“Re-siting of mobile home

10.—(1) The owner shall be entitled to require that the occupier’s right to station the mobile home is exercisable for any period in relation to another pitch forming part of the protected site (“the other pitch”) if (and only if)—

- (a) on the application of the owner, the court is satisfied that the other pitch is broadly comparable to the occupier’s original pitch and that it is reasonable for the mobile home to be stationed on the other pitch for that period; or
- (b) the owner needs to carry out essential repair or emergency works that can only be carried out if the mobile home is moved to the other pitch for that period, and the other pitch is broadly comparable to the occupier’s original pitch.

(2) If the owner requires the occupier to station the mobile home on the other pitch so that he can replace, or carry out repairs to, the base on which the mobile home is stationed, he must if the occupier so requires, or the court on the application of the occupier so orders, secure that the mobile home is returned to the original pitch on the completion of the replacement or repairs.

(3) The owner shall pay all the costs and expenses incurred by the occupier in connection with his mobile home being moved to and from the other pitch.

(4) In this paragraph and in paragraph 13 below, “essential repair or emergency works” means—

- (a) repairs to the base on which the mobile home is stationed;
- (b) works or repairs needed to comply with any relevant legal requirements; or
- (c) works or repairs in connection with restoration following flood, landslide or other natural disaster.

Quiet enjoyment of the mobile home

11. The occupier shall be entitled to quiet enjoyment of the mobile home together with the pitch during the continuance of the agreement, subject to paragraphs 10, 12, 13 and 14.

Owner’s right of entry to the pitch

12. The owner may enter the pitch without prior notice between the hours of 9 a.m. and 6 p.m.—

- (a) to deliver written communications, including post and notices, to the occupier; and
- (b) to read any meter for gas, electricity, water, sewerage or other services supplied by the owner.

13. The owner may enter the pitch to carry out essential repair or emergency works on giving as much notice to the occupier (whether in writing or otherwise) as is reasonably practicable in the circumstances.

14. Unless the occupier has agreed otherwise, the owner may enter the pitch for a reason other than one specified in paragraph 12 or 13 only if he has given the occupier at least 14 clear days' written notice of the date, time and reason for his visit.

15. The rights conferred by paragraphs 12 to 14 above do not extend to the mobile home.

The pitch fee

16. The pitch fee can only be changed in accordance with paragraph 17, either—

- (a) with the agreement of the occupier, or
- (b) if the court, on the application of the owner or the occupier, considers it reasonable for the pitch fee to be changed and makes an order determining the amount of the new pitch fee.

17.—(1) The pitch fee shall be reviewed annually as at the review date.

(2) At least 28 clear days before the review date the owner shall serve on the occupier a written notice setting out his proposals in respect of the new pitch fee.

(3) If the occupier agrees to the proposed new pitch fee, it shall be payable as from the review date.

(4) If the occupier does not agree to the proposed new pitch fee—

- (a) the owner may apply to the court for an order under paragraph 16(b) determining the amount of the new pitch fee;
- (b) the occupier shall continue to pay the current pitch fee to the owner until such time as the new pitch fee is agreed by the occupier or an order determining the amount of the new pitch fee is made by the court under paragraph 16(b); and
- (c) the new pitch fee shall be payable as from the review date but the occupier shall not be treated as being in arrears until the 28th day after the date on which the new pitch fee is agreed or, as the case may be, the 28th day after the date of the court order determining the amount of the new pitch fee.

(5) An application under sub-paragraph (4)(a) may be made at any time after the end of the period of 28 days beginning with the review date.

(6) Sub-paragraphs (7) to (10) apply if the owner—

- (a) has not served the notice required by sub-paragraph (2) by the time by which it was required to be served, but
- (b) at any time thereafter serves on the occupier a written notice setting out his proposals in respect of a new pitch fee.

(7) If (at any time) the occupier agrees to the proposed pitch fee, it shall be payable as from the 28th day after the date on which the owner serves the notice under sub-paragraph (6)(b).

(8) If the occupier has not agreed to the proposed pitch fee—

- (a) the owner may apply to the court for an order under paragraph 16(b) determining the amount of the new pitch fee;
- (b) the occupier shall continue to pay the current pitch fee to the owner until such time as the new pitch fee is agreed by the occupier or an order determining the amount of the new pitch fee is made by the court under paragraph 16(b); and
- (c) if the court makes such an order, the new pitch fee shall be payable as from the 28th day after the date on which the owner serves the notice under sub-paragraph (6)(b).

(9) An application under sub-paragraph (8) may be made at any time after the end of the period of 56 days beginning with the date on which the owner serves the notice under subparagraph (6)(b).

(10) The occupier shall not be treated as being in arrears—

- (a) where sub-paragraph (7) applies, until the 28th day after the date on which the new pitch fee is agreed; or
- (b) where sub-paragraph (8)(b) applies, until the 28th day after the date on which the new pitch fee is agreed or, as the case may be, the 28th day after the date of the court order determining the amount of the new pitch fee.

18.—(1) When determining the amount of the new pitch fee particular regard shall be had to—

- (a) any sums expended by the owner since the last review date on improvements—
 - (i) which are for the benefit of the occupiers of mobile homes on the protected site;
 - (ii) which were the subject of consultation in accordance with paragraph 22(e) and (f) below; and
 - (iii) to which a majority of the occupiers have not disagreed in writing or which, in the case of such disagreement, the court, on the application of the owner, has ordered should be taken into account when determining the amount of the new pitch fee;
- (b) any decrease in the amenity of the protected site since the last review date; and
- (c) the effect of any enactment, other than an order made under paragraph 8(2) above, which has come into force since the last review date.

