Section 35D(2) was amended by [S.I. 2014/1101](#), article 7 and [S.I. 2015/794](#), article 5. There are other amendments to this section which are not relevant to these Regulations.

(2) [S.I. 2002/3135](#), to which there are amendments not relevant to these Regulations.

- (b) (functions of a Medical Practitioners Tribunal), or section 38(1) (power to order immediate suspension etc.) of the Medical Act 1983;
- (h) in the case of an optometrist, it becomes aware that the qualified practitioner is the subject of a direction made by the Fitness to Practise Committee of the General Optical Council other than in a health case to erase the practitioner’s name from the appropriate register or suspend the practitioner’s registration under section 13F(3)(a) or (b), (7)(a) or (b) or (13)(a) or (b) of the Opticians Act 1989(3) (powers of the Fitness to Practise Committee);
- (i) it is notified by the First-tier Tribunal that it has considered an appeal by that qualified practitioner against their conditional inclusion in the Local Health Board’s supplementary list and that qualified practitioner had been conditionally included pending the outcome of the appeal, and the First-tier Tribunal has decided not to include the qualified practitioner in the supplementary list;

- (a) the qualified practitioner is included in the Local Health Board’s ophthalmic list and has failed to comply with the terms of service;
- (b) the qualified practitioner has failed to comply with a condition imposed under regulation 14;
- (c) the qualified practitioner has been convicted in the United Kingdom of a criminal offence (other than murder), committed on or after 30 July 2002 in the case of the ophthalmic list, or on or after 1 February 2006 in the case of the supplementary list, and the qualified practitioner has been sentenced to a term of imprisonment (whether suspended or not) of over 6 months;
- (d) the qualified practitioner is included in the Local Health Board’s supplementary list and the Local Health Board considers any of the conditions set out below is met in relation to the qualified practitioner—
- (i) the continued inclusion of that qualified practitioner in its supplementary list would be prejudicial to the efficiency of the services which those included in that list assist in providing (“an efficiency case”);
- (ii) the qualified practitioner has (whether together with someone else or on their own) by an act or omission caused, or risked causing, detriment to any health scheme by securing or trying to secure for themselves or someone else any financial or other benefit and knew that they, or the other person, were not entitled to that benefit (“a fraud case”);
- (iii) the qualified practitioner is unsuitable to be included in that part of that list (“an unsuitability case”);
- (e) in accordance with paragraphs (4) and (5), it determines that a qualified practitioner that has been included in the Local Health Board’s combined list for the preceding twelve months has not provided (or assisted in providing, as applicable) primary ophthalmic services for persons in its locality within that period.

(3) Section 13F was added by [S.I. 2005/848](#), article 16.

(4) In calculating the period of twelve months referred to in paragraph (3)(e), the Local Health Board must disregard—

- (a) any period during which the qualified practitioner was suspended from the Local Health Board's list;
- (b) any period during which the qualified practitioner was performing whole-time service in the armed forces in a national emergency (as a volunteer or otherwise), compulsory whole-time service in the armed forces (including service resulting from reserve liability), or any equivalent service, if liable for compulsory whole-time service in the armed forces;
- (c) any period which the Local Health Board reasonably determines.

(5) A Local Health Board which is considering removing a qualified practitioner from its ophthalmic or supplementary list (as appropriate) under paragraph (3) must, before making that decision, follow the procedure in paragraph 12 of Schedule 3.

(6) Where a Local Health Board is considering a removal under section 107 of the Act (disqualification of practitioners) or under paragraph (3)(d) of this regulation, it must consider the factors set out in paragraphs 14 to 17 of Schedule 3 that are applicable to the grounds for removal being considered.

(7) A Local Health Board must notify the qualified practitioner of its decision under this regulation or under section 107 of the Act within 7 days beginning with the day it makes that decision.

- (a) the end of a period of 28 days beginning with the day on which the Local Health Board makes that decision, or
- (b) the date any appeal is determined by the First-tier Tribunal.

(10) Paragraph 13 of Schedule 3 makes provision in relation to the procedure for removals from an ophthalmic list under section 107 of the Act (disqualification of practitioners).

(11) Nothing in this regulation will prejudice the right of a qualified practitioner to have their name included again in an ophthalmic or supplementary list.

(12) In this regulation—

“health case” (“*achos iechyd*”) has the meaning given to it in section 13G(6) of the Opticians Act 1989(4) (provisions supplementary to section 13F);

“health scheme” (“*cynllun iechyd*”) means the services covered by the definition in section 107 of the Act (disqualification of practitioners) and those prescribed by regulation 18.

