“Cost of relevant calls

1B.—(1) The contractor must not enter into, renew or extend a contract or other arrangement for telephone services unless it is satisfied that, having regard to the arrangement as a whole, persons will not pay more to make relevant calls to the practice than they would to make equivalent calls to a geographical number.

(2) Where a contractor is party to an existing contract or other arrangement for telephone services under which persons making relevant calls to the practice call a number which is not a geographical number, the contractor must comply with sub-paragraph (3).

(3) The contractor must—

- (a) before 1 April 2011, review the arrangement and consider whether, having regard to the arrangement as a whole, persons pay more to make relevant calls than they would to make equivalent calls to a geographical number; and
- (b) if the contractor so considers, take all reasonable steps, including in particular considering the matters specified in sub-paragraph (4), to ensure that, having regard to the arrangement as a whole, persons will not pay more to make relevant calls than they would to make equivalent calls to a geographical number.

(4) The matters referred to in sub-paragraph (3)(b) are—

- (a) varying the terms of the contract or arrangement;
- (b) renegotiating the terms of the contract or arrangement; and

(3) 2005 dsa 10.
