- (c) revoke the authority of the appointed person to exercise a particular function in relation to an application or proposal.

(4) A notice under paragraph (3) will not affect the validity of anything done by the appointed person before the notice is given.

PART 2

Applications and proposals to amend the Registers

Making an application

5.—(1) An application must—

- (a) be made in writing on a form provided by the Welsh Ministers for an application of that type;
- (b) include the information specified in the form; and
- (c) be signed by, or by a representative of, every applicant who is an individual, and by the secretary or some other duly authorised officer of every applicant which is a body corporate or an unincorporated association.

(2) Schedule 1 contains provisions which apply in relation to the specific types of applications listed as to—

- (a) the circumstances in which an application is permitted to be made; and
 - (b) the matters which must be included in or which, subject to paragraph (3), must accompany the application.
- (3) An applicant is not required to include with an application a copy of any document specified in Schedule 1 if—
- (a) the registration authority issued the document, or was a party to the document; or
 - (b) the document has been deposited with the registration authority in accordance with any enactment.

Application Fees

6.—(1) An application must be accompanied by such fee (if any) specified for an application of that type by the registration authority to which it is submitted.

(2) The fee specified by a registration authority as payable in relation to an application must be published on its website.

(3) Where a fee first specified by a registration authority under this regulation is subsequently revised by that authority, and in the case of any further revision, such revised fee must be published on the authority's website not less than 14 days before such fee is to take effect.

(4) No fee may be specified for an application made under, and for the purposes of, a provision listed in Schedule 2 to these Regulations.

(5) Where regulation 15 requires an appointed person to determine an application, the applicant must send to the appointed person the further fee (if any) specified for an application of that type by the appointed person.

(6) A fee may be payable at such times and in such instalments as the registration authority and the appointed person may specify.

(7) Any fee charged by the registration authority or the appointed person must be reasonable for the work performed or to be performed.

(8) Neither a registration authority nor an appointed person need take any steps to deal with an application until the applicant has paid to it the specified fee.

Making a proposal

7.—(1) Before taking any other steps under this Part in relation to a proposal, a registration authority must prepare a statement in writing describing the proposal and explaining the justification for it.

(2) A registration authority may not proceed with a proposal under Schedule 2 to the 2006 Act unless it has complied with paragraph (1), and paragraphs (2) to (5) of regulation 11, on or before 4 May 2032.

Land descriptions

8.—(1) This regulation applies in relation to any requirement to describe land for the purposes of an application or proposal, except where another provision of these Regulations specifies the manner in which land is to be described in a particular case.

(2) The land must be described, except where paragraph (3) applies, by an Ordnance Map accompanying the application or proposal and referred to in it.

(3) Where the land is registered land, and the application relates to the whole of the land in a register unit, the land must be described by a reference to the number of that register unit.

(4) Where part of the land is registered land, that part of the land must be described by a reference to the number of any register unit which includes that part.

(5) In paragraphs (3) and (4) the references to “registered land” include land provisionally registered under the 1965 Act, but which registration was not subsequently confirmed, in which case the requirement under those paragraphs is to be met by describing such land by reference to the number under which it was provisionally registered.

(6) Any Ordnance Map accompanying an application or proposal must show the land to be described by means of distinctive colouring within an accurately identified boundary and must be on a scale of not less than 1:2,500 if available, and in any event not less than 1:10,000.

Management of application

9.—(1) As soon as practicable after receiving an application and (if any) the specified fee, the registration authority must send an acknowledgement of receipt to the applicant, which must include —

- (a) the reference number allocated to the application; and
- (b) a postal address and an email address to which written communications to the registration authority may be sent.

(2) The registration authority may direct the applicant to provide any further information or documents necessary to enable the application to be determined.

(3) The registration authority may specify a time for complying with any direction given under this regulation.

(4) If the applicant fails to comply with any direction given under this regulation or, where applicable, fails to comply within the time specified, the registration authority may treat the application as abandoned.

Registration authority’s duty to publicise application

10.—(1) As soon as reasonably practicable after receiving an application complying with regulations 5 (making an application) and 6 (application fees), the registration authority must—

- (a) publish a notice of the application on its website;
- (b) serve a notice of the application by email on anyone who has previously asked to be informed of all applications, and who has given the registration authority an email address for that purpose; and
- (c) subject to paragraphs (2) and (3), serve a notice of the application on each of the persons specified in Schedule 3 in relation to an application of that kind.

