- (2) In this section, a report under subsection (1) is referred to as a “self-assessment report”.
- (3) A principal council's self-assessment report must set out any actions the council intends to take, and any actions it has already taken, with a view to increasing the extent to which it will meet the performance requirements in the financial year following the financial year to which the report relates.
- (4) A self-assessment report (other than a principal council's first self-assessment report) must include the council's conclusions as to the extent to which any actions included by virtue of subsection (3) in the council's preceding report increased the extent to which the council met the performance requirements in the financial year to which the self-assessment report relates.

- (5) In reaching the conclusions in its self-assessment report a council must take into account the views of the persons mentioned in paragraphs (a) to (d) of section 90 (whether those views were obtained under section 90 or otherwise) about the extent to which the council met the performance requirements during the financial year to which the report relates.
- (6) The council must make a draft of its self-assessment report available to its governance and audit committee.
- (7) The governance and audit committee must review the draft report and may make recommendations for changes to the conclusions, or to anything included by virtue of subsection (3), in the draft.
- (8) If the council does not make a change recommended by the governance and audit committee under subsection (7), the council must set out in the report the recommendation and the reasons why it did not make the change.
- (9) The council must make a self-assessment report in respect of a financial year as soon as reasonably practicable after the end of that financial year.
- (10) Before the end of the period of four weeks beginning with the day on which the council makes the report the council must—
