Wales, have been satisfied.

SCHEDULE 9

Regulation 27(2)

LIMITS OF VARIATION

GERMINATION

<i>Stated minimum percentage of germination</i> <i>(expressed as an integer)</i>	<i>Limit of variation</i> <i>Per cent</i>
99—100	2

Status: This is the original version (as it was originally made).

<i>Stated minimum percentage of germination</i>	<i>Limit of variation</i>
<i>(expressed as an integer)</i>	<i>Per cent</i>
97—98	3
94—96	4
91—93	5
87—90	6
82—86	7
76—81	8
69—75	9
65—68	10

ANALYTICAL PURITY — GRASSES

<i>Stated minimum percentage of analytical purity</i>	<i>Limit of variation</i>
<i>(expressed to one decimal point)</i>	<i>Per cent</i>
99.9 — 100	0.2
99.7—99.8	0.4
99.5—99.6	0.5
99.3—99.4	0.6
99.0—99.2	0.7
98.8—98.9	0.8
98.3—98.7	0.9
98.0—98.2	1.0
97.5—97.9	1.1
97.0—97.4	1.2
96.5—96.9	1.3
96.0—96.4	1.4
95.0—95.9	1.5
94.0—94.9	1.6
93.0—93.9	1.7
92.0—92.9	1.9
91.0—91.9	2.0
90.0— 90.9	2.1
88.0—89.9	2.2
86.0—87.9	2.4

<i>Stated minimum percentage of analytical purity</i>	<i>Limit of variation</i>
<i>(expressed to one decimal point)</i>	<i>Per cent</i>
84.0—85.9	2.5
82.0—83.9	2.6
80.0—81.9	2.8

ANALYTICAL PURITY — LEGUMES AND CRUCIFERS

<i>Stated minimum percentage of analytical purity</i>	<i>Limit of variation</i>
<i>(expressed to one decimal point)</i>	<i>Per cent</i>
99.9 — 100	0.2
99.8	0.3
99.6—99.7	0.4
99.3—99.5	0.5
99.0—99.2	0.6
98.5—98.9	0.7
98.3—98.4	0.8
97.5—98.2	0.9
97.0—97.4	1.0
96.5—96.9	1.1
95.5—96.4	1.2
95.0—95.4	1.3
94.0—94.9	1.4
93.0—93.9	1.5
92.0—92.9	1.6
91.0—91.9	1.7
90.0—90.9	1.8

CONTENTS OF SEEDS OF OTHER SPECIES IN GRASSES

<i>Stated maximum percentage of seeds of other species</i>	<i>Limit of variation</i>
<i>(expressed to one decimal point)</i>	<i>Per cent</i>
0.0	0.2
0.1	0.3
0.2	0.4

Status: This is the original version (as it was originally made).

<i>Stated maximum percentage of seeds of other species</i>	<i>Limit of variation</i>
<i>(expressed to one decimal point)</i>	<i>Per cent</i>
0.3 — 0.4	0.5
0.5 — 0.6	0.6
0.7 — 0.9	0.7
1.0 — 1.2	0.8
1.3 — 1.7	0.9
1.8 — 1.9	1.0
2.0 — 2.4	1.1
2.5 — 2.9	1.2
3.0 — 3.4	1.3
3.5 — 3.9	1.4
4.0 — 4.9	1.5
5.0	1.6

**CONTENTS OF SEEDS OF OTHER SPECIES OR
VARIETIES IN LEGUMES AND CRUCIFERS**

<i>Stated maximum percentage of seeds of other species</i>	<i>Limit of variation</i>
<i>(expressed to one decimal point)</i>	<i>Per cent</i>
0.0	0.1
0.1 — 0.2	0.3
0.3 — 0.4	0.4
0.5 — 0.6	0.5
0.7 — 0.9	0.6
1.0 — 1.4	0.7
1.5 — 1.7	0.8
1.8 — 2.4	0.9
2.5 — 2.9	1.0
3.0 — 3.4	1.1
3.5 — 4.4	1.2
4.5 — 4.9	1.3
5.0 — 5.9	1.4
6.0 — 6.9	1.5
7.0 — 7.9	1.6

