(2) Any person who suffers loss by the extinguishment of any public or private right of way under this article is entitled to compensation to be determined, in the case of dispute, under Part 1 of the 1961 Act.

PART 3

LAND PROVISIONS

Temporary possession of land

4.—(1) Network Rail may, in connection with the carrying out of the authorised works, enter upon and take temporary possession of the land specified in columns (1) and (2) of the Schedule (land of which temporary possession may be taken) for the purposes specified in relation to that land in column (3) of that Schedule relating to the authorised works.

(2) Not less than 14 days before entering upon and taking temporary possession of land under this article Network Rail must serve notice of the intended entry on the owners and occupiers of the land.

(1) 1981 c. 67. The definition of “owner” was amended by paragraph 9 of Schedule 15 to the Planning and Compensation Act 1991 (c. 34). There are other amendments to section 7 which are not relevant to this Order.

(2) 1845 c. 20.

(3) 1847 c. 109.

(4) 1895 c. 118.

(3) Network Rail may not, without the agreement of the owners of the land, remain in possession of any land under this article after the end of the period of one year beginning with the date of completion of the authorised works.

(4) Before giving up possession of land of which temporary possession has been taken under this article, Network Rail must remove all temporary works and restore the land to the reasonable satisfaction of the owners of land, but Network Rail is not required to replace a building removed in connection with the carrying out of the authorised works.

(5) Network Rail must pay compensation to the owners and occupiers of land of which temporary possession is taken under this article for any loss or damage arising from the exercise in relation to the land of the powers conferred by this article.

(6) Any dispute as to a person's entitlement to compensation under paragraph (5), or as to the amount of compensation, is to be determined under Part 1 of the 1961 Act.

(7) Without affecting article 10 (no double recovery), nothing in this article affects any liability to pay compensation under section 10(2)(1) (further provision as to compensation for injurious affection) of the 1965 Act or under any other enactment in respect of loss or damage arising from the execution of any works, other than loss or damage for which compensation is payable under paragraph (5).

(8) Where Network Rail takes possession of land under this article, Network Rail is not required to acquire the land or any interest in it.

Application of Part 1 of the 1965 Act

5. Sections 1 (application of Part 1 and interpretation), 3 (acquisition by agreement in pursuance of compulsory purchase order) and 13 (refusal to give possession to acquiring authority) of the 1965 Act, in so far as not inconsistent with the provisions of this Order, apply to the temporary use of land under this Order to the same extent as they apply to a compulsory purchase to which the 1981 Act applies and as if this Order were a compulsory purchase order under that Act.

Suspension of private rights of way

6.—(1) Subject to paragraph (3), all private rights of way over land of which Network Rail takes temporary possession under this Order are suspended and unenforceable for as long as Network Rail remains in lawful possession of the land.

(2) Any person who suffers loss by the suspension of any private right of way under this article is entitled to compensation to be determined, in the case of dispute, under Part 1 of the 1961 Act.

(3) Paragraph (1) has effect subject to—

- (a) any notice given by Network Rail before Network Rail takes temporary possession of the land that paragraph (1) does not apply to any right of way specified in the notice; and
- (b) any agreement which makes reference to this article (whether made before or after Network Rail takes temporary possession of the land and before or after the coming into force of this Order) between Network Rail and the person in or to whom the right of way in question is vested or belongs.

(4) If any such agreement as is mentioned in paragraph (3)(b) is expressed to have effect also for the benefit of those deriving title from or under the person in or to whom the right of way in question is vested or belongs, it is effective in respect of the persons so deriving title, whether the title was derived before or after the making of the agreement.

(1) Section 10 was amended by section 4 of, and paragraph 13(2) of Schedule 2 to, the Planning (Consequential Provisions) Act 1990 (c. 11) and S.I. 2009/1307.

Time limit for exercise of powers of temporary possession

7.—(1) The powers conferred by article 4 (temporary possession of land) cease after the end of the period of 5 years beginning with the day on which this order comes into force, except that nothing in this article prevents Network Rail remaining in possession of land after the end of that period, if the land was entered and possession of it was taken before the end of that period.

PART 4

MISCELLANEOUS AND GENERAL

Certification of plans etc.

8. Network Rail must, as soon as practicable after the making of this Order, submit copies of the book of reference and the land plan to the Welsh Ministers for certification that they are, respectively, true copies of the book of reference and land plan referred to in this Order; and a document so certified is admissible in any proceedings as evidence of the contents of the document of which it is a copy.

- (a) by post; or
- (b) with the consent of the recipient and subject to paragraphs (6) to (8), by electronic transmission.

(2) Where the person on whom a notice or other document to be served for the purposes of this Order is a body corporate, the notice or document is duly served if it is served on the secretary or clerk of that body.

(3) For the purposes of section 7 (references to service by post) of the Interpretation Act 1978⁽¹⁾ as it applies for the purposes of this article, the proper address of any person in relation to the service on that person of a notice or document under paragraph (1) is, if that person has given an address for service, that address, and otherwise—

- (a) in the case of the secretary or clerk of a body corporate, the registered or principal office of that body; and
- (b) in any other case, the last known address of that person at the time of service.

(4) Where for the purposes of this Order a notice or other document is required or authorised to be served on a person as having any interest in, or as the occupier of, land and the name or address of that person cannot be ascertained after reasonable enquiry, the notice may be served by—

- (a) addressing it to that person by name or by the description of “owner”, or as the case may be “occupier”, of the land (describing it); and
- (b) either leaving it in the hands of a person who is or appears to be resident or employed on the land or leaving it conspicuously affixed to some building or object on or near the land.

(5) Where a notice or other document required to be served or sent for the purposes of this Order is served or sent by electronic transmission the requirement is taken to be fulfilled where the recipient of the notice or other document to be transmitted has given consent to the use of electronic transmission either in writing or by electronic transmission.

(1) 1978 c. 30.

(6) Where the recipient of a notice or other document served or sent by electronic transmission notifies the sender within 7 days of receipt that the recipient requires a paper copy of all or any part of that notice or other document the sender must provide such a copy as soon as reasonably practicable.

(7) Any consent to the use of electronic transmission given by a person may be revoked by that person in accordance with paragraph (8).

(8) Where a person is no longer willing to accept the use of electronic transmission for any of the purposes of this Order—

- (a) that person must give notice in writing or by electronic transmission revoking any consent given by that person for that purpose; and
- (b) such revocation is final and takes effect on a date specified by the person in the notice but that date must not be less than 7 days after the date on which the notice is given.

(9) This article does not exclude the employment of any method of service not expressly provided for by it.

No double recovery

10. Compensation is not payable in respect of the same matter both under this Order and under any other enactment, any contract or any rule of law.

Arbitration

11. Any difference under any provision of this Order, unless otherwise provided for, must be referred to and settled by a single arbitrator to be agreed between the parties or, failing agreement, to be appointed on the application of either party (after giving notice in writing to the other) by the President of the Institution of Civil Engineers.
