The Welsh Ministers, in exercise of the powers conferred upon them by section 17(2) and 17(3) of the Road Traffic Regulation Act 1984(1), and after consultation with such representative bodies as were thought fit in accordance with section 134(2) of that Act, hereby make the following Regulations—

**Title, commencement and interpretation**

1. These Regulations come into force on 21 April 2015 and their title is the M4 Motorway (West of Junction 23A (Magor) to East of Junction 29 (Castleton)) (Variable Speed Limits) Regulations 2015.

2. In these Regulations—

“the 1982 Regulations” (*“Rheoliadau 1982”*) means the Motorways Traffic (England and Wales) Regulations 1982(2);

“the 2002 Regulations” (*“Rheoliadau 2002”*) means the Traffic Signs Regulations 2002(3);

“carriageway” (*“cerbyttfordd”*), “hard shoulder” (*“llain galed”*) and “verge” (*“llain ymyl”*) have the same meanings as in the 1982 Regulations; and

“the M4” (*“yr M4”*) means the M4 London to South Wales Motorway.

**Application of variable speed limit**

3.—(1) No person shall drive a vehicle on a section of a road which is subject to a variable speed limit at a speed exceeding that indicated by a speed limit sign.

---

(1) 1984 c. 27. By virtue of S.I. 1999/672, article 2 and Schedule 1, and section 162 of, and paragraph 30 of Schedule 11 to, the Government of Wales Act 2006 (c. 32), these powers are now exercisable by the Welsh Ministers in relation to Wales.  
(2) S.I. 1982/1163, as amended by S.I. 1983/374, S.I. 1984/1479, S.I. 1992/1364 and S.I. 2004/3258.  
(3) Part 1 of S.I. 2002/3113, as amended by S.I. 2005/1670; there are other amending instruments but none is relevant.

(2) A section of road is subject to a variable speed limit in relation to a vehicle being driven on it if—

- (a) the road is specified in the Schedule;
- (b) the vehicle has passed a speed limit sign; and
- (c) the vehicle has not passed—
  - (i) another speed limit sign indicating a different speed limit; or
  - (ii) a traffic sign which indicates that the national speed limit is in force.

(3) In relation to a vehicle, the speed limit indicated by a speed limit sign is the speed shown at the time the vehicle passes the sign, or, if higher, the speed limit shown by the sign ten seconds before the vehicle passed the sign.

(4) For the purpose of this regulation a speed limit sign is to be taken as not indicating any speed limit if, ten seconds before the vehicle passed it, the sign had indicated no speed limit or that the national speed limit was in force.

(5) In this regulation—

“national speed limit” (*“terfyn cyflymder cenedlaethol”*) has the meaning given by regulation 5(2) of the 2002 Regulations and a traffic sign which indicates that the national speed limit is in force means a traffic sign of the type shown in diagram 671 in Schedule 2 to the 2002 Regulations which is—

- (a) placed on or near a road; and
- (b) directed at traffic on the carriageway on which the vehicle is being driven;

“road” (*“ffordd”*) includes the adjacent hard shoulder and verge; and

“speed limit sign” (*“arwydd terfyn cyflymder”*), in relation to a vehicle, means a traffic sign of the type shown in diagram 670 in Schedule 2 to the 2002 Regulations which is—

- (a) placed on or near any part of a road specified in the Schedule; and

## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

The power to make regulations with respect to the use of special roads under section 17(2) and (3) of the Road Traffic Regulation Act 1984 (except with respect to special roads generally) lies with the Welsh Ministers so far as they are exercisable in relation to Wales.

In exercise of the above power, the Welsh Ministers make these Regulations which make provision for variable speed limits on the roads specified in the Schedule.

Where variable speed limit signs are in operation a vehicle may not be driven at a speed above the maximum indicated by each speed limit sign passed by the vehicle until it passes a sign indicating that the national speed limit applies or the vehicle leaves the roads covered by the Regulations. Where a speed limit changes less than 10 seconds before a vehicle passes the sign and the sign had indicated a higher speed limit, the Regulations allow a driver to proceed at a speed up to the maximum applicable before the change. Where the speed limit sign indicates a speed limit when it is passed by a vehicle but less than 10 seconds previously it was either giving no indication of a speed limit or that the national speed limit applied, the sign is to be taken as giving no indication of a speed limit to the vehicle passing it.

It is an offence to use a special road in contravention of regulations made under section 17(2) of the Road Traffic Regulation Act 1984.

These Regulations revoke and replace the M4 Motorway (West of Junction 23A (Magor) to East of Junction 29 (Castleton)) (Variable Speed Limits) Regulations 2011 ([S.I. 2011 No. 94 \(W. 19\)](#)).

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with these Regulations.