(2) In relation to any application, the registration authority may decide that paragraph 1(c) of Schedule 3 does not apply in respect of the requirement to serve a notice on the persons registered as owners of rights of common in gross, if it considers that those persons are so numerous that it would not be reasonably practicable to serve notice of the application on all of them.

(3) A requirement pursuant to paragraph 2 of Schedule 3 to serve a notice on an owner of land does not apply if it is not reasonably practicable to identify that person.

(4) The requirements in paragraph (5) apply in relation to—

- (a) an application under section 19 of the 2006 Act, for the removal of registered land from, or for the addition of land to, a register; or
- (b) an application under Schedule 2 to the 2006 Act.

(5) As soon as reasonably practicable after receiving such an application, the registration authority must—

- (a) post a notice of the application for not less than 42 days at or near at least one obvious place of entry to (or, if there are no such places, at or near at least one conspicuous place on the boundary of) the land to which the application relates;
- (b) serve a notice of the application on every other local authority for that area; and
- (c) serve a notice of the application on any commons council established for land which includes the land to which the application relates.

(6) Where a notice posted under paragraph (5)(a) is, without any fault or intention of the registration authority, removed, obscured or defaced before the period of 42 days referred to in that paragraph has elapsed, the authority is to be treated as having complied with the requirements of that paragraph.

Registration authority's duty to publicise proposal

11.—(1) A registration authority which has prepared a statement of a proposal in accordance with regulation 7(1) must, before taking any further steps in relation to the proposal, comply with paragraphs (2) to (5).

(2) The registration authority must publish a notice of the proposal on its website.

(3) If the proposal is to register or deregister any land as common land or as a town or village green, the registration authority must post a notice of the proposal for not less than 42 days at or near at least one obvious place of entry to (or, if there are no such places, at or near at least one conspicuous place on the boundary of) the land to which the proposal relates.

(4) The registration authority must serve a notice of the proposal on the following persons—

- (a) subject to paragraph (7), the owner of any land comprising the whole or any part of the register unit to which the proposal relates;
- (b) any person who has made a declaration, duly recorded in the register, of entitlement to a right of common over any land comprising the whole or any part of the register unit to which the proposal relates;
- (c) any commons council established for land which includes the land to which the proposal relates;
- (d) subject to paragraph (8), any owner of a right of common in gross which is exercisable over any land comprising the whole or any part of the register unit to which the proposal relates; and
- (e) every other local authority for that area.

(5) The registration authority must also serve a notice of the proposal by email on any other person who has previously asked to be informed of all proposals, and who has given the registration authority an email address for that purpose.

(6) Where a notice posted under paragraph (3) is, without any fault or intention of the registration authority, removed, obscured or defaced before the period of 42 days referred to in that paragraph has elapsed, the authority is to be treated as having complied with the requirements of that paragraph.

(7) The requirement in paragraph (4)(a) does not apply if it is not reasonably practicable to identify that person.

(8) The registration authority may, in relation to any proposal, decide that paragraph (4)(d) is not to apply, if it considers that the persons registered as owners of rights of common in gross are so numerous that it would not be reasonably practicable for it to serve notice of the proposal on all of them.

Contents of notice of application or proposal

12.—(1) A notice of application or proposal which is required to be published, posted or served under regulation 10 (registration authority’s duty to publicise application) or 11 (registration authority’s duty to publicise proposal) must contain the following details—

- (a) a reference to “the Commons Act 2006”, and the provision of that Act under (or pursuant to which) the application or proposal is made;

- (c) the name of the registration authority;
- (d) the name and location of the land to which the application or proposal relates;
- (e) a summary of the effect of the application (if granted) or proposal (if a decision is made to give effect to it);
- (f) both a postal address and an email address for the registration authority to which any representations concerning the application or proposal may be sent;
- (g) a statement that any representations will not be treated as confidential, but will be dealt with in accordance with regulation 14, and that where the application or proposal is referred to an appointed person for determination in accordance with regulation 15, any representations will be sent to the appointed person;
- (h) the date on which the period for making representations expires, which must not be less than 42 days after the date of the publishing, posting or service of the notice; and
- (i) the address of the registration authority at which documents relating to the application or proposal are available for inspection.

