

SCHEDULE 3

Notifications

Notifications under regulation 26 (further information)

15. The matters referred to in regulation 26(3) are—

- (a) the date by which the further information must be provided (being the date on which the relevant period for the purposes of regulation 26(4) ends);
- (b) the effect of regulation 26(5) (suspension);
- (c) the effect of regulation 50 (duration of suspension);
- (d) the effect of regulation 51 (prohibition);
- (e) the effect of regulation 28 (further information and evidence: pre-consultation checks);
- (f) the effect of regulation 26(6) (notification does not preclude requirement to submit further information or evidence);
- (g) the duty imposed on the applicant, appellant or, as the case may be, the operator, by regulation 46 (publicity);
- (h) the right to challenge the notification and the time period for doing so.
