(2) A transfer payment may only be made to—

- (a) a registered pension scheme that is not a connected scheme; or

(4) A member may only require the scheme manager to use a transfer payment in a way specified in section 95(2) of PSA 1993(3).

(5) A member may only require the scheme manager to make a club transfer value payment during the period of 12 months beginning with the day on which the member becomes eligible to be an active member of the scheme to which the payment is to be made.

(6) The whole of the transfer payment must be made in accordance with the provisions of this regulation.

(7) If section 96(2) of PSA 1993 (trustees or managers of certain receiving schemes or arrangements able and willing to accept a transfer payment only in respect of the member's other rights) applies(4), benefits attributable to the following may be excluded from the transfer payment—

- (a) the member's accrued rights to a guaranteed minimum pension; and
- (b) the member's accrued rights attributable to service in contracted-out employment, within the meaning of Part 3 of PSA 1993, on or after 6 April 1997.

Application for a statement of entitlement

143.—(1) This regulation applies in relation to an active or deferred member of this scheme (P) who requires a transfer payment to be made in respect of P's accrued rights to benefits under this scheme.

(2) Before requesting a transfer payment, P must apply for a statement of entitlement by written notice to the scheme manager.

(2) Section 169(2) was amended by the Finance Act 2013 (c. 29), section 53(3).

(3) Section 95(2) was amended by S.I. 2001/3649.

(4) Section 96(2) was amended by the Pensions Act 2007 (c. 22), Schedule 7, paragraph 1; the Welfare Reform and Pensions Act 1999 (c. 30), Schedule 13, paragraph 1; the Pensions Act 1995 (c. 26), Schedule 5, paragraph 63(a) and S.I. 2011/1730.

(3) P may withdraw the application by written notice to the scheme manager at any time before the statement is provided.

(4) P may make a second application in the period of 12 months beginning with the date of the first application.

Statement of entitlement

144.—(1) The scheme manager must specify in the statement of entitlement the date by reference to which the cash equivalent or club transfer value is calculated (“the guarantee date”).

(2) Unless paragraph (4) applies, the guarantee date must fall within both the following periods—

- (a) the three months beginning with the date of the member’s application for the statement of entitlement (“the three month period”); and
- (b) the 10 days ending with the date on which the member is provided with that statement (“the 10 day period”).

(3) In counting the 10 day period, Saturdays, Sundays, Christmas Day, New Year’s Day and Good Friday are excluded.

(4) The scheme manager may specify in the statement of entitlement a guarantee date that falls within the six months beginning with the date of the member’s application for the statement of entitlement if—

- (a) for reasons beyond the control of the scheme manager, the information needed to calculate the amount of the cash equivalent or club transfer value cannot be obtained before the end of the three month period; and
- (b) the scheme manager considers it reasonable to specify a guarantee date that falls outside the three month period.

Request for transfer payment to be made

145.—(1) An active or a deferred member of this scheme who is provided with a statement of entitlement may request a transfer payment to be made in respect of the member’s accrued rights to benefits under this scheme.

(2) The request for transfer payment must be made by written notice to the scheme manager and specify the pension scheme or other pension arrangement to which the transfer payment is to be made.

(3) A deferred member must exercise the right to apply for the payment of a club transfer value on or before the earlier of the day before the deferred member attains the deferred pension age and the end of the period of 12 months beginning with the date on which the deferred member ceased to be an active member of the scheme.

(4) A deferred member must exercise the right to apply for the payment of a transfer value on or before the day before the deferred member attains the deferred pension age.

(5) Subject to paragraph (6), the member by written notice to the scheme manager may withdraw the request at any time before the transfer payment is made.

(6) The member may not withdraw the request if an agreement for the use of the whole or part of the transfer payment has already been entered into with a third party.

Calculating the amount of a transfer value or club transfer value

146.—(1) Subject to paragraphs (2) and (3), the amount of the transfer value is to be calculated in accordance with actuarial guidance as at the guarantee date.

(2) If a transfer value is paid later than six months after the guarantee date, the amount of the guaranteed cash equivalent must be increased in accordance with regulations made under section 97 (calculation of cash equivalents) of PSA 1993⁽⁵⁾.

(3) If a club transfer value is paid later than six months after the guarantee date, the amount of the club transfer value as specified in the statement of entitlement must be increased if necessary so that it is equal to the amount it would have been if the guarantee date had been the date on which the payment is made.

