 - (a) whether the mines and minerals are mines and minerals to which section 7 applies; or
 - (b) whether the applicant or the person on whose behalf the application is made is entitled to be registered as the owner of that estate; or
 - (c) the nature of the estate, or the extent of the land or the description of any mines and minerals which is or are subject to it;and if any person, within such reasonable period as the Ministry by notice served on him specifies, fails to comply with any requirement duly made of him under this subsection his application shall on the expiration of that period be treated as withdrawn.

- (a) no application for the registration under section 8 of any estate in the mines and minerals of that description in that land is duly made under subsection (1) or (2) of that section, or
 - (b) every such application which is so made is or is treated as withdrawn,
- then, as from the first appointed day (or, where a sole application or a last outstanding application is or is treated as withdrawn at a time subsequent to that day, as from that time), section 1(1) shall be deemed to have had effect with respect to the mines and minerals of that description in that land as if section 7 had not been passed, but subject to subsection (2).
- (2) Subsection (1) shall not render unlawful anything otherwise lawfully done before the first appointed day (or, as the case may be, the time mentioned in that subsection) by or on behalf of any person mentioned in section 7, or any successor in title of his, in or for the purpose of working the mines and minerals in question.

10 Safeguards for persons working or developing mines.

- (2) Where, by virtue of section 9(1), section 1(1) is deemed to have had effect with respect to any mines and minerals in default of the registration of some estate therein under section 8, the Lands Tribunal, on an application made by any person who would have been entitled to an estate in possession in those mines and minerals were it not for the operation of section 9(1), or, where the mines and minerals would have been the subject of a settlement, by the trustees, if any, of the settlement or any other person entitled under the settlement, may make an order annulling the operation of section 9(1) in relation to those mines and minerals and requiring the registration before a day specified in the order of any estate therein which is subsisting by virtue of the order; and where such an order is made sections 8 and 9 and subsection (1) of this section shall thereafter apply in relation to those mines and minerals with the necessary modifications and in particular as if any reference in section 8 or 9 to the first appointed day were a reference to the day so specified.
- (3) On an application under subsection (2) the Lands Tribunal shall not make an order such as is mentioned in that subsection unless it is satisfied—
- (a) that there was good reason for the failure to submit an application under subsection (1) or (2) of section 8 before the first appointed day, and
 - (b) where the Ministry has exercised or proposes to exercise any of the powers conferred on it by sections 11 and 15 to 19 in relation to the mines and

 - (b) rendering the Ministry or any such other person liable to any proceedings whatsoever in consequence of any such disposition, licence, permission, permit or thing.

- (2) The licensee shall cause to be quantified (by weighing or in such other manner as the Ministry may approve) all minerals worked by him and shall keep records in the prescribed manner of all minerals worked or sold or otherwise disposed of by him, and shall produce such records for inspection by any authorised officer of the Ministry, when so required.

Status: Point in time view as at 10/06/2006.

14 Undertaking by the Ministry to grant mining leases, etc.

- (1) On the granting, or at any time during the currency, of a prospecting licence, the Ministry may give an undertaking to the licensee under the licence that if, at any time during the currency or on the expiration of the licence, the Ministry is satisfied that the prospecting carried on by the licensee has been successful and that the terms and conditions of the licence have been observed and performed, the Ministry will—

- (2) An undertaking under paragraph (a) or (b) of subsection (1) shall not operate to require the Ministry to grant the right mentioned in the said paragraph (a) or to acquire or make available the land or ancillary rights mentioned in the said paragraph (b), where by reason of any material change in circumstances it is not in the public interest to implement the undertaking.
- (3) An undertaking under paragraph (b) of subsection (1) shall not operate to require the Ministry to acquire or make available any land or ancillary rights unless the Ministry is satisfied that it is not reasonably practicable for the licensee otherwise to obtain the land or rights for any of the following reasons—

 - (b) that such persons, or any of them, cannot be ascertained or cannot be found;
 - (c) that such persons, or any of them, have not the necessary powers of disposition, whether by reason of defect in title, legal disability or otherwise;

- (1) Where, on application made by a person having an estate in any land who is not entitled to support or sufficient support (whether vertical or lateral) for any buildings or works erected or constructed, or intended to be erected or constructed on or below the surface, the Lands Tribunal is satisfied that it is not reasonably practicable to obtain a right to such support by private arrangement, the Tribunal may, upon such terms as it thinks proper, make an award imposing such prohibitions or restrictions on the working of minerals in that land and the land adjacent thereto as it considers necessary to secure sufficient support to the buildings or works.
- (2) The restrictions may be either on the quantity or position of the minerals to be worked, or on the methods of working or packing, or otherwise such as may be necessary to secure adequate support to the buildings or works or to prevent or minimise damage thereto.

