 - (b) specify the period within which the further information must be provided, which must be at least 30 days beginning with the day on which notice of the request is issued.
- (4) WRA must issue a notice to the operator of its decision on the application within the period of 30 days beginning—
 - (a) if WRA does not request further information, with the day on which WRA receives the application for approval, or
 - (b) if WRA requests further information, with the earlier of—
 - (i) the day on which WRA receives the information, and

- (6) WRA and the operator of an authorised landfill site may agree to extend a period of time specified by or under this section.
- (7) If the period specified in subsection (4) (including any extension agreed under subsection (6)) ends without WRA having issued a notice of its decision, WRA is to be treated as having approved the carrying out of restoration work as described in the application (including any of the work that was carried out between the time when the application was made and the time when that period ended).