(2) Where a Local Health Board is considering contingently removing a qualified practitioner under paragraph (1), it must, before making that decision, follow the procedure in paragraph 12(1) to (3) of Schedule 3.

(3) If it so decides, the Local Health Board must impose such conditions as it may decide on the qualified practitioner's inclusion in its supplementary list with a view to—

- (a) removing any prejudice to the efficiency of the services in question (in an efficiency case), or
- (b) preventing further acts or omissions (in a fraud case).

(4) Where the Local Health Board decides to contingently remove a practitioner under paragraph (1), that decision must not take effect until the later of—

- (a) the end of a period of 28 days starting with the date the Local Health Board made its decision, or
- (b) the date any appeal is determined by the First-tier Tribunal.

(5) If the Local Health Board decides that the qualified practitioner has failed to comply with a condition, it may decide to—

- (a) vary the conditions imposed,
- (b) impose new conditions, or
- (c) remove the qualified practitioner from its supplementary list.

(6) In this regulation, “efficiency case” and “fraud case” have the meaning given in regulation 17.

(7) A Local Health Board may, and if requested in writing by the qualified practitioner to do so must, review its decision to contingently remove the qualified practitioner under this regulation.

(8) A qualified practitioner may not request a review under paragraph (7) until after a three month period beginning with the date of the Local Health Board includes the qualified practitioner in its combined list.

(9) After a review has taken place, the qualified practitioner may not request a further review before the end of a six month period beginning with the date of the decision on the previous review.

Restrictions on withdrawal from an ophthalmic list

21.—(1) Unless the Welsh Ministers have given their consent to a qualified practitioner’s withdrawal from an ophthalmic list, a qualified practitioner may not withdraw from an ophthalmic list where a Local Health Board is investigating the qualified practitioner—

- (a) for the purpose of deciding whether or not to exercise its powers under section 107 (disqualification of practitioners), 108 (contingent removal) or 110 (suspension) of the Act,
 - (b) for failure to comply with a condition imposed on the qualified practitioner under regulation 14 so as to justify removal of the qualified practitioner from its ophthalmic list, or
 - (c) who has been suspended under section 110(1)(a) of the Act,
- until the matter has been finally determined by the Local Health Board.

(2) Unless the Welsh Ministers have given their consent to the qualified practitioner’s withdrawal from an ophthalmic list, a qualified practitioner may not withdraw from an ophthalmic list where a Local Health Board has decided to—

- (a) remove the qualified practitioner from its ophthalmic list under section 107 or 108 of the Act,

but has not yet given effect to that decision.

(4) The Local Health Board must not agree to a qualified practitioner withdrawing from its ophthalmic list unless it is satisfied that satisfactory arrangements have been made for the completion of any primary ophthalmic services which the qualified practitioner has undertaken to provide.

Withdrawal from a supplementary list

22.—(1) A qualified practitioner must, so far as is practicable, give the Local Health Board at least three months' notice in advance of the day that the qualified practitioner intends to withdraw from its supplementary list.

(5) A qualified practitioner may not withdraw a notice given pursuant to paragraph (2) once the qualified practitioner has been included in that other list.

Suspension from a supplementary list

23.—(1) If the Local Health Board is satisfied that it is necessary to do so for the protection of members of the public or is otherwise in the public interest, it may suspend a qualified practitioner from its supplementary list—

(4) Subject to paragraph (5), the Local Health Board may extend the period of suspension under paragraph (2) or impose a further period of suspension under paragraph (3), so long as the aggregate does not exceed six months.

(5) The period of suspension under paragraph (2) or (3) may be extended beyond six months if—

- (a) on the application of the Local Health Board, the First-tier Tribunal so orders, or
- (b) the Local Health Board applied under sub-paragraph (a) before the expiry of the period of suspension, but the First-tier Tribunal has not made an order by the time it expires, in which case it continues until the First-tier Tribunal makes an order.

(6) If the First-tier Tribunal does so order, it must specify—

- (a) the date on which the period of suspension is to end,
- (b) an event beyond which it is not to continue, or
- (c) both of the above, in which case the suspension will end on the earlier of the date or event specified, as the case may be.

(7) The First-tier Tribunal may, on the application of the Local Health Board, make a further order, which must also comply with paragraph (6), at any time while the period of suspension pursuant to the earlier order is still continuing.

(8) If the Local Health Board suspends a qualified practitioner in a case falling within paragraph (1)(c) or (d), the suspension has effect from the date the Local Health Board informed the qualified practitioner of the suspension and will continue until—