<i>Stated maximum percentage of seeds of other species</i>	<i>Limit of variation</i>
<i>(expressed to one decimal point)</i>	<i>Per cent</i>
8.0 — 8.9	1.7
9.0 — 9.9	1.8
10.0	1.9

NUMBER OF SEEDS OF OTHER SPECIES

<i>Stated maximum number of seeds of other species</i>	<i>Limit of variation</i>
<i>(expressed as an integer)</i>	<i>Number</i>
0	1
1	3
2	4
3 — 4	5
5 — 6	6
7 — 8	7
9 — 11	8
12 — 14	9
15 — 17	10
18 — 21	11
22 — 25	12
26 — 29	13
30 — 34	14
35 — 40	15
41 — 45	16
46 — 51	17
52 — 57	18
58 — 64	19
65 — 71	20
72 — 79	21
80 — 87	22
88 — 95	23
96 — 100	24

SCHEDULE 10

Regulation 31

INDEX OF WORDS AND EXPRESSIONS USED IN THESE REGULATIONS

The expressions listed in the left-hand column of the following table are defined in the corresponding provisions listed in the right-hand column of the table —

<i>Expression</i>	<i>Provision of these Regulations in which the expression is defined</i>
the Act	Regulation 2(1)
Alaska brome-grass	Regulation 3
Alsike clover	Regulation 3
Annex II.A(3) official certificate	Regulation 2(1)
Annex V(C) document	Regulation 2(1)
annual meadowgrass	Regulation 3
another member State	Regulation 2(1)
appropriate time	Regulation 6(4)
approved seed certification authority	Regulation 2(1)
authorised officer	Regulation 2(1)
basic seed	Paragraph 8 of Schedule 1
birdsfoot trefoil	Regulation 3
blended seed lot	Regulation 2(1)
blue lupin	Regulation 3
brown top	Regulation 3
breeder	Regulation 2(1)
breeder's seed	Regulation 2(1)
C1 seed	Paragraph 30 of Schedule 1
C2 seed	Paragraph 38 of Schedule 1
cocksfoot	Regulation 3
commercial seed	Paragraph 46 of Schedule 1
Common Catalogue	Regulation 2(1)
Common Catalogue Directive	Regulation 2(1)
common vetch	Regulation 3
component	Regulation 2(1)
control plot	Regulation 2(1)
creeping bent grass	Regulation 3
crucifers	Regulation 3
CS seed	Paragraph 22 of Schedule 1

<i>Expression</i>	<i>Provision of these Regulations in which the expression is defined</i>
Deliberate Release Directive	Regulation 2(1)
Department of Agriculture and Rural Development	Regulation 2(1)
Directive crop conditions	Regulation 2(1)
Directive seed conditions	Regulation 2(1)
dodder	Regulation 3
EEA State	Regulation 2(1)
EC minimum percentage of germination	Regulation 2(1)
EC officially certified basic seed of a component of a listed hybrid variety	Paragraph 16 of Schedule 1
EC officially certified basic seed of a listed variety variety	Paragraph 10 of Schedule 1
EC officially certified early movement basic seed of a component of a listed hybrid variety	Paragraph 20 of Schedule 1
EC officially certified early movement basic seed of a L listed variety	Paragraph 14 of Schedule 1
EC officially certified early movement C1 seed of a listed variety	Paragraph 36 of Schedule 1
EC officially certified early movement C2 seed of a listed variety	Paragraph 44 of Schedule 1
EC officially certified early movement commercial seed of a listed variety	Paragraph 50 of Schedule 1
EC officially certified early movement CS seed of a listed variety	Paragraph 28 of Schedule 1
EC officially certified early movement pre-basic seed of a listed variety	Paragraph 6 of Schedule 1
EC officially certified C1 seed of a listed variety	Paragraph 32 of Schedule 1
EC officially certified C2 seed of a listed variety	Paragraph 40 of Schedule 1
EC officially certified commercial seed	Paragraph 48 of Schedule 1
EC officially certified CS seed of a listed variety	Paragraph 24 of Schedule 1
EC officially certified pre-basic seed of a listed variety	Paragraph 3 of Schedule 1
entered seed lot	Regulation 2(1)
equivalent third country	Regulation 2(1)
festulolium	Regulation 3

Status: This is the original version (as it was originally made).

