- (a) to reduce the basic amount of the part-time adult dependants' grant where the eligible part-time student qualifies for that element under regulation 83C;

(2) Subject to paragraphs (4), (5) and (13), where **B** is greater than or equal to **A**, the basic amount of each element of the part-time grants for dependants for which the eligible part-time student qualifies is payable.

(3) Where (**A** – **B**) is equal to or exceeds the aggregate of the basic amounts of the elements of the part-time grants for dependants for which the eligible part-time student qualifies, the amount payable in respect of each element is nil.

(4) The amount of the part-time adult dependants' grant calculated under paragraph (1) in respect of an adult dependant is reduced by one half where—

- (a) the eligible part-time student's partner—
 - (i) is an eligible part-time student; or
 - (ii) holds a statutory award; and
- (b) account is taken of that partner's dependants in calculating the amount of support for which that partner qualifies or the payment to which he or she is entitled under the statutory award.

(5) The amount of the part-time childcare grant calculated under paragraph (1) is reduced by one half where—

- (a) the eligible part-time student's partner—
 - (i) is an eligible part-time student; or
 - (ii) holds a statutory award; and
- (b) account is taken of that partner's dependants in calculating the amount of support for which that partner qualifies or the payment to which he or she is entitled under the statutory award.

(6) Where the amount of the part-time parents' learning allowance calculated under paragraph (1) is £0.01 or more but less than £50, the amount of part-time parents' learning allowance payable is £50.

- (11) The amount of part-time adult dependants' grant and part-time parents' learning allowance in respect of a relevant quarter is one third of what that grant or allowance would be for the academic year if the student’s circumstances in the relevant quarter as determined under paragraph (9) applied for the duration of the academic year.
- (12) In this regulation, a “relevant quarter” (“*chwarter perthnasol*”) means—

“89A.—(1) Subject to the following paragraphs, the Welsh Ministers may pay part-time grants for dependants in such instalments (if any) and at such times as they consider appropriate.

(2) An institution is required to send an attendance confirmation to the Welsh Ministers.

(3) The Welsh Ministers must not pay the first instalment or, where it has been determined not to pay a part-time grant for dependants by instalments, make any payment of such a grant to an eligible part-time student before they have received an attendance confirmation unless the exception in paragraph (4) applies.

(4) The exception applies if the Welsh Ministers have determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving an attendance confirmation.

(5) Where a final assessment cannot be made on the basis of the information provided by the student, the Welsh Ministers may make a provisional assessment and payment of part-time grants for dependants.

(6) Payments of a part-time grant for dependants are to be made in such manner as the Welsh Ministers consider appropriate and they may make it a condition of entitlement to payment that the eligible part-time student must provide them with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(7) Subject to paragraph (8), no support by way of part-time grants for dependants is due in respect of any day of an academic year on which the eligible part-time student is a prisoner, unless in the opinion of the Welsh Ministers it would be appropriate in all the circumstances for support to be paid in respect of that day.

(8) In deciding whether it would be appropriate for support to be due under paragraph (7) the circumstances to which the Welsh Ministers must have regard include the financial hardship which not paying the support would cause and whether not paying the support would affect the student’s ability to continue the course.

(9) No support by way of part-time grants for dependants is due in respect of any payment period beginning after an eligible part-time student’s period of eligibility terminates.

(10) Where an eligible part-time student’s period of eligibility terminates on or after the relevant date, the Welsh Ministers must determine—

- (a) the amount of each part-time grant for dependants for which the student qualifies that would be payable in respect of the relevant payment period if the eligible part-time student’s period of eligibility had not terminated (the “full amount”); and
- (b) how much of the full amount is due in respect of the period which runs from the first day of the relevant payment period up to and including the day on which the eligible part-time student’s period of eligibility terminated (the “partial amount”).

(11) In this regulation, the “relevant date” (“*y dyddiad perthnasol*”) is the date on which the first term of the academic year in question actually begins.

