The Plastic Materials and Articles in Contact
with Food (Wales) (No.2) Regulations 2008

PART 2

Requirements for Materials and Articles

Labelling and documentation

14.—(1) At marketing stages other than the retail stage a person who places on the market any plastic material or article or any substance intended for the manufacture of a plastic material or article must ensure that the plastic material or article or substance is accompanied by a written declaration which —

- (a) accords with Article 16(1) of Regulation (EC) No. 1935/2004;
- (b) contains the information specified in Schedule 4; and
- (c) complies with paragraph (2).

(2) A written declaration made under paragraph (1) must be revised when substantial changes in the production of a plastic material or article for which the declaration is issued bring about changes in the migration or when new scientific information is available.

(3) A person mentioned in paragraph (1) must make available to the enforcement authority on request appropriate documentation to demonstrate that the plastic material or article or substance intended for its manufacture complies with the requirements of these Regulations.

(4) The documentation referred to in paragraph (3) must contain the conditions and results of testing, calculations, other analysis, and evidence on the safety or reasoning demonstrating compliance.
