Calculation of eligible student's partner's residual income

4.—(1) For the purposes of determining the taxable income of an eligible student's partner ("A" in this paragraph), any deductions which fall to be made or exemptions which are permitted—

- (a) by way of personal reliefs provided for in Chapter 1 of Part VII of the Income and Corporation Taxes Act 1988, or where the income is computed for the purposes of the income tax legislation of [^{F126}an EEA State] or Switzerland, the gross amount of any such premium in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts;
- (b) pursuant to any enactment or rule of law under which payments which would otherwise under United Kingdom law form part of a person's income are not treated as such; or
- (c) under sub-paragraph (2),

are not to be made or permitted.

(2) For the purpose of determining the residual income of A, there is to be deducted from the taxable income determined under sub-paragraph (1) the aggregate of any amounts falling within any of the following paragraphs—

- (a) the gross amount of any premium or other sum paid by the student in relation to a pension (not being a pension payable under a policy of life assurance) in respect of which relief is given under section 188 of the Finance Act 2004, or where the student's income is computed for the purpose of the income tax legislation of [^{F126}an EEA State] or Switzerland, the gross amount of any such premium or sum in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts;
- (b) in any case where income is computed in accordance with sub-paragraph (6), any sums equivalent to the deduction mentioned in paragraph (a) of this sub-paragraph, provided that any sums so deducted are not to exceed the deductions which would be made if the whole of the eligible student's partner's income were in fact income for the purposes of the Income Tax Acts; and
- (c) in the case where A holds a statutory award, £1,130.

(3) Where the Welsh Ministers are satisfied that A's income in the financial year beginning immediately before the relevant year ("the current financial year") is likely to be not more than 85 per cent of the sterling value of A's income in the preceding financial year the Welsh Ministers must, for the purpose of enabling the eligible student to attend the course without hardship, ascertain the household income for the current financial year.

(4) Where the Welsh Ministers are satisfied that A's income in any financial year is, as a result of any event, likely to be and to continue after that year to be not more than 85 per cent of the sterling value of A's income in the previous financial year the Welsh Ministers must, for the purpose of enabling the eligible student to attend the course without hardship, ascertain the household income for the academic year of the student's course in which that event occurred by taking as the residual income of A the average of A's residual income for each of the financial years in which that academic year falls.

(5) Where A satisfies the Welsh Ministers that A's income is wholly or mainly derived from the profits of a business or profession carried on by A, then any reference in this Part of the Schedule to a preceding financial year is to be read as a reference to the earliest period of twelve months which ends after the start of the preceding financial year and in respect of which accounts are kept relating to that business or profession.

(6) Where A is in receipt of any income which does not form part of A's income for the purposes of the Income Tax Acts or the income tax legislation of [^{F126}an EEA State] or Switzerland by reason only that—

- (a) A is not resident or domiciled in the United Kingdom, or where A's income is computed as for the purposes of the income tax legislation of [^{F126}an EEA State] or Switzerland, not so resident or domiciled in that EEA State or Switzerland;
- (b) the income does not arise in the United Kingdom, or where A's income is computed for the purposes of the income tax legislation of [^{F126}an EEA State] or Switzerland, does not arise in that EEA State or Switzerland; or
- (c) the income arises from an office, service or employment, income from which is exempt from tax in pursuance of any legislation,

A's taxable income for the purpose of this Schedule is to be computed as though the income under this sub-paragraph were part of A's income for the purpose of the Income Tax Acts or the income tax legislation of [^{F126}an EEA State] or Switzerland, as the case may be.

(7) Where A's income is computed as for the purposes of the income tax legislation of [^{F126}an EEA State] or Switzerland, it is to be computed under the provisions of this Schedule in the currency of that EEA State or Switzerland and A's income for the purposes of this Schedule is the sterling value of that income determined in accordance with the rate for the month in which the last day of the financial year in question falls, as published by the Office for National Statistics.

(8) Where the Welsh Ministers determine that the eligible student and the eligible student's partner were separated for the duration of the relevant year, the partner's income is not taken into account in determining the household income.

(9) Where the Welsh Ministers determine that the eligible student and the eligible student's partner separated in the course of the relevant year, the partner's income is determined by reference to the partner's income under sub-paragraph (1) divided by fifty-two and multiplied by the number of complete weeks in the relevant year for which the Welsh Ministers determine that the eligible student and the eligible student's partner were not separated.

(10) Where an eligible student has more than one partner in any one academic year, the provisions of this paragraph apply in relation to each.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations provide for support for one eligible student taking a designated higher education course at the European University Institute.

Grants for living and other costs, a disabled student's allowance and a grant for dependants are available for the eligible student.

These Regulations set out the eligibility criteria for the grants, the application procedure and the method for calculating the amount of grant payable. The Regulations also set out the arrangements for payment of the grants and recovery of any overpayments.

These Regulations revoke the Assembly Learning Grants (European University Institute) (Wales) Regulations 2009 and the Assembly Learning Grants (European University Institute) (Wales) (Amendment) Regulations 2010.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with these Regulations.
