**The Animals and Animal Products (Import  
and Export) (Wales) Regulations 2006**

**PART 5**

General

**Outbreaks of disease in other states**

**28.**—(1) This regulation applies where the National Assembly learns of or has reasonable grounds to suspect, either under the procedures set out in Article 10 of Council Directive [90/425/EEC](#) or Article 18 of Council Directive [91/496/EEC](#), or through any other means, the presence in any other state of a disease referred to in Schedule 6, a zoonosis or any other disease or phenomenon liable to present a serious threat to public or animal health.

(2) In the circumstances described in paragraph 1, the National Assembly may, for the purpose of preventing the introduction or spreading of disease into or within Wales, by declaration suspend, or impose conditions upon, the entry into Wales of any animal or animal product from the whole or any part of that state.

(3) Such a declaration is to be published in such manner as the National Assembly thinks fit.

(4) Where a declaration is in force suspending the entry of any animal or animal product, a person must not bring that animal or animal product into Wales if it is dispatched from, or originates from, the state or part thereof specified in the declaration.

(5) Where a declaration is in force imposing conditions on the entry into Wales of any animal or animal product, a person must not bring that animal or animal product into Wales if it originates in the state or part thereof specified in the declaration unless the animal or animal product complies with the conditions specified in the declaration.
