The Federation of Maintained  
Schools (Wales) Regulations 2014

PART 11

INFORMATION AND FUNDING

**Information for the governing body of a federation**

76.—(1) Immediately before the federation date, the governing body of a school which is to become a federated school must prepare, for the purpose of assisting the governing body of the federation, a written report on the action which it has taken in the discharge of its functions relating to the school.

(2) All minutes and papers of a governing body of a school which is to become a federated school on the federation date, including the report prepared under paragraph (1), is to be made available to the governing body of the federation.
