Who should complete this questionnaire?

The householder is responsible for ensuring that this questionnaire is completed and returned.

The householder is the person who lives, or is present, at this address who:

- · owns/rents (or jointly owns/rents) the accommodation; and/or
- is responsible (or jointly responsible) for paying the household bills and expenses

A household is:

- one person living alone; or
- a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area

What should you complete on this questionnaire?

- Household questions on pages 3-6 about this household and its accommodation
- Individual questions on pages 7-30 for every person who usually lives in this household.
 Every person who has been, or intends to be, in the UK for <u>3 months or more</u> should be included in these questions at their usual UK address.
- Visitor questions on the back page (page 32) for all other people staying overnight in this household on 27 March 2011

It is important to include visitors staying overnight in this household to make sure no-one is missed. Visitors who usually live elsewhere in the UK must also be included on a census questionnaire at their usual address.

You will find further information about who to include in this questionnaire on page 31.

Will you need extra questionnaires?

- If there are more than six people in this household, or there are more than three visitors staying overnight, you can choose either to complete the entire questionnaire online, or fill in this questionnaire and contact us to request one or more Continuation Questionnaires
- If any member of this household aged 16 or over does not want to disclose their information to others in the household, you can request an Individual Questionnaire. Remember to include these people in Household questions (H1 to H14) on this questionnaire, but leave blank their Individual questions (1-43)
- If there is more than one household at this address, contact us to request one or more additional Household Questionnaires

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations set out the detailed arrangements necessary for the conduct in Wales of the census directed to be taken on the 27 March 2011 by the Census (England and Wales) Order 2009 ("the Census Order"). It also revokes the provisions of the Census Regulations 2000 (S.I.2000/1473) and the Census (Amendment) Regulations 2000 (S.I. 2000/3351) so far as they apply in relation Wales.

Regulation 4 provides for the division of Wales into census areas, co-ordinator areas and enumeration districts. It also provides for the appointment of persons to carry out the duties assigned to them under these Regulations.

Regulation 5 provides that a person required by the Census Order to make a return at the census will discharge their responsibility when the relevant questionnaire (available in English and Welsh), specified in Schedule 1 and which are set out in full in Schedules 2 to 4 to these Regulations, has been received by the UK Statistics Authority ("the Authority"). Regulations 6 to 12 provide detailed arrangements for the delivery, completion and return of the questionnaires.

Regulation 13 provides for follow-up action to be taken in the event that a questionnaire sent or delivered in accordance with these Regulations is not returned or is returned incomplete.

Regulations 14 and 15 make provision requiring information to be given to a prescribed person or a census officer. They also make provision to prevent the unauthorised use, publication and communication of information obtained for the purpose of the census and to ensure the safe custody of forms and documents.

Regulation 16 provides for the giving of either a statutory declaration or an undertaking concerning the confidentiality of information obtained as a result of the census by persons who will have access to that information.

A full regulatory impact assessment of the effect that this instrument will have on the costs of business, local government and the voluntary sector is annexed to the explanatory memorandum.
