

## SCHEDULE

### FURTHER AMENDMENTS TO THE PRINCIPAL REGULATIONS

4. In Schedule 3 (monitoring)—
  - (a) in Table 2 (annual sampling frequencies: water supply zones), under the heading “parameters subject to audit monitoring”, in its appropriate place in the first column insert “*Clostridium perfringens* (including spores)”; and
  - (b) in Table 3 (annual sampling frequencies: treatment works or supply points) under the heading “subject to audit monitoring”, insert—
    - (i) in the first column, in its appropriate place “11A”, and
    - (ii) in the corresponding second column “*Clostridium perfringens* (including spores)”.
