EXPLANATORY NOTE

(This note is not part of the Regulations)

Regulation 3 of the Planning (Listed Buildings and Conservation Areas) Regulations 1990 (“the 1990 Regulations”) makes provision for applications made to local planning authorities for listed building consent or conservation area consent.

Regulation 2 of these Regulations substitutes a new regulation 3B into the 1990 Regulations. The new regulation 3B makes provision for design and access statements which are required to accompany applications for listed building consent.

The new regulation 3B replaces regulation 3B as inserted into the 1990 Regulations by the Planning (Listed Buildings and Conservation Areas) (Amendment) (Wales) Regulations 2006 ([S.I. 2006/3316 \(W.301\)](#)) (“the 2006 Regulations”), which made provision for access statements.

Regulation 3 of these Regulations is a consequential revocation of the 2006 Regulations.
