64 Meaning of “regional provision” and “special education functions”

In this Chapter—

“regional provision” (*darpariaeth ranbarthol*) means—

- (b) provision made by two or more local authorities for goods or services to be supplied by one of the authorities—
 - (i) to the other or others, or
 - (ii) to one or more governing bodies of schools maintained by the other authority or authorities;

“special education functions” (*swyddogaethau addysg arbennig*) means functions under Part 4 of the Education Act 1996 (special educational needs).

65 Direction to consider making regional provision

- (1) The Welsh Ministers may direct local authorities to consider whether they (or any of them) would be able to carry out their special education functions, in respect of children with the special educational needs specified in the direction, more efficiently or effectively if regional provision were made.

- (2) The authorities to whom a direction is given must report their conclusions to the Welsh Ministers no later than the time specified in the direction.
- (3) A direction under this section may be given to local authorities generally or to one or more authorities specified in the direction.

66 Directions to make proposals to secure regional provision

- (1) This section applies where the Welsh Ministers are of the opinion that two or more local authorities would be able to carry out their special education functions, in respect of children falling within a particular description, more effectively or efficiently if regional provision were made in relation to the areas of those authorities.
- (2) The Welsh Ministers may give one or more of the directions specified in subsection (3) for the purpose of securing that regional provision is made in relation to the description of children from the areas specified in the direction.

 - (b) that the governing body of a foundation or voluntary school exercise its powers to make proposals to alter its school;
 - (c) that two or more local authorities make arrangements under which—
 - (i) provision for education is made by one of the authorities in respect of persons from the area (or areas) of the other authority (or authorities), and
 - (ii) provision is made for determining the payments to be made under the arrangements in respect of the provision of that education;
 - (d) that two or more local authorities make arrangements that provide for one of those authorities to supply to the other (or others) goods or services to be specified in the arrangements on terms (including terms as to payment) to be so specified;
 - (e) that a local authority and the governing bodies of one or more foundation or voluntary schools make arrangements that provide for the authority to supply to the governing bodies goods or services to be specified in the arrangements, on terms (including terms as to payment) to be so specified.
- (4) Where the Welsh Ministers give a direction under subsection (3)(c) and a direction under subsection (3)(a) or (3)(b), the payments to which subsection (3)(c) refers may include an amount in respect of the costs connected with the establishment, alteration or discontinuance of the school in question.
- (5) A direction under subsection (3)(a) or (3)(b)—
 - (a) must require the proposals in question to be published no later than the date specified in the direction, and
 - (b) must require the body making the proposals to send a copy of the published proposals, together with other information (of a kind specified in the direction) in connection with those proposals to the Welsh Ministers.

67 Further provision about proposals made after a direction under section 66