Inspection of copies of documents

13.—(1) The registration authority must ensure that copies of the following documents are available for inspection at the address specified for that purpose in any notice of the application or proposal—

- (a) in the case of an application, copies of the application and any accompanying documents; or
- (b) in the case of a proposal, copies of—
 - (i) the statement prepared in accordance with regulation 7(1); and
 - (ii) any documents in the possession of the registration authority which are relevant to the proposal.

(2) The times and dates at which the documents referred to in paragraph (1) are available for inspection must include all normal office hours during a period of not less than 42 days ending with the expiry of the period for making representations.

Representations

14.—(1) Any person may, by the date specified in a notice of an application or proposal, make written representations to the registration authority about the application or proposal.

(2) Representations under paragraph (1)—

- (a) must state the name and postal address of the person making them, and the nature of that person’s interest (if any) in any land affected by the application or proposal;
- (b) may include an email address of the person making them;
- (c) must be signed by the person making them; and

- (d) must state the grounds on which they are made.
- (3) As soon as reasonably practicable after the expiry of the period allowed for making representations in respect of an application, the registration authority must—

 - (b) serve on the applicant a copy of all the representations it has received.
- (4) The applicant may reply in writing to the registration authority within 21 calendar days of being served with a copy of representations (or within such longer period as the registration authority may specify at the time it serves the copy of representations), setting out the applicant's response to the representations.
- (5) A reply under paragraph (4) must be signed by the person making it.
- (6) Where the applicant makes a reply under paragraph (4), the registration authority must send a copy of it to every person who made a representation under paragraph (1).

Responsibility for determining applications and proposals

- 15.—(1) Subject to paragraph (2)—
- (a) an application made in accordance with these Regulations must be determined by the registration authority with responsibility for the register in which the land to which the proposal relates is recorded, or a registration authority who has the power to determine applications on such a registration authority's behalf; and
 - (b) a registration authority which has made a proposal in accordance with these Regulations must determine whether or not to amend its registers in accordance with the proposal.
- (2) In the cases specified in paragraph (3), a registration authority must refer to the appointed person for determination by it—
- (a) any application made in accordance with these Regulations; and
 - (b) any proposal made by the registration authority in accordance with these Regulations.
- (3) The cases referred to in paragraph (2) above are where the registration authority has an interest in the outcome of the application or proposal such that there is unlikely to be confidence in the authority's ability impartially to determine it, or where a person having a legal interest in the land the subject of an application or proposal (or someone acting on behalf of such a person) has made (and not subsequently withdrawn) representations amounting to an objection in respect of the application or proposal, and—
- (a) the application or proposal is made under section 19(4) of the 2006 Act, and seeks—
 - (i) to add land to, or to remove land from, a register; or
 - (ii) to correct an error as to the quantification of rights of common in a register; or
 - (b) the application or proposal is made under any of paragraphs 2 to 9 of Schedule 2 to the 2006 Act.
- (4) Where the registration authority refers an application or proposal to an appointed person for determination—
- (a) the registration authority must inform the applicant that the application has been referred to an authorised person for determination;
 - (b) the registration authority must send to the appointed person all material in its possession which is relevant to the determination of the application or proposal;
 - (c) in the case of an application, the appointed person may direct the applicant to provide any further information or documents necessary to enable the application to be determined; and

- (d) the appointed person may direct the registration authority to provide any further information or documents necessary to enable the application or proposal to be determined.
- (5) The appointed person may specify a time for complying with any direction given under this regulation.
- (6) If the applicant fails to comply with any direction given under this regulation or, where applicable, fails to comply within the time specified, the appointed person may treat the application as abandoned.

Method of determining applications and proposals

16.—(1) The determining authority must, in determining any application or proposal, take into account—

- (a) the contents of the application or proposal, and any material accompanying it;
- (b) any material provided by the registration authority under regulation 15(4)(b);
- (c) in the case of an application, any further information or evidence provided by the applicant in accordance with a direction under regulation 9(2) or 15(4)(c);
- (d) in the case of a proposal, any further information or evidence provided by the registration authority in accordance with a direction under regulation 15(4)(d);
- (e) any written representations made by any person in accordance with regulation 14, or in accordance with an invitation under paragraph (4);
- (f) any oral representations made by any person in accordance with paragraph (7);
- (g) the findings made at a site inspection, if any; and
- (h) where a public inquiry or a hearing has been held by an inspector—
 - (i) the evidence presented at the inquiry or hearing (if the determination is being made by the inspector who heard the evidence); or
 - (ii) the report and recommendation of the inspector (if the determination is not being made by the inspector).

