These Regulations revoke and replace the Plant Health (Import Inspection Fees) (Wales) Regulations 2006 (S.I. 2006/171), which implemented Article 13d of Council Directive 2000/29/EC (OJ No. L 169, 10.7.00, p. 1) ("the Directive"). The Directive requires member States to charge fees to cover the costs occasioned by the documentary checks, identity checks and plant health checks of certain imports of plants, plant products and other objects from third countries. These Regulations also implement reduced rates agreed for certain plants and plant products under the procedure provided for in Articles 13d(2) and 18(2) of the Directive.

The Regulations require an importer to pay, upon import of a consignment to which they apply, the fee specified in Schedule 1 or the reduced rate fee in Schedule 2, as appropriate (regulation 4(1)(a)). The fee is payable whether or not an inspection is carried out on the particular consignment (except in the case of the fees payable for an inspection carried out at the request of an importer outside daytime working hours (regulation 4(2)).

An importer is also required to pay the fee specified in Schedule 3 for documentary checks and identity checks (regulation 4(1)(b)).
