The Public Health Information Regulations have been previously amended by:

- the Health Protection (Coronavirus, International Travel and Public Health Information to Travellers) (Wales) (Amendment) Regulations 2020 (S.I. 2020/714) (W. 160);
- the Health Protection (Coronavirus, Public Health Information for Persons Travelling to Wales etc.) (Amendment) Regulations 2020 (S.I. 2020/1118) (W. 253).

The International Travel Regulations impose requirements on persons entering Wales after having been abroad. They include a requirement for persons arriving in Wales to isolate for a period determined in accordance with those Regulations.

The requirements imposed by the International Travel Regulations are subject to exceptions, and certain categories of person are exempt from having to comply. The International Travel Regulations also confer powers on specified persons in specified circumstances to issue fixed penalty notices in relation to offences committed under the regulations, including in relation to offences for failure to comply with the requirements to isolate.

Persons entering Wales after being in one or more of the countries and territories (or parts of countries and territories) listed in Schedule 3 to the International Travel Regulations are not required to isolate. The countries and territories and parts of countries and territories listed in Schedule 3 are referred to as “exempt countries and territories”.

Part 2 of these Regulations amends the list of exempt countries and territories. Regulation 2 amends the International Travel Regulations to remove the entry for the Canary Islands from the list of exempt countries and territories. Regulation 4 amends the International Travel Regulations to add Botswana and Saudi Arabia to the list of exempt countries and territories.

Regulations 3 and 5 of these Regulations make transitional provision in connection with these countries’ and territories’ change of status. The transitional provisions address a potential area of doubt in terms of the effect on the operation of the International Travel Regulations, of the amendments made by regulations 2 and 4 of these Regulations.

Changes to legislation: *There are currently no known outstanding effects for the The Health Protection (Coronavirus, International Travel and Public Health Information to Travellers) (Wales) (Amendment) (No. 2) Regulations 2020 (revoked). (See end of Document for details)*

Part 3 of these Regulations amends the amount of the fixed penalty notice that may be issued under regulation 16(6) of the International Travel Regulations. Regulation 6 of these Regulations replaces the fixed sum of £1000 with a sliding scale starting at £500 for a first offence.

The Public Health Information Regulations require the operators of commercial air or sea passenger services that arrive in Wales to provide certain information to passengers using those services. The information relates to measures being taken in the United Kingdom in response to coronavirus, including measures required by the International Travel Regulations.

Part 4 of these Regulations amends the Public Health Information Regulations. Regulations 7 and 9 of these Regulations make consequential amendments as a result of the amendments made by the Health Protection (Coronavirus, International Travel and Restrictions) (Amendment) (No. 3) (Wales) Regulations 2020 (S.I. 2020/1477 (W. 316)) to the International Travel Regulations to reduce the period for which a person is required to isolate from 14 days to 10 days.

Regulation 8 of these Regulations amends the amount of the fixed penalty notice that may be issued under regulation 7(1) of the Public Health Information Regulations. Regulation 7 of these Regulations replaces the fixed sum of £4000 with a sliding scale starting at £1000 for a first offence.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has not been prepared as to the likely cost and benefit of complying with these Regulations.