- (3) [^{F38}Article 8(1) of the Land Compensation (Northern Ireland) Order 1982], in its application for the purpose of estimating the compensation to be paid under this Schedule in respect of the compulsory acquisition of land or ancillary rights, shall have effect as if after the words “powers conferred on the acquiring authority by” there were inserted the words “ , or on any other person by that authority under, ” .

- (5) In determining the amount of any disputed compensation, the Lands Tribunal shall not award any sum of money for or in respect of any improvement or alteration made, or building erected, after the date of the giving by the Ministry of notice of its intention to acquire the land or ancillary rights compulsorily if, in the opinion of the Lands Tribunal, the improvement, alteration, or building in respect of which the claim is made was made or erected with a view to obtaining or increasing compensation; nor, in respect of any estate created after the said date in any land to which the order relates, shall any sum or money be awarded so as to increase the total amount of compensation which would otherwise have been required to be paid in respect of the acquisition of the land or any ancillary rights in relation thereto.

- (a) where the compensation is payable by way of a lump sum, or

- (2) Where any compensation not exceeding the sum of one hundred pounds is payable in respect of an estate which is subject to any mortgage or charge (not being a charge consisting of an annuity under the Land Purchase Acts), the compensation may be paid to the person entitled to the mortgage or charge, or, if there is more than one such mortgage or charge, then the person entitled to the mortgage or charge which is first in priority, and the amount so paid shall be received in reduction of the principal sum for the time being owing in respect of the mortgage or charge, notwithstanding any direction, proviso or covenant to the contrary contained in any instrument; and where the compensation is paid to a mortgagee or chargeant, the receipt given by the mortgagee or chargeant shall release the compensation fund from all claims by him and any subsequent mortgagee or chargeant, and also from all claims by the person creating the mortgage or charge and all persons claiming through or under that person.
- (3) A memorandum of the amount paid under sub-paragraph (2) shall, when practicable, be endorsed on the instrument creating the mortgage or charge, and shall be signed by the person receiving the compensation, and a copy of the memorandum shall be furnished by the Ministry at its expense to all persons appearing to the Ministry to be entitled to any estate in the land subject to the mortgage or charge.

- 15 (1) Where the amount of compensation which is payable in respect of any land to which a mining facilities order relates has been determined but for some reason it is not possible for the Ministry to obtain a good discharge therefor,—
- (a) if the total amount of the compensation, or, where the compensation is payable by instalments, the first instalment thereof, is or exceeds two hundred pounds but does not exceed one thousand pounds, the Ministry shall pay the money into the county court;
 - (b) if the total amount of the compensation or, where the compensation is payable by instalments, the first instalment thereof, exceeds one thousand pounds, the Ministry shall pay the money into the High Court;
 - (c) if the compensation is payable by instalments and the amount of the first instalment is less than two hundred pounds, the provisions of head (a) shall apply to that and any subsequent instalments when the amount of those instalments aggregates two hundred pounds;

and if any such compensation or the aggregate of any instalments thereof is less than two hundred pounds and has remained in the hands of the Ministry for a period of six years from the date on which the compensation or the first instalment thereof became payable, head (a) shall apply to that compensation or those instalments and to all other corresponding sums falling due to the same person as if the words “ is or exceeds two hundred pounds but ” were omitted.

 - (3) The payment of the compensation in the manner provided by sub-paragraph (1) shall operate to discharge the compensation fund from all claims and interests in respect of which the compensation is payable.
- 16 (1) The Ministry shall pay interest upon the compensation money from the date of the vesting of the land or ancillary rights in respect of which, or in consequence of the acquisition of which, the compensation is payable, or, where the compensation is payable by instalments, upon each instalment from the expiration of one month after the date when the instalment falls due, until the time of the payment of the money and interest to the party entitled thereto, or, where such compensation is paid into court, then until the sum with such interest is paid into court accordingly.
