##### ***Section 94 – Panel performance assessments: supplementary regulations***

466. This section gives the Welsh Ministers a power to make provision by regulations for, and in connection with, the appointment, by principal councils, of panels which will conduct panel performance assessments. Ministers may, in particular, make provision about the appointment of panel members and about the payment of fees to, or in relation to, panel members (for example, provision about recompensing an employer who allows an employee time off work to be a member of a panel).
