The International Travel Regulations impose requirements on persons entering Wales after having been abroad. They include a requirement for persons arriving in Wales to isolate for a period determined in accordance with the Regulations. The requirements imposed by the International Travel Regulations are subject to exceptions, and certain categories of person are exempt from having to comply. Persons entering Wales after being in one or more of the countries and territories listed in Schedule 3 to the International Travel Regulations are not required to isolate. The countries and territories listed in Schedule 3 are referred to as "exempt countries and territories".

Part 2 of these Regulations amends the list of exempt countries and territories.

Regulation 2 of these Regulations amends the International Travel Regulations to remove the Greek territories of Antiparos, Crete, Lesvos, Mykanos, Paros and Zakynthos from the list of exempt countries and territories.