(12) If the Welsh Ministers have made a payment of a part-time grant for dependants in respect of the relevant payment period before the point in that period at which the eligible part-time student’s period of eligibility terminated and that payment exceeds the partial amount of that grant—

- (a) they may treat the excess as an overpayment of that grant; or
- (b) if they consider that it is appropriate to do so they may extend the student’s period of eligibility in respect of that part-time grant for dependants until the end of the

relevant payment period and determine that the full amount of the grant is due in respect of that payment period.

(13) If a payment of a part-time grant for dependants in respect of the relevant payment period is due to be made or is made after the eligible part-time student's period of eligibility has terminated, the amount of that part-time grant for dependants due is the partial amount unless the Welsh Ministers consider it appropriate to extend the period of eligibility in respect of that grant until the end of the relevant payment period and to determine that the full amount of that grant is due in respect of that payment period.

(14) No support by way of part-time grants for dependants is due in respect of a payment period during any part of which an eligible part-time student is absent from his or her course, unless in the opinion of the Welsh Ministers it would be appropriate in all the circumstances for support to be paid in respect of the period of absence.

(15) In deciding whether it would be appropriate for support to be due under paragraph (14) the circumstances to which the Welsh Ministers must have regard include the reason for the student's absence, the length of the absence and the financial hardship which not paying the support would cause.

(16) An eligible part-time student is not to be considered absent from his or her course if he or she is unable to attend due to illness and his or her absence has not exceeded 60 days.

(17) Where, after the Welsh Ministers have made any payment of support by way of a part-time grant for dependants, they make a determination of the amount of such a grant for which the student qualifies either for the first time or by way of revision of a provisional or other determination of that amount—

- (a) if the determination increases the amount of that grant for which the student qualifies they must pay the additional amount in such instalments (if any) and at such times as they consider appropriate;
- (b) if the determination decreases the amount of that grant for which the student qualifies they must subtract the amount of the decrease from the amount of that grant which remains to be paid;
- (c) if the amount of the decrease is greater than the amount of that grant remaining to be paid the latter amount is reduced to nil and the balance subtracted from any other element of part-time grants for dependants for which the student qualifies in respect of the academic year;
- (d) any remaining overpayment is recoverable in accordance with regulation 91.”.

29. In regulation 91—

- (a) in paragraph (3), for “and the grant for disabled part-time students' living costs”, substitute “, the grant for disabled part-time students' living costs and a part-time grant for dependants”; and
- (b) in paragraph (5), after “costs” insert “or a part-time grant for dependants”.

30. In paragraph 8 of Part 2 of Schedule 1—

- (a) for sub-paragraph (b), substitute “was ordinarily resident in Wales and settled in the United Kingdom immediately before leaving the United Kingdom and who has exercised a right of residence”; and
- (b) in sub-paragraph (c), for “in Wales”, substitute “in the United Kingdom”.

31. After Schedule 5, insert—

(2) An eligible part-time student who qualifies as a contributing eligible part-time student under paragraph 2(1)(i) in respect of an academic year of a designated part-time course retains that status for the duration of the period of eligibility.

Household income

3.—(1) The amount of a contributing eligible part-time student's contribution depends on the household income.

(2) The household income is—

- (a) in the case of a contributing eligible part-time student who has a partner, the residual income of the contributing eligible part-time student aggregated with the residual income of that student's partner (subject to sub-paragraph (4)); or
- (b) in the case of a contributing eligible part-time student who does not have a partner, the residual income of that student.

(3) In determining the household income under sub-paragraph (2), the sum of £1,100 is deducted for each child wholly or mainly financially dependent on the contributing eligible part-time student or that student's partner.

(4) For the purpose of calculating the contribution payable in respect of a parent student, the residual income of the parent student's partner must not be aggregated under paragraph (b) of sub-paragraph (2) in the case of a parent student whose child or whose partner's child holds an award in respect of which the household income is calculated with reference to the residual income of the parent student or of the parent student's partner or of both.

