

SCHEDULE 6

Additional conditions that apply to the keeping of calves confined for rearing and fattening

Bedding and lying area

8.—(1) All calves must be provided with appropriate bedding.

(2) All calves must be kept on, or at all times have access to, a lying area which is clean, comfortable and adequately drained and which does not adversely affect the calves.

(3) All housed calves and calves kept in hutches or temporary structures must be kept on, or at all times have access to, a lying area which is well-maintained with dry bedding.
