**The Avian Influenza (Preventive Measures
in Zoos) (Wales) (No. 2) Regulations 2005**

Vaccination of Susceptible Birds

5.—(1) Following a risk assessment, the National Assembly must, if it considers it necessary to reduce the risk of transmission of avian influenza, vaccinate or require the vaccination of susceptible birds in zoos.

(2) If vaccination is not carried out by the National Assembly, it must be carried out in accordance with instructions issued by it.
