# LANDFILL DISPOSALS TAX (WALES) ACT 2017

## **EXPLANATORY NOTES**

### **COMMENTARY ON SECTIONS**

#### **Part 5 - Supplementary Provision**

#### **Chapter 1** – Tax Credits

#### Section 54 – Power to make provision for tax credits

- 98. Section 54 gives the Welsh Ministers the power to make regulations setting out circumstances in which a person will be entitled to a tax credit in relation to LDT, subject to any specified conditions and procedures being met and followed.
- 99. It is envisaged that this power will be used, for example, to establish an entitlement to credit in situations where a landfill site operator:
  - has properly invoiced a customer in relation to a taxable disposal that has been made;
  - has meanwhile accounted for and paid LDT on that disposal to WRA; and
  - has then discovered that the customer has become insolvent and that the debt cannot be recovered.
- 100. In the example outlined above, regulations might set out the conditions that the landfill site operator would be required to meet in order to be eligible to apply for a credit, including details of the records or supporting evidence needed. Further, the regulations might explain how the landfill site operator would go about claiming the credit: this might be through deducting the amount from the overall tax owed in an existing or future LDT return.
- 101. Regulations may also set out the circumstances in which WRA may refuse a claim for a tax credit and the way in which a person can challenge a decision taken by WRA about a tax credit. Regulations can set penalties that could apply if a credit were claimed contrary to the requirements set out in the regulations.
