The Poultry Breeding Flocks and Hatcheries (Wales) Order 2007

**PART 3**

Control of salmonella in *Gallus gallus*

CHAPTER 1

Duties of an occupier

**Records of samples**

- 11.**—(1) The occupier must—
- (a) keep a record of the information in Schedule 3, paragraph 1, in respect of each sample taken in accordance with article 9; and
  - (b) by 30 June and 31 December each year, notify the Welsh Ministers of that information in respect of sampling undertaken in the six months prior to notification.
- (2) He or she must keep the record in paragraph (1)(a) for two years from the date the sample was taken.
