

Health and Social Care (Quality and Engagement) (Wales) Act 2020

2020 asc 1

PART 1

OVERVIEW

1 Overview of this Act

In this Act—

- (a) Part 2 imposes requirements in respect of improvement in the quality of health services;
- (b) Part 3 makes provision for and about a duty of candour in respect of health services;
- (c) Part 4 establishes, and makes provision about the functions of, the Citizen Voice Body for Health and Social Care, Wales;
- (d) Part 5 makes provision about the constitution of NHS trusts; for minor and consequential amendments to other legislation; and contains supplementary provision about this Act (including about the procedure for making regulations under the Act).
