The fees specified in regulation 9 are payable in relation to certain inspections and other activities carried out pursuant to Council Directive [2008/90/EC](#) on the marketing of fruit plant propagating material and fruit plants intended for fruit production (OJ No L 267, 8.10.2008, p. 8).

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with these Regulations.

**Changes to legislation:**

There are currently no known outstanding effects for the The Plant Health etc. (Fees) (Wales) Regulations 2018.
