PUBLIC FINANCE AND ACCOUNTABILITY (SCOTLAND) ACT 2000

EXPLANATORY NOTES

THE ACT

Schedule 1 - Capital Expenditure of, and Borrowing by, Certain Statutory Bodies

General Purpose

- 151. This schedule amends legislation concerned with the capital expenditure of and borrowing by various statutory bodies. The effect of paragraph 1 is to require the Scottish Ministers, in consenting to capital expenditure under section 94 of the Local Government (Scotland) Act 1973, to keep within a limit set by Budget Act. The remaining provisions ensure that bodies can only borrow in any financial year up to a net limit which will be set by the Parliament in a Budget Act for that year. One limit will be set for all bodies within a particular group. It will limit the net aggregate amount of external borrowing of all of those bodies in the year concerned.
- 152. The bodies to whom this applies are:
 - NHS Trusts (paragraph 2);
 - Scottish Homes (paragraph 3);
 - Scottish Enterprise and Highlands and Islands Enterprise (paragraph 4);
 - New water and sewerage authorities (paragraph 6);
 - Scottish Environment Protection Agency (paragraph 7).