(2) The determining authority may decide that a public inquiry is to be held in relation to any application or proposal.

(3) Where an appointed person is the determining authority, it may decide that a hearing in accordance with regulation 21 is to be held in relation to any application or proposal.

(4) The determining authority may, if it thinks it necessary to enable an application or proposal to be determined, invite further written representations about any specified matter from—

- (a) the applicant, in the case of an application;
- (b) the registration authority, in the case of a proposal;
- (c) a person who has made representations in accordance with regulation 14; or
- (d) any other person,

and may specify the time within which any such further representations must be made.

(5) Representations made pursuant to an invitation under paragraph (4) must be signed by the person making them.

(6) Paragraph (7) applies in relation to any application or proposal which the determining authority decides to determine without holding a public inquiry or, where an appointed person is the determining authority, a hearing in accordance with regulation 21.

(7) The determining authority—

- (a) may not refuse an application without first offering the applicant an opportunity to make oral representations; and
- (b) may not grant or refuse an application or proposal without first offering any person (other than the applicant) for whom the grant or refusal (as the case may be) would represent a determination of that person's civil rights an opportunity to make oral representations.

Notice of a public inquiry or hearing

17.—(1) If a public inquiry or a hearing is to be held in relation to an application or proposal, the determining authority must ensure that a notice of the inquiry or hearing is—

- (a) published on an appropriate website;
- (b) served on—
 - (i) the referring authority, if an appointed person is the determining authority;
 - (ii) in the case of an application, the applicant;
 - (iii) any person who has made representations in accordance with regulation 14; and
 - (iv) any other person whom the determining authority invited under regulation 16(4)(d) to make written representations; and
- (c) as the determining authority considers necessary, publicised by such other means or served on such other persons as may be appropriate to bring the inquiry to the attention of persons likely to be affected by the application or proposal.

Public inquiries: general provisions

18.—(1) Where it has been decided that a public inquiry is to be held in relation to an application or proposal, the determining authority must appoint an inspector—

- (a) to hold the inquiry; and
- (b) if the inspector is not also to determine the application, to provide a report and recommendation to the determining authority.

(2) Subject to the following provisions of this regulation, and to regulation 20, the procedure at the inquiry is to be determined by the inspector, having regard to all the circumstances of the case.

(3) Where the inspector does not propose to hold a pre-inquiry meeting, the inspector may give such directions in preparation for the inquiry as might have been given at such a meeting, and giving directions under this paragraph does not preclude the subsequent holding of a pre-inquiry meeting, if the inspector considers it desirable, nor does it preclude the inspector giving further directions at such a meeting.

(4) Any person interested in the subject-matter of an inquiry may appear at the inquiry in person or by a representative.

- (5) The inspector may, at any stage of an inquiry, prevent any person from—
 - (a) giving evidence;
 - (b) cross-examining a person giving evidence; or
 - (c) presenting any matter,

if the inspector considers it not to be relevant or to be repetitive.

- (6) If a person is behaving in a disruptive manner the inspector may—
 - (a) require a person to leave an inquiry;
 - (b) prevent a person from participating in the inquiry by giving evidence, cross-examining a person giving evidence, or presenting any matter; or

- (c) permit a person to remain at, or participate in, the inquiry only on specified conditions.
- (7) The inspector may proceed with an inquiry in the absence of any person entitled to appear at it.
- (8) The inspector may take into account any written representations or evidence or any other document received by the inspector from any person before or during an inquiry, provided that the inspector discloses it at the inquiry.
- (9) The inspector may, if it is considered reasonable in the circumstances—
 - (a) adjourn an inquiry to another date;
 - (b) adjourn an inquiry to the site of any land affected by the application or proposal, and conduct part of the inquiry at that site in conjunction with a site inspection.

