EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Diseases of Animals (Approved Disinfectants) Order 1978 (“the 1978 Order”), S.I. 1978/32 and revokes earlier amendment Orders. It substitutes for Schedules 1 and 2 to the 1978 Order the Schedules set out in this Order. Schedule 1 lists disinfectants approved by the National Assembly for Wales and Schedule 2 lists disinfectants which, although no longer approved, can continue to be used as approved disinfectants until 30 June 2005.

This Order was notified in draft to the European Commission in accordance with Directive 98/34/EC, as amended by Directive 98/48/EC.

Status: *This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

A Regulatory Appraisal has been prepared. Copies may be obtained from the Animal and Plant Health Division of the Welsh Assembly Government, Cathays Park, Cardiff CF10 3NQ.