<i>Expression</i>	<i>Provision of these Regulations in which the expression is defined</i>
field bean	Regulation 3
field pea	Regulation 3
fine grasses	Regulation 3
fodder grasses	Regulation 3
fodder kale	Regulation 3
the Fodder Plant Seed Directive	Regulation 2(1)
fodder radish	Regulation 3
genetically modified	Regulation 2(1)
grey label	Paragraph 53(3) of Schedule 1
hairy vetch	Regulation 3
Higher Voluntary Standards	Regulation 2(1)
HVS species of seed	Regulation 2(1)
homogeneous seed lot	Regulation 2(1)
Hungarian vetch	Regulation 3
hybrid ryegrass	Regulation 3
ISTA	Regulation 2(1)
Italian ryegrass	Regulation 3
large seeded legumes	Regulation 3
late entered seed lot	Regulation 2(1)
licensed crop inspector	Regulation 2(1)
licensed EC crop inspector	Regulation 2(1)
licensed EC seed testing station	Regulation 2(1)
licensed seed sampler	Regulation 2(1)
licensed seed testing station	Regulation 2(1)
licensed third country crop inspector	Regulation 2(1)
licensed third country seed testing station	Regulation 2(1)
listed variety	Regulation 2(1)
listing	Regulation 2(1)
lucerne	Regulation 3
lupins	Regulation 3
maintainer	Regulation 2(1)
marketing	Regulation 4
marketing extension	Regulation 2(1)
meadow fescue	Regulation 3

<i>Expression</i>	<i>Provision of these Regulations in which the expression is defined</i>
member State	Regulation 2(1)
a National List	Regulation 2(1)
non-fodder grass variety	Regulation 2(1)
not finally certified basic seed harvested in another member State	Paragraph 54 of Schedule 1
not finally certified C1 seed harvested in an equivalent third country	Paragraph 59 of Schedule 1
not finally certified CS seed harvested in an equivalent third country	Paragraph 58 of Schedule 1
not finally certified C1 seed harvested in another member State	Paragraph 56 of Schedule 1
not finally certified C2 seed harvested in another member State	Paragraph 57 of Schedule 1
not finally certified CS seed harvested in another member State	Paragraph 55 of Schedule 1
not finally certified pre-basic seed harvested in another member State	Paragraph 53 of Schedule 1
OECD	Regulation 2(1)
OECD Certificate	Regulation 2(1)
OECD Crucifer and Oil and Fibre Seed Scheme	Regulation 2(1)
OECD Decision	Regulation 2(1)
OECD Grass and Legume Seed Scheme	Regulation 2(1)
OECD List	Regulation 2(1)
official label	Regulation 2(1)
officially certified basic seed	Paragraph 21 of Schedule 1
officially certified C1 seed	Paragraph 37 of Schedule 1
officially certified C2 seed	Paragraph 45 of Schedule 1
officially certified commercial seed	Paragraph 51 of Schedule 1
officially certified CS seed	Paragraph 29 of Schedule 1
officially certified pre-basic seed	Paragraph 7 of Schedule 1
official measures	Regulation 2(1)
official sample	Regulation 2(1)
official stamp	Regulation 2(1)
official UK field inspection	Regulation 2(1)
official UK seed test	Regulation 2(1)

Status: This is the original version (as it was originally made).

