Transfer of status

79.—(1) Where an eligible distance learning student transfers to another designated distance learning course, the Welsh Ministers must transfer the student’s status as an eligible distance learning student to that course where—

- (a) they receive a request from the eligible distance learning student to do so;
 - (b) they are satisfied that one or more of the grounds for transfer in paragraph (2) applies; and
 - (c) the period of eligibility has not terminated.
- (2) The grounds for transfer are—
- (a) the eligible distance learning student starts to undertake another designated distance learning course at the institution;
 - (b) the eligible distance learning student starts to undertake a designated distance learning course at another institution; or
 - (c) after commencing a designated distance learning course for a first degree (other than an honours degree) the eligible distance learning student is, before the completion of that course, admitted to a designated distance learning course for an honours degree in the same subject or subjects at the institution.
- (3) Subject to paragraph (4), an eligible distance learning student who transfers under paragraph (1) is to receive in connection with the academic year of the course to which he or she transfers the remainder of the support for which the Welsh Ministers have determined he or she qualifies in respect of the academic year of the course from which he or she transfers.
- (4) The Welsh Ministers may re-assess the amount of support payable after the transfer.
- (5) An eligible student who transfers under paragraph (1) after the Welsh Ministers have determined his or her support in connection with the academic year of the course from which he or she is transferring but before he or she completes that year, may not apply for another grant under

regulation 72(1)(b) or regulation 75 in connection with the academic year of the course to which he or she transfers.

(6) Where a student transfers under paragraph (1), the maximum amount of support under regulation 72(1)(a) in respect of the academic years to and from which he or she transfers is the amount of support available in connection with the course with the highest actual fees as defined in regulation 72.

Conversion of status — eligible students transferring to designated distance learning courses

80.—(1) Where an eligible student ceases to undertake a designated course and transfers to a designated distance learning course at the same or at another institution, the Welsh Ministers must convert his or her status as an eligible student to that of an eligible distance learning student in connection with the course to which he or she is transferring where—

- (a) they receive a request from the eligible student to do so; and
- (b) the period of eligibility has not terminated.

(2) The following applies to a student who transfers under paragraph (1)—

- (a) where the Welsh Ministers have determined to pay an amount of grant for disabled students' living costs to the student under Part 5 in periodic instalments, no payment in respect of that amount of grant must be made in respect of any instalment period beginning after the date on which the student becomes an eligible distance learning student;
- (b) the maximum amount of grant for disabled distance learning students' living costs to which the student would, apart from this regulation, be entitled in connection with his or her undertaking a designated distance learning course in respect of that academic year is reduced by one third where the student became an eligible distance learning student in the second quarter of the academic year and by two thirds where he or she became such a student in a later quarter of that year;
- (c) where an amount of grant for disabled students' living costs for any purpose has been paid to the student under Part 5 in a single instalment, the maximum amount of grant for disabled distance learning students' living costs payable to him or her for that purpose is reduced (or where sub-paragraph (b) applies, further reduced) by the amount of grant paid to him or her for that purpose pursuant to Part 5, and where the resulting amount is nil or a negative amount that amount is nil; and
- (d) where immediately before he or she became an eligible distance learning student he or she was eligible to apply, but had not applied for a loan for living costs in respect of that year, or had not applied for the maximum amount or increased maximum to which he or she was entitled, he or she may apply for such a loan or such additional amount as if he or she had continued to be an eligible student and in the circumstances mentioned in paragraph (3) the maximum amount or increased maximum amount of such loan for the academic year is reduced in accordance with that paragraph.

(3) Where the request under paragraph (1) is made during the first quarter of the academic year in respect of which the loan is payable the maximum amount or increased maximum amount of loan (as the case may be) is reduced by two thirds and where the request is made during the second quarter of that year that amount is reduced by one third.

Conversion of status — eligible distance learning students transferring to designated courses

81.—(1) Where an eligible distance learning student ceases to undertake a designated distance learning course and transfers to a designated course at the same or at another institution, the Welsh Ministers must convert his or her status as an eligible distance learning student to that of an eligible student in connection with the course to which he or she is transferring where—

