Status: This is the original version (as it was originally made).

SCHEDULE 8

Additional conditions that apply to the keeping of pigs

PART 3

Boars

- **19.** Boar pens must be sited and constructed so as to allow the boar to turn around and to hear, see and smell other pigs, and must contain clean resting areas.
 - **20.** The lying area must be dry and comfortable.
- **21.**—(1) Subject to sub-paragraph (2), the minimum unobstructed floor area for a boar must be 6 m^2 .
- (2) When boar pens are also used for natural service, the floor area must be at least 10 m^2 and must be free of any obstacles.
