EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (General Medical Services Contracts) (Prescription of Drugs Etc) (Wales) Regulations 2004 (“the principal Regulations”) which make provision as to the drugs, medicines or other substances that may be ordered for patients in the provision of medical services under a general medical services contract within the meaning of section 42 of the National Health Service (Wales) Act 2006.

Regulation 2 amends Schedule 2 to the principal Regulations (drugs or medicines to be ordered only in certain circumstances) to add further circumstances in which the drug Oseltamivir (Tamiflu) may be ordered under such a contract to include pandemic disease (such as pandemic influenza) which poses a serious risk, or potentially a serious risk, to human health (or such a disease is anticipated imminently) and the supply of the drugs is in accordance with a protocol relating to that disease as provided for in article 12F of the Prescription Only Medicines (Human Use) Order 1997 or article 8 of the Medicines (Pharmacy and General Sale-Exemption) Order 1980.
