The Tuberculosis (Wales) Order 2010

PART 2

Testing and Movement

Isolation and prohibition on movement of animals

16. An inspector may, for the purpose of controlling or preventing the spread of tuberculosis, by notice served on the keeper of bovine animals kept on such premises as are specified in the notice—

- (a) require such bovine animals as are specified in the notice to be isolated from other animals to the extent specified in the notice; and
- (b) prohibit the movement of bovine animals, or of such bovine animals as are specified in the notice, on to or off such premises, except under the authority of a licence issued by an inspector.
