

SCHEDULE 4

COLLEGE FEE LOANS

Conditions of entitlement to payment of college fee loan

14.—(1) The Welsh Ministers may make it a condition of entitlement to payment of a college fee loan that a qualifying student must provide them with his or her United Kingdom national insurance number.

(2) Where the Welsh Ministers have imposed a condition under paragraph (1), they must not make any payment of the loan to the qualifying student before they are satisfied that the student has complied with that condition.

(3) Despite paragraph (2), the Welsh Ministers may make a payment of loan to a qualifying student if they are satisfied that owing to exceptional circumstances it would be appropriate to make such a payment without the qualifying student having complied with the condition imposed under paragraph (1).