Pre-inquiry meeting

19.—(1) Where it has been decided to hold a public inquiry, the inspector may, if the inspector considers it desirable, hold a pre-inquiry meeting to determine the matters to be addressed and the procedure to be followed at the inquiry.

(2) If the inspector decides to hold a pre-inquiry meeting, not less than 14 calendar days notice in writing must be given to—

- (a) the applicant, in the case of an application;
- (b) the registration authority;
- (c) any person who has made written representations about the application or proposal; and
- (d) any other person whose presence at the pre-inquiry meeting the inspector considers desirable.

(3) Paragraphs (2) and (4) to (7) of regulation 18 (so far as relevant) apply to pre-inquiry meetings as they apply to inquiries.

(4) The inspector may, at a pre-inquiry meeting—

- (a) give directions about things to be done in preparation for the inquiry to—
 - (i) the applicant, in the case of an application;
 - (ii) the registration authority; and
 - (iii) any other person wishing to appear at the inquiry; and
- (b) specify a date or dates by which any such directions must be complied with.

(5) In particular, the inspector may direct any person wishing to give evidence to serve a written statement of that evidence on—

- (a) the inspector; and
- (b) such other persons as the inspector may specify.

Procedure at inquiries

20.—(1) At the start of an inquiry, the inspector must—

- (a) identify the main issues to be considered at the inquiry;
- (b) identify any matters on which further explanation from any person appearing at the inquiry is required; and
- (c) explain the procedure to be followed at the inquiry.

(2) Paragraph (1)(a) does not preclude other issues from being considered at the inquiry, or (subject to the inspector's powers under regulation 18(5)) raised by persons appearing at the inquiry.

- (3) If a person giving evidence at the inquiry has provided a written statement of evidence in accordance with a direction under regulation 18(3) or 19(5), the inspector may direct that—
- (a) the written statement is to be treated as the person’s evidence, or as part of the person’s evidence; and
 - (b) other parties at the inquiry may cross-examine the person on the written statement.

Hearings

- 21.**—(1) Where the appointed person decides that a hearing is to be held in relation to an application or proposal for which it is the determining authority, it must appoint an inspector to hold the hearing.
- (2) A hearing is to take the form of a discussion led by the inspector.
 - (3) Paragraphs (2) and (4) to (9) of regulation 18 apply to a hearing as they apply to a public inquiry.
 - (4) Subject to regulation 18(5) to (7)—
 - (a) in the case of an application, the applicant is entitled to give, or to call another person to give, oral evidence; and
 - (b) any other person may give oral evidence with the permission of the inspector.
 - (5) Cross-examination is not permitted unless the inspector decides that it is necessary to ensure a sufficient examination of the issues.

Site inspections

- 22.**—(1) Where an inspector is appointed to hold a public inquiry, the inspector must (unless any permission necessary to do so is refused) inspect the land affected by the application or proposal before determining the application or proposal or producing a report to the determining authority.
- (2) In any other case, before an application or proposal is determined, the determining authority may conduct an inspection of the land affected by the application or proposal.
 - (3) Before a site inspection is made under paragraph (1) or (2) in relation to an application, the inspector or determining authority must ask the applicant whether the applicant wishes to be present or represented.
 - (4) If the applicant expresses a wish to be present or be represented, the inspector or determining authority must give the applicant reasonable notice of the date and time of the inspection, and give the applicant or their representative the opportunity to be present.
 - (5) The inspection does not need to be postponed if the applicant or their representative is not present at the appointed time.

Changes of procedure

- 23.**—(1) This regulation applies where notice has been given under regulation 17 that a public inquiry or, where the appointed person is the determining authority, a hearing is to be held in relation to the application or proposal.
- (2) Where a registration authority is the determining authority and considers it reasonable in the circumstances it may, subject to paragraph (3), decide at any time before the start of a public inquiry to cancel the inquiry and determine the application without holding an inquiry.
 - (3) The registration authority must consult the applicant before deciding to cancel a public inquiry in relation to an application.

(4) Where an appointed person is the determining authority and considers it reasonable in the circumstances it may, subject to paragraph (5), decide at any time before the start of a public inquiry or hearing—

- (a) to cancel the inquiry or hearing and determine the application without holding an inquiry or hearing; or
- (b) to hold a hearing instead of an inquiry, or vice versa.

(5) The appointed person must consult—
