- 9.**—(1) This regulation applies in relation to the charges for non-residential care and support.

- (a) calculate the amount of the standard charge for the care and support received by, or offered to A;
  - (b) subject the amount calculated in accordance with this regulation to a determination of what it would be reasonably practicable for A to pay in accordance with regulation 11 (capital limit) and regulation 13 (minimum income amount where a person is provided with accommodation in a care home).
- (3) Where a local authority thinks it would impose a charge in relation to A where A is a short-term resident it must treat A as if A was receiving non-residential care and support and follow the procedure in regulation 8 and make a determination in accordance with regulations 11 and 12.