Calculation of contributing eligible part-time student's residual income

4.—(1) For the purpose of determining the residual income of a contributing eligible part-time student, there is deducted from his or her taxable income (unless already deducted in determining taxable income) the aggregate of any amounts falling within any of the following sub-paragraphs —

- (a) any remuneration for work done during any academic year of the contributing eligible part-time student's course, provided that such remuneration does not include any sums paid in respect of any period for which he or she has leave of absence or is relieved of his or her normal duties for the purpose of attending that course;
- (b) the gross amount of any premium or other sum paid by the contributing eligible part-time student in relation to a pension (not being a pension payable under a policy of life insurance) in respect of which relief is given under section 273 of the Income and Corporation Taxes Act 1988⁽¹⁶⁾ or under section 188 of the Finance Act 2004⁽¹⁷⁾, or where the contributing eligible part-time student's income is computed for the purposes

⁽¹⁵⁾ Funding provided by the Research Councils in respect of full time post graduate study.

⁽¹⁶⁾ 1988 c. 1; section 273 was amended by the Finance Act 1988 (c. 39), Schedule 3, paragraph 10, the Finance Act 2004 (c. 12), section 281, schedule 35, the Income Tax (Trading and other Income) Act 2005 (c. 5), Schedule 1 and the Income Tax Act 2007, Schedule 1.

⁽¹⁷⁾ 2004 c. 12; section 188 was amended by the Finance Act 2007, sections 68, 69 and 114 and Schedules 18, 19 and 27.

of the income tax legislation of another Member State, the gross amount of any such premium or sum in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts.

(2) Where the only paragraph in Part 2 of Schedule 1 into which a contributing eligible part-time student falls is paragraph 9 and his or her income arises from sources or under legislation different from sources or legislation normally relevant to a person referred to in paragraph 9 of Part 2 of Schedule 1, his or her income is not disregarded in accordance with sub-paragraph (1) but is instead disregarded to the extent necessary to ensure that he or she is treated no less favourably than a person who is referred to in any paragraph of Part 2 of Schedule 1 would be treated if in similar circumstances and in receipt of similar income.

(3) Where the contributing eligible part-time student receives income in a currency other than sterling, the value of that income for the purpose of this paragraph is—

- (a) if the student purchases sterling with the income, the amount of sterling the student so receives;
- (b) otherwise, the value of the sterling which the income would purchase using the rate for the month in which it is received published by the Office for National Statistics⁽¹⁸⁾.

Calculation of contributing eligible part-time student's partner's residual income

5.—(1) For the purposes of determining the taxable income of a contributing eligible part-time student's partner, any deductions which fall to be made or exemptions which are permitted—

- (a) by way of personal reliefs provided for in Chapter 1 of Part VII of the Income and Corporation Taxes Act 1988 or, where the income is computed for the purposes of the income tax legislation of another Member State, any comparable personal reliefs;
- (b) pursuant to any enactment or rule of law under which payments which would otherwise under United Kingdom law form part of a person's income are not treated as such; or
- (c) under sub-paragraph (2)

must not be made or permitted.

(2) For the purposes of determining the residual income of a contributing eligible part-time student's partner, there is deducted from the taxable income determined under sub-paragraph (1) the aggregate of any amounts falling within any of the following sub-paragraphs —

- (a) the gross amount of any premium or sum relating to a pension (not being a premium payable under a policy of life assurance) in respect of which relief is given under section 273 of the Income and Corporation Taxes Act 1988, or under section 188 of the Finance Act 2004, or where the income is computed for the purposes of the income tax legislation of another Member State, the gross amount of any such premium in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts;
- (b) in any case where income is computed for the purposes of the Income Tax Acts by virtue of sub-paragraph (6) any sums equivalent to the deduction mentioned in sub-paragraph (a) of this sub-paragraph, provided that any sums so deducted do not exceed the deductions which would be made if the whole of the contributing eligible part-time student's partner's income were in fact income for the purposes of the Income Tax Acts.

(3) Where the Welsh Ministers are satisfied that the residual income of the partner in the financial year beginning immediately before the relevant year ("the current financial year") is likely to be not more than 85 per cent. of the sterling value of his or her residual income in the preceding financial year they may, for the purpose of enabling the contributing eligible part-

time student to attend the course without hardship, ascertain the partner's residual income for the current financial year.

