

SCHEDULE

FURTHER AMENDMENTS TO THE PRINCIPAL REGULATIONS

2. In Schedule 1 (prescribed concentrations and values), in Table B (chemical parameters), in Part II (national requirements)—

- (a) omit the line containing item 3 (hydrogen ion);
- (b) omit the following line beginning “6.5 (minimum)”;
- (c) in the lines containing items 6 (odour) and 8 (taste)—
 - (i) for “3 at 25°C” substitute “Acceptable to consumers and no abnormal change”, and
 - (ii) omit “Dilution number”.