<i>Expression</i>	<i>Provision of these Regulations in which the expression is defined</i>
overseas tested officially certified basic seed of a component of a listed hybrid variety	Paragraph 18 of Schedule 1
overseas tested officially certified basic seed of a listed variety	Paragraph 12 of Schedule 1
overseas tested officially certified C1 seed of a listed variety	Paragraph 34 of Schedule 1
overseas tested officially certified C2 seed of a listed variety	Paragraph 42 of Schedule 1
overseas tested officially certified CS seed of a listed variety	Paragraph 26 of Schedule 1
overseas tested officially certified pre-basic seed of a listed variety	Paragraph 4 of Schedule 1
perennial ryegrass	Regulation 3
pre-basic seed	Paragraph 1 of Schedule 1
previously listed variety	Regulation 2(1)
properly sealed package	Regulation 24(11)
qualifying seed lot	Regulation 11(15)
qualifying seed test report	Regulation 6(4)
red clover	Regulation 3
red fescue	Regulation 3
red top	Regulation 3
registered name	Regulation 2(1)
registered person	Regulation 2(1)
rescue grass	Regulation 3
rough stalked meadowgrass	Regulation 3
sainfoin	Regulation 3
seed that is subject to official post control	Regulation 8(18)
sheep's fescue	Regulation 3
Secretary of State	Regulation 2(1)
seed industry activity	Regulation 2(1)
seed lot	Regulation 2(1)
seed that has been subject to satisfactory official postcontrolled seed	Regulation 2(1)
post control	
small EC A package of seed	Regulation 2(1)
small EC B package of seed	Regulation 2(1)

<i>Expression</i>	<i>Provision of these Regulations in which the expression is defined</i>
small seeded legumes	Regulation 3
small Timothy	Regulation 3
smooth stalked meadowgrass	Regulation 3
swede	Regulation 3
tall fescue	Regulation 3
tall oatgrass	Regulation 3
Timothy	Regulation 3
third country	Regulation 2(1)
the Third Country Equivalence Decision	Regulation 2(1)
third country officially certified basic seed of a listed variety	Paragraph 11 of Schedule 1
third country officially certified C1 seed of a listed variety	Paragraph 33 of Schedule 1
third country officially certified basic seed of a component of a listed hybrid variety	Paragraph 17 of Schedule 1
third country officially certified CS seed of a listed variety	Paragraph 25 of Schedule 1
third country officially certified C2 seed of a listed variety	Paragraph 41 of Schedule 1
Trefoil, black medick	Regulation 3
UK field inspection carried out under official supervision	Regulation 2(1)
UK officially certified basic seed of a listed variety	Paragraph 9 of Schedule 1 of Schedule 1
UK officially certified basic seed of a component of a listed hybrid variety	Paragraph 15 of Schedule 1
UK officially certified C1 seed of a listed variety	Paragraph 31 of Schedule 1
UK officially certified C2 seed of a listed variety	Paragraph 39 of Schedule 1
UK officially certified commercial seed	Paragraph 47 of Schedule 1
UK officially certified CS seed of a listed variety	Paragraph 23 of Schedule 1
UK officially certified early movement basic seed of a component of a listed hybrid variety	Paragraph 19 of Schedule 1
UK officially certified early movement basic seed of a listed variety	Paragraph 13 of Schedule 1

Status: This is the original version (as it was originally made).

<i>Expression</i>	<i>Provision of these Regulations in which the expression is defined</i>
UK officially certified early movement C1 seed of a listed variety	Paragraph 35 of Schedule 1
UK officially certified early movement C2 seed of a listed variety	Paragraph 43 of Schedule 1
UK officially certified early movement commercial seed of seed	Paragraph 49 of Schedule 1
UK officially certified early movement CS seed of a listed variety	Paragraph 27 of Schedule 1
UK officially certified early movement pre-basic seed of a listed variety	Paragraph 5 of Schedule 1
UK officially certified pre-basic seed of a listed variety	Paragraph 2 of Schedule 1
UK seed test carried out under official supervision	Regulation 2(1)
unlisted variety	Regulation 2(1)
velvet bent	Regulation 3
vetches	Regulation 3
whenever carried out	Regulation 2(1)
white clover	Regulation 3
white lupin	Regulation 3
wood meadowgrass	Regulation 3
writing	Regulation 2(3)
yellow lupin	Regulation 3