- (a) they receive a request from the eligible distance learning student to do so; and
 - (b) the period of eligibility has not terminated.
- (2) The following applies to a student who transfers under paragraph (1)—
- (a) where the Welsh Ministers have determined to pay an amount of grant for disabled distance learning students' living costs to the student in periodic instalments no payment in respect of that amount of grant must be made in respect of any instalment period beginning after the date on which the student became an eligible student;
 - (b) any support to which the student is entitled under this Part in respect of the academic year in which the student transfers is ignored in determining the amount of support to which he or she may be entitled in respect of that year under Parts 4 to 6;
 - (c) the maximum amount of any support under Part 5 or 6 to which the student would, apart from this regulation, be entitled in connection with a designated course in respect of the academic year is reduced by one third where the student became an eligible student during the second quarter of that academic year and by two thirds where he or she became such a student in a later quarter of that year; and
 - (d) where an amount of grant for disabled distance learning students' living costs for any purpose has been paid to the student in a single instalment, the maximum amount of grant for disabled students' living costs payable to him or her under Part 5 for that purpose is reduced (or, where sub-paragraph (c) applies, further reduced) by the amount of grant for disabled distance learning students' living costs paid to him or her for that purpose and where the resulting amount is nil or a negative amount that amount is nil.

Payment of grants for fees

82.—(1) Subject to paragraphs (2) and (3), the Welsh Ministers must pay the grant in respect of fees for which the student qualifies to the appropriate academic authority after a valid request for payment has been received.

(2) The Welsh Ministers may make payments under paragraph (1) at such times and in such instalments as they see fit.

(3) The Welsh Ministers may make provisional payments under paragraph (1) in such cases as they deem appropriate.

Payment of grants for books, travel and other expenditure and grants for disabled distance learning students' living costs

83.—(1) Payments of the grant for books, travel and other expenditure and the grant for disabled distance learning students' living costs may be made in such manner as the Welsh Ministers consider appropriate and they may make it a condition of entitlement to payment that the eligible distance learning student must provide them with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(2) Where the Welsh Ministers cannot make a final assessment on the basis of the information provided by the student, they may make a provisional assessment and payment of the grant for books, travel and other expenditure and the grant for disabled distance learning students' living costs.

(3) The Welsh Ministers may pay the grant for books, travel and other expenditure and the grant for disabled distance learning students' living costs in instalments.

(4) Subject to paragraph (5), the Welsh Ministers may pay the grant for books, travel and other expenditure and the grant for disabled distance learning students' living costs at such times as they consider appropriate.

(5) The Welsh Ministers must not pay the first instalment or, where it has been determined not to pay support in instalments, make any payment of the grant for books, travel and other expenditure or the grant for disabled distance learning students' living costs before they have received a declaration under regulation 77 unless an exception applies.

(6) An exception applies if—

- (a) a grant for disabled distance learning students' living costs is payable in which case that particular grant may be paid before the Welsh Ministers have received a declaration;
- (b) the Welsh Ministers have determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving a declaration.

Overpayments

84.—(1) Any overpayment of a grant in respect of fees is recoverable by the Welsh Ministers from the academic authority.

(2) An eligible distance learning student must, if so required by the Welsh Ministers, repay any amount paid to him or her under this Part which for whatever reason exceeds the amount of grant to which he or she is entitled under this Part.

(3) The Welsh Ministers must recover an overpayment of grant for books, travel and other expenditure and grant for disabled distance learning students' living costs unless they consider that it is not appropriate to do so.

(4) The methods of recovery are—

- (a) subtracting the overpayment from any kind of grant payable to the student from time to time pursuant to regulations made by the Welsh Ministers under section 22 of the Act;
- (b) taking such other action for the recovery of an overpayment as is available to the Welsh Ministers.

(5) A payment of the grant for disabled distance learning students' living costs made before the relevant date is an overpayment if the student withdraws from the course before the relevant date unless the Welsh Ministers decide otherwise.

(6) In this regulation, the “relevant date” (“*dyddiad perthnasol*”) is the date on which the first term of the academic year in question actually begins.

(7) In the circumstances set out in paragraph (8) or (9), there is an overpayment of the grant for disabled distance learning students' living costs unless the Welsh Ministers decide otherwise.

(8) The circumstances are—

- (a) the Welsh Ministers apply all or part of the grant for disabled distance learning students' living costs to the purchase of specialist equipment on behalf of the eligible distance learning student;
- (b) the student’s period of eligibility terminates after the relevant date; and
- (c) the equipment has not been delivered to the student before the period of eligibility terminated.

(9) The circumstances are—

- (a) the eligible distance learning student’s period of eligibility terminates after the relevant date; and
- (b) a payment of the grant for disabled part-time students' living costs in respect of specialist equipment is made to the student after the period of eligibility terminated.

(10) Where there is an overpayment of the grant for disabled distance learning students' living costs, the Welsh Ministers may accept the return of specialist equipment purchased with the grant by way of recovery of all or part of the overpayment if they consider it is appropriate to do so.
