
EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Plant Health (Export Certification) (Wales) Order 2006 to provide for increases in the fees payable for services in respect of applications for phytosanitary certificates (including phytosanitary certificates for re-export) and related pre-export services.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to this Order. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with this Order.
