

SCHEDULE 2

ADDITIONAL REQUIREMENTS FOR KILLING ANIMALS OTHER THAN IN SLAUGHTERHOUSES

PART 2

Layout, construction and equipment of premises

Facilities for horses

10. Where a knacker's yard is one in which horses are killed, the business operator must ensure that—

- (a) a separate room or bay is provided for the killing of horses; and
- (b) a lairage in which a horse is confined, must contain at least one loose box which is so constructed as to minimise the danger of any horse injuring itself or any other animal confined in that lairage.