(2) When calculating what constitutes a majority of the occupiers for the purposes of subparagraph (1)(a)(iii) each mobile home is to be taken to have only one occupier and, in the event of there being more than one occupier of a mobile home, its occupier is to be taken to be the occupier whose name first appears on the agreement.

(3) In a case where the pitch fee has not been previously reviewed, references in this paragraph to the last review date are to be read as references to the date when the agreement commenced.

19. When determining the amount of the new pitch fee, any costs incurred by the owner in connection with expanding the protected site shall not be taken into account.

20.—(1) There is a presumption that the pitch fee shall increase or decrease by a percentage which is no more than any percentage increase or decrease in the retail prices index since the last review date, unless this would be unreasonable having regard to paragraph 18(1) above.

(2) Paragraph 18(3) above applies for the purposes of this paragraph as it applies for the purposes of paragraph 18.

Occupier's obligations

21. The occupier shall—

 - (iii) any other charges, costs or expenses payable by the occupier to the owner under the agreement;
- (c) be responsible for repairing the base on which the mobile home is stationed and for maintaining any gas, electricity, water, sewerage or other services supplied by the owner to the pitch or to the mobile home;
- (d) maintain in a clean and tidy condition those parts of the protected site, including access ways, site boundary fences and trees, which are not the responsibility of any occupier of a mobile home stationed on the protected site;
- (e) consult the occupier about improvements to the protected site in general, and in particular about those which the owner wishes to be taken into account when determining the amount of any new pitch fee; and
- (f) consult a qualifying residents' association, if there is one, about all matters which relate to the operation and management of, or improvements to, the protected site and may affect the occupiers either directly or indirectly.

23. The owner shall not do or cause to be done anything which may adversely affect the ability of the occupier to perform his obligations under paragraph 21(c) and (d) above.

24. For the purposes of paragraph 22(e) above, to “consult” the occupier means—

- (a) to give the occupier at least 28 clear days' notice in writing of the proposed improvements which—
 - (i) describes the proposed improvements and how they will benefit the occupier in the long and short term;

25. For the purposes of paragraph 22(f) above, to “consult” a qualifying residents' association means—

- (a) to give the association at least 28 clear days' notice in writing of the matters referred to in paragraph 22(f) which—
 - (i) describes the matters and how they may affect the occupiers either directly or indirectly in the long and short term; and
 - (ii) states when and where the association can make representations about the matters; and
- (b) to take into account any representations made by the association, in accordance with paragraph (a)(ii), before proceeding with the matters.

Owner's name and address

26.—(1) The owner shall by notice inform the occupier and any qualifying residents' association of the address in England or Wales at which notices (including notices of proceedings) may be served on him by the occupier or a qualifying residents' association.

(2) If the owner fails to comply with sub-paragraph (1), then (subject to sub-paragraph (5) below) any amount otherwise due from the occupier to the owner in respect of the pitch fee shall be treated for all purposes as not being due from the occupier to the owner at any time before the owner does so comply.

(3) Where in accordance with the agreement the owner gives any written notice to the occupier or (as the case may be) a qualifying residents' association, the notice must contain the following information—

- (a) the name and address of the owner; and
 - (b) if that address is not in England or Wales, an address in England or Wales at which notices (including notices of proceedings) may be served on the owner.
- (4) Subject to sub-paragraph (5) below, where—
- (a) the occupier or a qualifying residents' association receives such a notice, but
 - (b) it does not contain the information required to be contained in it by virtue of sub-paragraph (3) above,

the notice shall be treated as not having been given until such time as the owner gives the information to the occupier or (as the case may be) the association in respect of the notice.

(5) An amount or notice within sub-paragraph (2) or (4) (as the case may be) shall not be treated as mentioned in that sub-paragraph in relation to any time when, by virtue of an order of any court or tribunal, there is in force an appointment of a receiver or manager whose functions include receiving from the occupier the pitch fee, payments for services supplied or other charges.

(6) Nothing in sub-paragraphs (3) to (5) applies to any notice containing a demand to which paragraph 27(1) below applies.

27.—(1) Where the owner makes any demand for payment by the occupier of the pitch fee, or in respect of services supplied or other charges, the demand must contain—

- (a) the name and address of the owner; and
- (b) if that address is not in England or Wales, an address in England or Wales at which notices (including notices of proceedings) may be served on the owner.

(2) Subject to sub-paragraph (3) below, where—

- (a) the occupier receives such a demand, but
- (b) it does not contain the information required to be contained in it by virtue of sub-paragraph (1),

the amount demanded shall be treated for all purposes as not being due from the occupier to the owner at any time before the owner gives that information to the occupier in respect of the demand.

(3) The amount demanded shall not be so treated in relation to any time when, by virtue of an order of any court or tribunal, there is in force an appointment of a receiver or manager whose functions include receiving from the occupier the pitch fee, payments for services supplied or other charges.

Qualifying residents' association

28.—(1) A residents' association is a qualifying residents' association in relation to a protected site if—

- (h) the owner has acknowledged in writing to the secretary that the association is a qualifying residents' association, or, in default of this, the court has so ordered.

(2) When calculating the percentage of occupiers for the purpose of sub-paragraph (1)(b) above, each mobile home shall be taken to have only one occupier and, in the event of there being more than one occupier of a mobile home, its occupier is to be taken to be the occupier whose name first appears on the agreement.
