2011 No. 551

**The Recycling, Preparation for Re-use and
Composting Targets (Definitions) (Wales) Order 2011**

Preparation for Re-use

4.—(1) Local authority municipal waste is prepared for re-use for the purpose of the targets when—

- (a) a waste product or component of a waste product has undergone a checking, cleaning or repairing recovery operation; and
- (b) the waste product or component of a waste product can be re-used for its original purpose.