(4) Where the Welsh Ministers are satisfied that the residual income of the partner in any financial year is, as a result of any event, likely to be and to continue after that year to be not more than 85 per cent. of the sterling value of his or her residual income in the previous financial year they may, for the purpose of enabling the contributing eligible part-time student to attend the course without hardship, ascertain the household income for the academic year of the contributing eligible part-time student's course in which that event occurred by taking as the residual income of the partner the average of his or her residual income for each of the financial years in which that academic year falls.

(5) Where the contributing eligible part-time student's partner satisfies the Welsh Ministers that his or her income is wholly or mainly derived from the profits of a business or profession carried on by him or her, then any reference in this Schedule to a preceding financial year means the earliest period of twelve months which ends after the start of the preceding financial year and in respect of which accounts are kept relating to that business or profession.

(6) Where a contributing eligible part-time student's partner is in receipt of any income which does not form part of his or her income for the purposes of the Income Tax Acts or the income tax legislation of another Member State by reason only that—

- (a) he or she is not resident, ordinarily resident or domiciled in the United Kingdom, or where his or her income is computed as for the purposes of the income tax legislation of another Member State, not so resident, ordinarily resident or domiciled in that Member State;
- (b) the income does not arise in the United Kingdom, or where the partner's income is computed as for the purposes of the income tax legislation of another Member State, does not arise in that Member State; or
- (c) the income arises from an office, service or employment, income from which is exempt from tax in pursuance of any legislation,

his or her taxable income for the purposes of this Schedule is computed as though the income under this sub-paragraph were part of his or her income for the purposes of the Income Tax Acts or the income tax legislation of another Member State, as the case may be.

(7) Where the income of the contributing eligible part-time student's partner is computed as for the purposes of the income tax legislation of another Member State, it is computed under the provisions of this Schedule in the currency of that Member State and the income of the contributing eligible part-time student's partner for the purposes of this Schedule is the sterling value of that income determined in accordance with the rate for the month in which the last day of the financial year in question falls, as published by the Office for National Statistics.

(8) Where the Welsh Ministers determine that the contributing eligible part-time student and his or her partner are separated for the duration of the relevant year, the partner's income is not taken into account in determining the household income.

(9) Where the Welsh Ministers determine that the contributing eligible part-time student and his or her partner have separated in the course of the relevant year, the partner's income is determined by reference to his or her income under sub-paragraph (1) divided by fifty-two and multiplied by the number of complete weeks in the relevant year for which the Welsh Ministers determine that the contributing eligible part-time student and his or her partner are not separated.

(10) Where a contributing eligible part-time student has more than one partner in any one academic year, the provisions of this paragraph apply in relation to each.

Calculation of contribution

- 6.—(1) The contribution payable in relation to a contributing eligible part-time student is—
- (a) in any case where the household income exceeds £39,780, £1 for every complete £9.50 by which the household income exceeds £39,780; and
 - (b) in any case where the household income is £39,780 or less, nil.
- (2) The contribution must not in any case exceed £6,060.
- (3) The contribution may be adjusted in accordance with paragraph 7.
- (4) Where sub-paragraph (5) applies, the aggregate contributions must not exceed £6,060.
- (5) This sub-paragraph applies where the household income consists of the residual income of a contributing eligible part-time student and his or her partner where both hold a statutory award.

