Regulation 4 sets out the consumer information requirements and the traceability requirements.

Regulation 5 applies section 10 of the Food Safety Act 1990 (c.16) with modifications so that an authorised officer of an enforcement authority can serve an improvement notice on an operator who fails to comply with the consumer information requirements or traceability requirements. Regulation 6 applies section 37 of that Act with modifications so that an operator can appeal against service of an improvement notice to the magistrates’ court. Regulation 7 applies section 39 of the Act to enable the court to either cancel or affirm an improvement notice.

Regulation 8 requires operators to keep records of information specified in Article 58(4) of Council Regulation (EC) No 1224/2009 (as read with Article 67(4) of Commission Implementing Regulation (EU) No 404/2011) and creates an offence for failure to comply with that requirement. Regulation 9 creates an offence for failure to produce those records on demand in breach of that Article.
