The Care and Support (Assessment) (Wales) Regulations 2015

Considerations to which the local authority must have regard

- 4.** In carrying out an assessment, a local authority must—
- (a) assess and have regard to the person's circumstances,
 - (b) have regard to the personal outcomes,
 - (c) assess and have regard to any barriers to achieving those outcomes,
 - (d) assess and have regard to any risks to the person or to other persons if those outcomes are not achieved, and
 - (e) assess and have regard to the person's strengths and capabilities.