Split contributions

- 7.—(1) Where a contribution is payable under paragraph 6 in relation to a contributing eligible part-time student with a partner, the contribution is payable in accordance with the following sub-paragraphs—
- (a) for any year in which a statutory award other than an award referred to in paragraph (b) of this sub-paragraph is held by the contributing eligible part-time student's partner, the contribution payable in respect of the contributing eligible part-time student is such proportion of any contribution calculated under paragraph 7 as the Welsh Ministers after consultation with any other authority involved consider just;
 - (b) subject to the following sub-paragraphs, for any year in which an award payable under these Regulations, the Education (Mandatory Awards) Regulations 2003 or section 63 of the Health Services and Public Health Act 1968 (and no other statutory award) is held by the contributing eligible part-time student's partner, the contribution payable in respect of the contributing eligible part-time student is an amount equal to half the contribution calculated under paragraph 7;
 - (c) if, as a result of the apportionment under paragraph (b) of this sub-paragraph, the contribution calculated would not be extinguished by applying it in respect of the contributing eligible part-time student's statutory award, the remainder of the contribution is instead applied to the relevant statutory award of his or her partner if they are both contributing eligible part-time students.
- (2) Subject to sub-paragraph (3), there is added to a parent student's residual income for the purpose of calculating the contribution to his or her statutory award any sum remaining—
- (a) where the parent student is the parent of only one eligible student and the contribution payable in respect of that eligible student is greater than the statutory award in respect of that eligible student, the difference between that contribution and that statutory award; or
 - (b) where a parent student is the parent of more than one eligible student, any sum remaining after the apportionment of the contribution to his or her children under this Schedule.
- (3) Where a parent student has a partner who is also an eligible student and whose income is taken into account in assessing the contribution in relation to the children in sub-paragraph (2), half of the sum calculated under sub-paragraph (2) is added to the parent student's residual income.”

EXPLANATORY NOTE

(This note is not part of the Regulations)

The Assembly Learning Grants and Loans (Higher Education) (Wales) Regulations 2008 ([S.I. 2008/1273](#)) ([W.130](#)) (“the 2008 Regulations”) provide for financial support for students who are ordinarily resident in Wales taking designated higher education courses in respect of academic years beginning on or after 1 September 2008.

These Regulations amend the 2008 Regulations.

Regulations 4 to 7, 9 to 11, 13, 14, 25 and 27 (d) and (k) deal with typographical errors in the 2008 Regulations.

Regulations 8, 12, 15 and 16 amend regulations 23, 38, 56 and 59 of the 2008 Regulations. Those provisions of the 2008 Regulations provide for grants and loans for living costs for full-time eligible students, together with the payment of such grants and loans. Regulations 23 and 38 of the 2008 Regulations are amended by regulations 8 and 12 of these Regulations such that, where a student spends part of an academic year in prison, that student will qualify for grants and loans for living costs on a pro-rated daily basis for the days that the student is not in prison. Regulations 56 and 59 of the 2008 Regulations are amended by regulations 15 and 16 of these Regulations such that the Welsh Ministers may pay a grant or loan for living costs in respect of a day of an academic year on which the student is a prisoner, provided that the Welsh Ministers are of the opinion that it would be appropriate in all the circumstances. In deciding whether it would be appropriate, the Welsh Ministers must have regard to the financial hardship that not paying the support would cause and whether not paying the support would affect the student’s ability to continue the course.

Regulations 17 and 23 amend regulations 67 and 82 of the 2008 Regulations so that income related employment and support allowance introduced by the Welfare Reform Act 2007 is added to the list of meanstested benefits for full-time distance learning students and part-time students. These amendments come into force on 27 October 2008 to coincide with the coming into force of Part 1 of that 2007 Act.

Regulations 18 to 22 and 24 to 29 amend Part 12 of the 2008 Regulations, which provides for support to eligible part-time students. Regulation 24 of these Regulations inserts new regulations 83A to 83J into Part 12 of the 2008 Regulations. Those new regulations provide that eligible part-time students may qualify for support by way of grants for dependants, namely part-time adult dependants’ grant, part-time childcare grant and part-time parents’ learning allowance (“part-time grants for dependants”). Qualifying criteria for the part-time grants for dependants are similar to the criteria for the equivalent support for full-time eligible students, payable under regulations 26 to 29 of the 2008 Regulations. New regulation 83F provides for the initial calculations to be undertaken in relation to the part-time grants for dependants and new regulation 83H provides that deductions may be made from the part-time grants for dependants. Such deductions are calculated in accordance with the new Schedule 6 to the 2008 Regulations, which is inserted by regulation 31 of these Regulations. Any such deductions are applied in accordance with new regulation 83I. The amount payable in respect of a particular element of the part-time grants for dependants is determined according to the intensity of part-time study, on a pro-rata basis, as determined by new regulation 83J.

Regulations 25 to 29 also make consequential amendments to Part 12 of the 2008 Regulations as a result of the insertion of new regulations 83A to 83J.
