

## SCHEDULE 1

### PART 2

#### **MATTERS TO BE INCLUDED IN THE CHILD'S HEALTH REPORT**

2. A neo-natal report on the child, including—
  - (a) details of the child's birth, and any complications;
  - (b) results of a physical examination and screening tests;
  - (c) details of any treatment given;
  - (d) details of any problem in management and feeding;
  - (e) any other relevant information which may assist the panel;
  - (f) the name and address of any doctor who may be able to provide further information about any of the above matters.