(4) If the transfer value or club transfer value is less than the minimum transfer value, the amount of the transfer value or club transfer value must be increased so that it is equal to the amount of the minimum transfer value.

(5) In this regulation—

“the minimum transfer value” (“*y lleiafswm gwerth trosglwyddo*”) means the total of—

- (a) the sum of all member contributions and added pension payments made by the member; and

Requirement for scheme manager to provide a certificate

155.—(1) A scheme manager must provide an active member who has ceased to be employed by one employer in scheme employment and has taken up scheme employment with another authority with a certificate stating—

- (a) the entries in the pension account, or pension accounts if more than one, at the date of the certificate;
- (b) the period of pensionable service in the scheme employment, or employments, with the employer; and
- (c) the date on which the certificate is given.

(2) Where a deferred member has taken up scheme employment with another authority after a gap in pensionable service not exceeding five years, the member must request the scheme manager in relation to the earlier period of pensionable service to provide the member with a certificate stating—

- (a) the entries in the pension account, or pension accounts if more than one, at the date of the certificate;
- (b) the period of pensionable service in the scheme employment, or employments, with that employer;

- (a) the entries in the added pension account at the date of the certificate;
- (b) the date on which the certificate is given; and
- (c) details of the member's added pension election where the contributions period has not ended.

(4) Where a scheme manager is required to provide a certificate under paragraph (2), or where a deferred member intends to make an added pension election having taken up scheme employment after a gap in pensionable service exceeding five years, and the scheme manager in relation to a previous period of pensionable service had established an added pension account, the scheme manager must provide the member with a certificate, where the member requests one, stating—

- (a) the entries in the pension account at the date of the certificate;
- (b) the date on which the member had ceased to be employed in scheme employment by that employer; and
- (c) the date on which the certificate is given.

(5) Where an active member has two or more active member's accounts with two or more different scheme managers, and the member intends to make, or has made, an added pension election, the member may request a certificate from the scheme manager who established the added pension account in order that that certificate may be provided to another scheme manager (B) in respect of a different active member's account so that the entries may be transferred to an added pension account established by B.

(6) The scheme manager must provide a certificate under this regulation—

- (a) within three months after the date on which the active member leaves scheme employment; or
- (b) within three months after the date on which the deferred member notifies the scheme manager of the new scheme employment.

Request to confirm details on certificate

156. Where a member has been provided with a certificate under regulation 155 (requirement for scheme manager to provide a certificate) and is dissatisfied with the information stated on the certificate, the member may, within the period of three months commencing on the date on which the certificate was received, request the scheme manager who provided the certificate to confirm the accuracy of the information contained in it or to provide an amended certificate.

(3) The scheme manager who gave the certificate must confirm to the new employer that the member has provided certificates in respect of all pension accounts for which that employer was the scheme manager.

(4) After the confirmation has been provided by the scheme manager, the new scheme employer must transfer the appropriate entries from the certificate to the new active member's pension account which has been established under regulation 40 (establishment of active member's account) and, where the member had an added pension account, transfer the appropriate entries from the certificate provided in respect of that account to the new added pension account established under regulation 47 (establishment of added pension account).

(5) When the transfer of entries has been completed under paragraph (4), the new scheme manager must inform the former scheme manager that the transfer has taken place and the former scheme manager must close all pension accounts relating to the certificates provided in respect of the member.

(6) If the number of pension accounts in respect of which details have been provided by the former scheme manager under paragraph (1) or (2) of regulation 155 (requirement for scheme manager to provide a certificate) is greater than the number of active member's accounts established by the new scheme manager, the member must decide, following consultation with the new scheme manager, from which pension account entries must be transferred to the new active member's account or accounts and notify the former scheme manager.

(7) Where paragraph (6) applies and there are one or more pension accounts from which entries are not transferred, those accounts must be closed and the former scheme manager must establish a deferred member's account in respect of each of those accounts.

(8) Where a member has taken up scheme employment with two or more employers and intends to make an added pension election, the member may choose to which scheme manager the certificate provided under paragraph (3) or (4) of regulation 155 (requirement for scheme manager to provide a certificate) is to be given.

(9) The scheme manager is not required to make any payment to the new scheme manager in connection with the transfer of a pension account.
